TRIBUTE TO PAT GREGG

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Pat Gregg of Council Bluffs, Iowa who recently retired from the Council Bluffs Fire Department after 25 years of service to his community. Pat joined the Council Bluffs Fire Department on August 31, 1992.

Council Bluffs Fire Chief Justin James said, "Pat was one of the first firefighters I promoted to Captain when I became Chief, because his patient care always went the extra mile." Pat served as a paramedic and firefighter during his career. Pat said he has seen many changes in the Fire Department through the years but one thing that did not change was that the men and women of the Fire Department are still dedicated to the community.

Mr. Speaker, Pat has made a difference by helping and serving others and it is with great pride that I recognize him today. I ask that my colleagues in the United States House of Representatives join me in congratulating him for this momentous occasion and in wishing him nothing but the best in his retirement.

IN RECOGNITION OF BOB WILLIAMS AND RANCH HANDS RESCUE

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 6, 2017

Mr. BURGESS. Mr. Speaker, I rise today to recognize Bob Williams and the non-profit animal rescue and counseling center he founded as Ranch Hands Rescue in Argyle, Texas.

Founded in 2008, Ranch Hands Rescue came to life as an outcome of a year-long recovery from a debilitating stroke Bob had suffered. With his background as a Motorola executive and a challenging recovery process, Bob was inspired with the recognition of the need for rescuing animals that would otherwise be euthanized. Rescuing the worst-of-the-worst farm animal abuse and neglect cases, Ranch Hands Rescue was initially envisioned as a place that would provide a loving, caring and safe sanctuary to the animals that cannot be adopted due to special care needs.

Through his own experience with the rescued animals, Bob realized the therapeutic impact they could also have on mental health. In 2010 he started the Ranch Hands Rescue Equine and Animal Assisted Counseling (EEAC) program. Through the work of animal partners and Licensed Professional Counselors, Ranch Hands Rescue provides hope and healing for children, women, veterans and others suffering from painful mental health symptoms brought on by sexual assault, physical abuse, domestic violence, and other traumatic life experiences. In relating with the trauma experienced by the rescued animals at Ranch Hands Rescue, clients of the non-profit from across the entire Dallas/Ft Worth metroplex benefit from the unique trauma-informed animal assisted psychotherapy provided by highly-trained Licensed Professional Counselors.

Thanks to the commitment and ongoing passion for rescuing abused and neglected farm animals that would otherwise be considered "throw aways," Ranch Hands Rescue is "animals helping people and people helping animals" to provide a special sanctuary for healing in the heart of Texas 26th Congressional District.
