

As a member of the U.S. House of Representatives, I take this opportunity to commend and congratulate the Cardoza Family on the occasion of their 100th Anniversary and Family Reunion which was held at the Bird Ranch in Gustine, California on Saturday, September 9, 2017.

There is nothing quite like a family reunion. Family from far and wide gather and share in the joy of fellowship, love and precious memories that reunions generate. Therefore, I commend and congratulate them and pray that they had a wonderful weekend.

The Cardoza family story begins in the early 20th century. In approximately 1915–1916, Manuel S. Cardoza, an orphan, emigrated from the island of Terceira, Azores, Portugal. He was sponsored by his uncle, Joe S. Cardoza, and arrived to the San Joaquin Valley to work on his dairy farm. Manuel worked for room, board and a cow as his compensation. Their implied agreement was that as soon as Manuel had a string (15) of dairy cows he would go out on his own as a dairy farmer. He quickly accomplished his goal.

At approximately the same time, Manuel Coelho emigrated from the island of Terceira, Azores, Portugal. His name has never appeared on any ship roster, but it is rumored that he was a stowaway destined for Stratford, California in the San Joaquin Valley. By 1916, Manuel had earned enough money to send for his family. Shortly thereafter, his wife, Rose, her daughters Lucy, Lucille, Olympia, and Margaret, and sons, John and Manuel, boarded the Cornucopia and sailed for the United States.

Shortly after, Manuel S. Cardoza met Lucy Coelho, they married and started a dairy farm in partnership with another Azorean immigrant. The two were blessed with three sons and 5 daughters, whose descendants are here today. Through hard work, tenacity and faith, they survived World Wars and the Great Depression. They always managed to have enough to eat, clothes on their backs, and a roof over their heads.

The first generation consisted of dairymen; a butcher; an HVAC specialist; and a grocer. The occupations of the second generation consist of a wine specialist; a graphic artist; a doctor; a nurse; a teacher; an accountant; HVAC specialists; a real estate appraiser; a real estate broker; a politician; a cattleman; an office manager; CEO and a medical supplies specialist. The third generation includes marketing professionals; lawyers; accountants; teachers; financial advisors; construction managers; a pharmacist; tech professionals; an environmental consultant; and a software engineer. What the next generation will achieve only time will tell.

Mr. Speaker it with great pleasure that I congratulate the Cardoza family on the occasion of their 100th anniversary and family reunion. The Cardoza family truly embodies the American dream. They are one of hundreds of thousands of Portuguese that came and settled in California to seek the opportunities that our state has given to immigrants past and immigrants present. I ask that you join me in wishing them continued success and prosperity.

DAVID DREIER RECEIVES ORDER
OF THE AZTEC EAGLE AWARD

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 12, 2017

Mr. PRICE of North Carolina. Mr. Speaker, I rise today to honor a friend, former colleague, and leader in promoting international cooperation and understanding, who was recently recognized by a key U.S. ally for his outstanding work. Last month, David Dreier received the Order of the Aztec Eagle, the highest honor bestowed to a foreign national by the Government of Mexico.

Those of us who served with Representative Dreier know him as the former chairman of the House Rules Committee, as a faithful representative of his Southern California district for more than three decades, and as a forceful champion of democracy, free trade, and the rule of law. An avowed “Reagan Republican,” Dreier was instrumental in crafting many of our nation’s trade policies, including the North American Free Trade Agreement.

What some may not realize is that Representative Dreier was also a leader in cultivating closer ties and cooperation between the United States Congress and its partner legislatures around the world. Through our work on the House Democracy Partnership (HDP)—which he served as the founding chairman and I as chairman during the years of Democratic leadership—we had the opportunity to work together to advance the cause of parliamentary democracy, traveling widely and memorably to parliaments from Peru to Pakistan and hosting dozens of delegations of visiting legislators and staff in Washington. During these engagements, Representative Dreier was a consummate diplomat and a skilled mentor, navigating sometimes-difficult bilateral issues but also the practical questions of how parliamentary institutions could be more effective. Our work together epitomized the maxim that partisanship should end at the water’s edge—a spirit that persists today under the leadership of current HDP chairman PETER ROSKAM.

While our work with HDP focused on less developed democracies, Representative Dreier always had a special interest in—and fondness for—the parliamentary democracy on our southern border, Mexico. He was an active member of the U.S.-Mexico Binational Commission, a leader of the U.S.-Mexico Inter-parliamentary Group, a co-chair of the U.S.-Mexico Congressional Caucus, and a frequent participant in congressional delegations to Mexico. During our work with HDP, he often invoked Mexico as an example of democratic development and spoke fondly of his work as an election observer in the country.

It is fitting that Representative Dreier has been acknowledged for this work by receiving the Order of the Aztec Eagle, joining leaders such as President Eisenhower, Nelson Mandela, and Queen Elizabeth II as well as cultural icons such as Walt Disney, Plácido Domingo, and Bono. I know I speak for many in extending him my warmest congratulation, and in wishing him well in his continued post-congressional service.

