PROCEEDINGS AND DEBATES OF THE 115th CONGRESS, FIRST SESSION

Vol. 163

WASHINGTON, WEDNESDAY, SEPTEMBER 27, 2017

No. 155

House of Representatives

The House met at 3 p.m. and was called to order by the Speaker.

PRAYER

Pastor Dennis Jokela, Kalamazoo County Sheriff's Department, Kalamazoo, Michigan, offered the following prayer:

Father God, we are grateful to be able to come into Your presence in a free country such as ours.

I ask that You bless this great Nation.

I ask You to pour out Your wisdom and revelation knowledge into everyone hearing the sound of my voice.

I ask You to let Your glory shine like a light emanating from this place, filling our entire country.

I speak unification of our country in our original, can-do, American spirit.

I speak life into those dead and dying places in our land, Lord.

For those places that are in need of Your restoration power, I ask that You pour it out on them.

I ask that You bless these proceedings today and bless the work of our hands.

I ask all of this in Jesus' mighty name.

Amen.

THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause one, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from Texas (Mr. POE) come forward and lead the House in the Pledge of Allegiance.

Mr. POE of Texas led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

WELCOMING PASTOR DENNIS JOKELA

The SPEAKER. Without objection, the gentleman from Michigan (Mr. UPTON) is recognized for 1 minute.

There was no objection.

Mr. UPTON. Mr. Speaker, I rise today to recognize a proud son of Portage, Michigan, Pastor Dennis Jokela of the Kalamazoo County Sheriff's Department.

He has been a pillar of our community through his work as a small-business owner, a judge for the Michigan Vocational Education Society, and as a corporal and chaplain at the Kalamazoo County Sheriff's Department as well.

I know I speak for many as we thank, in particular, our first responders all across the country, sheriffs, and police officers, and pray to keep them and their families safe.

Pastor Jokela's dedication to public service runs deep as a seven-time decorated veteran of Vietnam and Cambodia—overdue medals my team was able to help him obtain—a pastor with the Michigan Boot Camp for Troubled Teens at Fort Custer, and his work with the homeless. His commitment to community and country are unquestionable.

Mr. Speaker, I thank Pastor Jokela for his service here and at home. We are all so honored to be with him today. I thank him for his kind words.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. COSTELLO of Pennsylvania). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

RECOGNIZING ERIEZ MANUFACTURING ON 75 YEARS IN BUSINESS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to congratulate Eriez Manufacturing on 75 years in business in Erie, Pennsylvania. Eriez has grown exponentially since the early days when Orange Fowler Merwin—or O.F., as he was known—sold equipment to grain millers.

His customers often complained about stray pieces of metal that found their way into the grain that the farmers brought to the mills for grinding. In 1942, O.F. devised a permanent magnetic separator in the basement of his home and sold it to a grain miller. Eriez was officially on its way.

Since those humble beginnings in that Erie basement, Eriez has expanded into the world authority in separation technologies with operations all over the world. Of course, it has always been headquartered in Erie and on Asbury Road since 1962.

Mr. Speaker, today, Eriez employs more than 300 Erie residents, between its two locations on Asbury Road and at its facility near Belle Valley.

The story of Eriez Manufacturing truly is a classic American Dream tale, and it has maintained local family ownership throughout its history. I congratulate them on this milestone.

PUERTO RICO NEEDS OUR ASSISTANCE

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Mr. Speaker, last week, Hurricane Maria hit the island of Puerto Rico. The damage on the island has been described as apocalyptic: buildings destroyed, a major dam at
