TRIBUTE TO SENATOR LUKE
KENLEY FOR HIS SERVICE TO
INDIANA

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor the retirement of Senator Luke Kenley from the Indiana State Senate after 25 years. For decades Senator Kenley has served not only his constituents in Indiana's 20th Senate district, but has served our state and our nation. The people of Indiana's Fifth Congressional District are forever grateful for Senator Kenley's commitment to making our Hoosier home and our country a better, safer, place to live.

The oldest of eight children, Howard "Luke" Kenley is a life-long Hoosier and was raised in Hamilton County. He and his siblings split time between Noblesville during the school year and working summers at his grandparents' west Texas cattle ranch in Ft. Stockton. Senator Kenley graduated from Noblesville High School as their senior class president in 1963, where he met his high school sweetheart and future wife, Sally. Senator Kenley then attended Miami University in Oxford, Ohio, his alma mater. He graduated in the class of 1967 earning his bachelor's degree in economics. Following graduation from Miami, he went on to Harvard to pursue his law degree. Senator Kenley left law school in 1969 during the fourth year of the Vietnam war to enroll in officer candidate school (OCS) where he graduated first in his class with the rank of Lieutenant. After completing OCS, Senator Kenley returned to Harvard to finish his law degree in 1972. Senator Kenley then returned to Noblesville to start his career and begin a family with his wife, Sally.

Senator Kenley practiced business law in Indianapolis for two years, after which he left to run the family business, founded in 1940 by his grandfather R.A. Kenley. Under his leadership Kenley Supermarkets, in Noblesville, grew tremendously from 20 employees and \$2 million in yearly sales to two stores and 175 employees with \$16 million in yearly sales. Senator Kenley managed operations from 1974 to 1998, at which time Marsh Supermarkets purchased the business. In addition to his time at the helm of Kenley Supermarkets, Senator Kenley served as the Noblesville City Court judge at the urging of Hamilton County Republican leaders. In 1990, after 15 years and 40,000 cases, Senator Kenley retired from the bench. It was not long before he was again asked to serve. In 1992, Senator Kenley was tapped to fill the vacancy in state Senate campaign in his home district. Senator Kenley won the seat and has served with distinction ever since his first term.

He earned respect from his peers during his very first term and he was awarded "Freshman Legislator of the Year". During his career in the Senate, Senator Kenley worked tirelessly on the Tax and Fiscal Policy committee to make Indiana a fiscally responsible and affordable state. He is responsible for pushing through the largest tax cut in Indiana's history, while simultaneously leading the charge on welfare reform. His budgetary talents led him to the chairmanship of the Senate Appropriations Committee, and in turn led him to be-

come one of the key architects of the Indiana state budget. This year Indiana will once again have a balanced budget, including provisions for a long term road maintenance plan and no tax increases. During his eight-year tenure as chairman, Indiana has seen its reserves grow to two billion dollars, while also eliminating excess taxes. Senator Kenley, in addition to his work on the budget, sat on the Education and Career Development Committee. He consistently pushed for continued K-12 funding as well as school choice. During his tenure, Senator Kenley helped to craft the Community Transition Program, which seeks to create a better transition back to society for offenders following their release from prison. Continuing with his care for all life, Senator Kenley's determination in protecting the unborn has led Indiana to be one of the most pro-life states in the nation. Senator Kenley was recognized for his numerous contributions in both 2013 with a Sagamore of the Wabash as well as in 2014 through the Distinguished Public Official Award from Ivy Tech Community College, well-deserved recognitions indeed.

During his vibrant career, Luke also served as the Board President for the Noblesville Boys and Girls Club while also maintaining active memberships in the Noblesville Chamber of Commerce, the United Way of Central Indiana, Elks Lodge No. 576, the American Legion, the Hamilton County 50 club, and the First United Methodist Church of Noblesville. In 2004, he acted as the coordinator for Hamilton County Veteran's Organization Vietnam Wall Recreation Activities. Senator Kenley and his wife Sally's crowning achievement have been helping establish the Noblesville Education Foundation, which provides access to financial and material resources for Noblesville teachers. In addition to the Foundation, they created the "Strings" music program for Noblesville schools. He also holds annual leadership conferences at the State House for high school senior class presidents from his district about the importance of public service. Senator Kenley says "It's important for our young people to think about public service as part of what they're going to contribute . . . It's part of the commitment to the success of our society." He says for democracy to work, "Everybody's got to pitch in".

