

give some degree of clarity, I have, in this hand, an article that is styled, "The Overcriminalization of Impeachment." It is dated August 7, 2017, by Gene Healy. He is with the Cato Institute.

I commend it to all who have any interest in impeachment, because this will give you a summary that will spare you a lot of reading in the Federalist Papers, reading many other articles. I commend it to you, and I will say more about it at a later time.

MUSLIM BAN 3.0

(Mrs. LAWRENCE asked and was given permission to address the House for 1 minute.)

Mrs. LAWRENCE. Mr. Speaker, I rise today to express my outrage toward the latest travel ban proposed by the Trump administration again late on September 24. The administration issued a proclamation with new discriminatory travel restrictions on eight countries.

Let me be clear: no matter how many times this administration tries to repackage it and sell it, a Muslim ban is a Muslim ban. It remains hateful, discriminatory, and goes against our American values. We won't be fooled by the inclusion of North Korea and Venezuela.

This Muslim and refugee ban continues to be part of a dangerous and immoral agenda against a religion, people of color, and immigrants.

This administration and this ban is fanning the flames of fear and anger against groups of Americans and immigrants, with policies that clearly undermine the Constitution that I love and our American principles.

Dressed up or dressed down, this ban must not stand.

We must address terrorism, and it is not restricted to the Muslim population. We must address it here on the ground in homegrown terrorism as well.

PROTECTING AND DEFENDING OUR DREAMERS

(Mr. JOHNSON of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Georgia. Mr. Speaker, I rise today to protect and defend our DREAMERS.

Now that President Trump has failed all of us by rescinding DACA, Congress must now move immediately to protect these courageous, patriotic DREAMERS like my constituent and aspiring cardiovascular surgeon, Cinthya Moran.

Cinthya just wants an opportunity to contribute to her community, and in her own words: "We are only here to contribute to this amazing country."

Like Cinthya, all DACA recipients are our friends, they are our neighbors, they are soldiers on the battlefield, they are new homeowners, they are entrepreneurs, they are students.

I urge my colleagues to support our DACA constituents and pass legislation that protects these brave young people, and I ask you to do that as soon as possible.

AMERICA'S IMMIGRATION SYSTEM IS BROKEN

(Mr. COSTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COSTA. Mr. Speaker, I have been saying for years that the American immigration system is broken, and it is about time we fix it. We must pass comprehensive immigration reform. This will obviously require bipartisanship and a deliberative policy process to make it happen.

In the meantime, we ought to do what we can where we can agree to do it, and that is why I am working towards this effort to protect our DREAMERS now. This is why I signed the discharge petition to bring to the House floor a bipartisan, bicameral Dream Act which will permanently protect these people who were brought here as children, who are in school, who are serving in our military, who are working and contributing to our economy, that will permanently protect DREAMERS and offer them a path to earned citizenship.

At Fresno State University, we have 1,200 DREAMERS who are enrolled; at UC Merced, we have 600 DREAMERS who are enrolled. We have thousands of young people in the San Joaquin Valley who are impacted, and that is why we must change this law and that is why I am here today, calling on the House leadership to bring the Dream Act to the floor. It is the right thing to do. It is the American way in which we solve problems.

I will continue to do everything in my power to bring the Dream Act to the House floor to vote and to work for a comprehensive and a longer term immigration policy so that we don't have to continue to have the political posturing and the fight that has endured way too long. Let's fix this for the DREAMERS now.
