Mr. DIAZ-BALART changed his vote from “nay” to “yea.”

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. HURD. Mr. Speaker, I was unable to vote on the bill this morning due to travel to Sutherland Springs, Texas, to meet with the victims, their families, and the first responders of the attack that took place on November 5th, 2017. Had I been present, I would have voted “yea” on rollcall No. 622.

Stated against:

Mr. WALZ. Mr. Speaker, I was absent for rollcall No. 622 (on the passage of H.R. 2201). Had I been present, I would have voted “no” on this vote.

PERSONAL EXPLANATION

Ms. CLARK of Massachusetts. Mr. Speaker, due to a prior family obligation, I was unable to vote on the following four rollcall votes. I would like the record to reflect how I would have voted.

Rollcall No. 619—“Yes.”

Rollcall No. 620—“No.”

Rollcall No. 621—“Yes.”

Rollcall No. 622—“No.”

CONFERENCE REPORT ON H.R. 2810, NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2018

Mr. THORNBERRY submitted the following conference report and statement on the bill (H.R. 2810) to authorize appropriations for fiscal year 2018 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes:

(For conference report and statement, see proceedings of the House of November 9, 2017, published in Book II.)

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to the gentleman from California (Mr. MCCARTHY) for the purpose of the majority leader telling us the schedule for the week to come.

(Mr. MCCARTHY asked and was given permission to revise and extend his remarks.)

Mr. MCCARTHY. Mr. Speaker, I thank the gentleman for yielding.

Mr. Speaker, on Monday, the House will meet at noon for morning hour and 2 p.m. for legislative business. Votes will be postponed until 6:30 p.m. On Tuesday and Wednesday the House will meet at 10 a.m. for morning hour and noon for legislative business. On Thursday, the House will meet at 9 a.m. for legislative business.

Mr. Speaker, the House will consider a number of suspensions next week, a complete list of which will be announced by close of business tomorrow.

In addition, the House will consider the conference report to accompany H.R. 2810, the Fiscal Year 2018 National Defense Authorization Act. This bipartisan agreement will strengthen our military, give our men and women in uniform a 2.4 percent pay raise, and en-

sure America’s fighting forces have the resources they need to secure peace both at home and abroad.

I want to thank Chairman THORNBERRY and the entire House Committee on Armed Services for their hard work on this important bill.

Mr. Speaker, the House should also look forward to voting on the most significant tax reform in over three decades, H.R. 1, the Tax Cuts and Jobs Act, sponsored by Representative KEVIN BRADY.

America is among the highest taxed nations in the developed world. Americans pay more in taxes than we spend on housing, clothing, and food, combined.

Our current Tax Code is almost 2,600 pages long, with an additional 70,000 pages of forms and other regulations. That is just unacceptable.

We want to see economic growth in this country. Instead of “closed for business” signs, we want to see “now hiring” signs.

We want to double the standard deduction.

What does that mean?

It means, for every American, the first \$12,000 of income for an individual is tax free; for a couple, that is \$24,000 tax free.

We want to simplify the Tax Code so you can file it in minutes—instead of spending weeks—on a form the size of a postcard.

We want to bring back the trillions of dollars of American wealth that is forced to sit overseas, have it come back to America and invest in Americans.

That is what voting for the Tax Cuts and Jobs Act will accomplish. That is why I look forward to the House passing this critical bill without delay.

Lastly, Mr. Speaker, additional legislative items are possible in the House. If anything is added to our schedule, I will be sure to inform all Members.

Mr. Speaker, I thank my friend for yielding.

Mr. HOYER. Mr. Speaker, I thank the gentleman for that information.

I am going to have some specific questions about the tax bill, but before I do that, it is our understanding that substantial changes are being made in the tax bill that was put on the floor last Thursday, a week ago.

Does the gentleman know whether that is accurate or not?

I yield to the gentleman from California.

Mr. MCCARTHY. Mr. Speaker, I thank the gentleman for yielding.

I would not use that term, “substantial,” because, as you know, we have gone through this process for quite some time. We are all writing to the same number: \$1.5 trillion. But, as you know, any bill, when it moves through regular order, where it gets introduced in committee and we have a markup, just as Ways and Means has done all week long—they will come to the final vote today—whatever amendments pass will be added.
