TRIBUTE TO SENATOR LUKE
KENLEY FOR HIS SERVICE TO
INDIANA

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor the retirement of Senator Luke Kenley from the Indiana State Senate after 25 years. For decades Senator Kenley has served not only his constituents in Indiana's 20th Senate district, but has served our state and our nation. The people of Indiana's Fifth Congressional District are forever grateful for Senator Kenley's commitment to making our Hoosier home and our country a better, safer, place to live.

The oldest of eight children, Howard "Luke" Kenley is a life-long Hoosier and was raised in Hamilton County. He and his siblings split time between Noblesville during the school year and working summers at his grandparents' west Texas cattle ranch in Ft. Stockton. Senator Kenley graduated from Noblesville High School as their senior class president in 1963, where he met his high school sweetheart and future wife, Sally. Senator Kenley then attended Miami University in Oxford, Ohio, my alma mater. He graduated in the class of 1967 earning his bachelor's degree in economics. Following graduation from Miami, he went on to Harvard to pursue his law degree. Senator Kenley left law school in 1969 during the fourth year of the Vietnam war to enroll in officer candidate school (OCS) where he graduated first in his class with the rank of Lieutenant. After completing OCS, Senator Kenley returned to Harvard to finish his law degree in 1972. Senator Kenley then returned to Noblesville to start his career and begin a family with his wife, Sally.

Senator Kenley practiced business law in Indianapolis for two years, after which he left to run the family business, founded in 1940 by his grandfather R.A. Kenley. Under his leadership Kenley Supermarkets, in Noblesville, grew tremendously from 20 employees and \$2 million in yearly sales to two stores and 175 employees with \$16 million in yearly sales. Senator Kenley managed operations from 1974 to 1998, at which time Marsh Supermarkets purchased the business. In addition to his time at the helm of Kenley Supermarkets, Senator Kenley served as the Noblesville City Court judge at the urging of Hamilton County Republican leaders. In 1990, after 15 years and 40,000 cases, Senator Kenley retired from the bench. It was not long before he was again asked to serve. In 1992, Senator Kenley was tapped to fill the vacancy in state Senate campaign in his home district. Senator Kenley won the seat and has served with distinction ever since his first term.

He earned respect from his peers during his very first term and he was awarded "Freshman Legislator of the Year". During his career in the Senate, Senator Kenley worked tirelessly on the Tax and Fiscal Policy committee to make Indiana a fiscally responsible and affordable state. He is responsible for pushing through the largest tax cut in Indiana's history, while simultaneously leading the charge on welfare reform. His budgetary talents led him to the chairmanship of the Senate Appropriations Committee, and in turn led him to be-

come one of the key architects of the Indiana state budget. This year Indiana will once again have a balanced budget, including provisions for a long term road maintenance plan and no tax increases. During his eight-year tenure as chairman, Indiana has seen its reserves grow to two billion dollars, while also eliminating excess taxes. Senator Kenley, in addition to his work on the budget, sat on the Education and Career Development Committee. He consistently pushed for continued K-12 funding as well as school choice. During his tenure, Senator Kenley helped to craft the Community Transition Program, which seeks to create a better transition back to society for offenders following their release from prison. Continuing with his care for all life, Senator Kenley's determination in protecting the unborn has led Indiana to be one of the most pro-life states in the nation. Senator Kenley was recognized for his numerous contributions in both 2013 with a Sagamore of the Wabash as well as in 2014 through the Distinguished Public Official Award from Ivy Tech Community College, well-deserved recognitions indeed.

During his vibrant career, Luke also served as the Board President for the Noblesville Boys and Girls Club while also maintaining active memberships in the Noblesville Chamber of Commerce, the United Way of Central Indiana, Elks Lodge No. 576, the American Legion, the Hamilton County 50 club, and the First United Methodist Church of Noblesville. In 2004, he acted as the coordinator for Hamilton County Veteran's Organization Vietnam Wall Recreation Activities. Senator Kenley and his wife Sally's crowning achievement have been helping establish the Noblesville Education Foundation, which provides access to financial and material resources for Noblesville teachers. In addition to the Foundation, they created the "Strings" music program for Noblesville schools. He also holds annual leadership conferences at the State House for high school senior class presidents from his district about the importance of public service. Senator Kenley says "It's important for our young people to think about public service as part of what they're going to contribute . . . It's part of the commitment to the success of our society." He says for democracy to work, "Everybody's got to pitch in".

Senator Kenley's lifetime of service to his community, through his military service, as Noblesville City Court judge, as state Senator, and as the architect of our state budget and our state's fiscal stability, he has been invaluable not only to his district but to our whole state and nation. Thanks to his dedication to fiscal responsibility, to K-12 education, and numerous other projects throughout his career, Indiana is a great place to live and do business. On behalf of all Hoosiers, I wish to extend a heartfelt thank you to Senator Kenley for his lifetime of service. I wish the very best to Senator Kenley, his wife Sally, their three children John, Bill, and Etsy as well as the rest of the Kenley family in his well-deserved retirement at home and on the ranch.