SCIENCE COMMITTEE COS
JENNIFER Y. BROWN TO RETIRE

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 12, 2017

Mr. SMITH of Texas. Mr. Speaker, tomorrow is Jennifer Young Brown’s last day as Chief of Staff of the Science, Space, and Technology Committee. For more than 28 years she has helped me represent the residents of the 21st District of Texas and, more recently, helped the Science Committee enact numerous policies that benefit the American people.

Jennifer started working in my personal office after she graduated from the University of Colorado. She has held five different positions, including Chief of Staff. For several years, she served as COS both in the personal office and on the Science Committee, a rare double COS, before becoming the full-time Science Committee Chief of Staff in 2016. Her talents and skills are many. She has mastered the difficult art of multi-tasking—no one does it better.

Jennifer is simply a remarkable woman. She manages to balance well the demands of husband, children, school activities, Science Committee work, and friends, almost 200 of whom attended a reception for her yesterday.

If Jennifer is going to leave us, at least it is for a worthy cause—Texas Tech University. Over the years Texas Tech has supplied our office with impressive interns and graduates and even made me an honorary alumnus.

Jobs may end but friendships continue. Jennifer and her family—husband Barry, son Leighton, and daughter Gipson—will always be special friends and I know I will continue to see them often.

So Jennifer, I thank you for all you have done for me. Her family is fortunate to have her as a role model. And I am fortunate to have had her influence on my life for over 28 years.

As I’ve learned to say, “Go Raiders.”

HONORING DIANE GLASSER (1928–
2017)

HON. DEBBIE WASSERMAN SCHULTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 12, 2017

Ms. WASSERMAN SCHULTZ. Mr. Speaker, I rise today to honor the memory of Vice Mayor Diane Glasser of Tamarac, Florida, who passed away Tuesday, October 10, 2017 at the age of 89.

Diane was a woman who wore many hats in her time. She served as a Commissioner and Vice Mayor on the Tamarac City Commission, as Broward County’s State Committeewoman to the Florida Democratic Party, and as a delegate to six consecutive Democratic National Conventions.

In an era when western Broward County was synonymous with massive developments of senior condos, Diane became a nationally-known political powerhouse through her ability to bring the ward-style organization from her native Brooklyn to the 5,000-unit 55-plus community known as Kings Point in Tamarac.

If you were a candidate or elected representative planning to set foot in Kings Point,

you did so only with Diane's blessing. She was an indomitable civic force in our community and built a get-out-the-vote operation in the condos that brought thousands of seniors to the polls for each and every election.

If Diane stumbled on a wrong, she was determined to make it right. She was a passionate advocate for the underserved, a defender of civil rights and someone who helped make Broward County a kinder, more compassionate community. She was a problem-solver and a leader, and brought people along where she saw a chance to make a positive impact on the lives of others.

Her passing brings with it the end of an era in South Florida politics. Diane is survived by her two sons, Craig and Lloyd Glasser, and one granddaughter, Dara.

CONGRATULATING MAJOR GENERAL MIYAKO SCHANELY ON HER PROMOTION TO COMMANDING GENERAL OF THE 416TH THEATER ENGINEER COMMAND

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 12, 2017

Ms. STEFANIK. Mr. Speaker, I rise today to congratulate Major General Miyako Schanely on her assignment as the Commanding General of the 416th Theater Engineer Command.

MG Schanely will lead the 416th Theater Engineer Command in conducting theater-level engineer operations supporting a joint force, and execute unified land operations while providing a training and ready combat-capable force to support mission requirements.

MG Schanely has had a long history of serving her country. MG Schanely is a graduate of the Army War College and holds several civilian master degrees. Previously assigned as the Commander of the 102nd Training Division, MG Schanely

On behalf of the 21st District of New York, I would like to congratulate MG Schanely on her well-deserved promotion, and wish her luck in her new role. I want to thank MG Schanely for her service to our country and for the sacrifices she will make in the years to come.

RECOGNIZING THOSE AFFECTED
BY INFLAMMATORY BREAST
CANCER

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 12, 2017

Mr. ISSA. Mr. Speaker, I rise today to bring attention to Breast Cancer including one of the rarest, but most lethal forms, Inflammatory Breast Cancer, or IBC.

One in eight women in the United States are diagnosed with Breast Cancer every year, and too many women die because of late diagnosis. Any opportunity to raise awareness is an opportunity to save lives.

October is Breast Cancer Awareness Month. Although IBC is not the most common form of breast cancer, it is one of the most aggressive. It is critical that we recognize the severity of IBC and the importance of education and prevention efforts.

IBC is not commonly known as it accounts for only 1 to 5 percent of all breast cancer cases. However, it is one of the most aggressive and deadliest forms of the disease. This form of cancer does not display the early symptoms ordinarily looked for by medical professionals. Since it is one of the rarest forms of Breast Cancer, many nursing and medical programs do not train students on IBC screening, leading to misdiagnosis and increased fatalities. The patients who start to show symptoms of this disease tend to be correctly diagnosed at stage 3, leaving little to no time to seek treatment.

The courage of women battling Breast Cancer and IBC should not go unnoticed and they deserve our continued support for continued research efforts to seek for prevention and treatment for this deadly disease.
