(2) the people of Las Vegas, the State of Nevada, and the United States expressed overwhelming financial, physical, and emotional support for the victims and the families of the victims;

Whereas local organizations, businesses, and caregivers came together with Federal, State, and local government agencies to support the victims and help the community heal; and

Whereas Nevada has a vibrant and renowned tourism economy that will continue to thrive, attracting and welcoming millions of visitors from across the United States and internationally, and emergency management officials will diligently dedicate local and Federal resources to boost public safety and security in Las Vegas, Nevada: Now, therefore, be it