Senator Kenley's lifetime of service to his community, through his military service, as Noblesville City Court judge, as state Senator, and as the architect of our state budget and our state's fiscal stability, he has been invaluable not only to his district but to our whole state and nation. Thanks to his dedication to fiscal responsibility, to K-12 education, and numerous other projects throughout his career, Indiana is a great place to live and do business. On behalf of all Hoosiers, I wish to extend a heartfelt thank you to Senator Kenley for his lifetime of service. I wish the very best to Senator Kenley, his wife Sally, their three children John, Bill, and Etsy as well as the rest of the Kenley family in his well-deserved retirement at home and on the ranch.

H.R. 3354, STATE ASSESSMENT
GRANTS AMENDMENT

HON. SUZANNE BONAMICI
OF OREGON

IN THE HOUSE OF REPRESENTATIVES
Thursday, September 28, 2017

Ms. BONAMICI. Mr. Speaker, I rise today to offer my bipartisan amendment to H.R. 3354 to increase funding for State Assessment Grants.

I want to thank my colleague and friend, Representative COSTELLO for his continued leadership on this issue, and for his commitment to a successful implementation of the Every Student Succeeds Act (ESSA).

In the last Congress, we passed the Every Student Succeeds Act, a bipartisan bill, to leave behind No Child Left Behind. After 14 years, Democrats and Republicans in both Chambers came together on a compromise legislation to update federal K–12 education policy and reauthorize the Elementary and Secondary Education Act.

ESSA ensures equity protections for America’s students. It supports our most vulnerable

and underserved students and works to close the achievement gap. ESSA gives states and school districts flexibility to develop their own plans for holding schools accountable, measuring student success, and encouraging improvements. It also recognizes the important role of assessments in education. Assessments serve as a tool to monitor student progress and gauge how students are performing across each state. Assessments also inform teacher instruction by providing valuable information to support student learning. ESSA includes provisions from the SMART Act, a bipartisan bill I authored with Representative COSTELLO to help make assessments more effective.

Our amendment would provide full funding for ESSA’s State Assessment Grants. State Assessment Grants provide critical resources to help states and school districts build high-quality assessment systems that support teachers and students. By fully funding State Assessment Grants, states and school districts can audit their assessment systems and reduce excessive, repetitive testing. This funding can also help states—like my home state of Oregon—develop new assessments to strengthen student learning. Oregon is preparing to pilot a K–3 formative assessment to improve student outcomes.

The good work being done in Oregon is an example of what is possible if states have the resources and flexibility they need to focus on student success. I thank my colleague Representative COSTELLO for his partnership, and I urge my colleagues to support this amendment.

IN CELEBRATION OF NATIONAL
BAKERY DAY

HON. BETTY MCCOLLUM
OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES
Thursday, September 28, 2017

Ms. MCCOLLUM. Mr. Speaker, I rise today, on September 28, to celebrate the first ever National Bakery Day and to honor our independent bakeries.

Local and family-owned bakeries put bread on our tables and a touch of sweetness in our lives, all while reflecting the uniqueness of our neighborhoods. They’re small businesses that invest in Main Street and provide good jobs and give back to our communities in many ways.

Grandma’s Bakery, in White Bear Lake, Minnesota and others like it around the country succeed along with their communities. Located in historic downtown White Bear Lake, Grandma’s owners John and Deb Lupo employ 100 hundred staffmembers making delicious breads, delectable pastries and other goodies. By investing in the bakery and the community, John and Deb have grown Grandma’s Bakery into a beloved institution and a destination in White Bear Lake.

All across Saint Paul and the East Metropolitan area, independent bakeries are part of the lifeblood of their neighborhoods—like Dorothy Ann Bakery in Woodbury, the excellent Saint Paul bakeries A Piece of Cake, Wuollet’s, PJ Murphy, Trung Nam, Morelos, Mojo Monkey Donuts, Pancho Villa, and so many others. Bakeries are special places that deliver wholesome goodness and a place for neighbors to gather.

National Bakery Day is a way to celebrate not only the important role that bakeries play in our lives, but also the creativity and talent required of bakers to make the tasty baked goods that are so hard for us to turn down. Bakeries help us preserve and enjoy the individual character of the community and the traditions passed down from generation to generation.

Bakeries are with us not only during meals, but also during important and joyous moments in our lives such as weddings, birthdays and graduations. In recognition of National Bakery Day, I thank independent, local bakers around the country for the important place that they hold in our communities.
