#### 2017 NATIONAL BLUE RIBBON SCHOOL AWARD

(Mr. KELLY of Pennsylvania asked and was given permission to address the House for 1 minute.)

Mr. KELLY of Pennsylvania. Mr. Speaker, I rise today in recognition of Greenville Junior/Senior High School in Greenville, Pennsylvania, and Laurel Junior/Senior High School in New Castle, Pennsylvania, which were recently honored by the Department of Education as 2017 National Blue Ribbon Schools.

This award, given to only 342 schools in America this year, is based on a school's overall academic performance as well as its progress in closing achievement gaps among its students.

In her message of congratulations, Secretary DeVos commended the visionaries, innovators, and leaders who are preparing every child for a bright future. I am proud to join her in congratulating the teachers and administrators of Greenville and Laurel, as well as the families of these students, for the love and support they provide.

Most of all, I want to congratulate the students themselves for a job well done. They are truly a credit to Pennsylvania's Third District and to our country. It is an honor to represent them in the people's House.

# EXPRESSING GRATITUDE TO THE MEN AND WOMEN IN FEDERAL LAW ENFORCEMENT

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, I serve on the House Judiciary Committee and serve as the ranking member on the Crime, Terrorism, Homeland Security, and Investigations Subcommittee, which means that I deal with every single Federal law enforcement entity across the Nation.

I am disappointed and I am outraged by the language from the Commander in Chief to suggest that the FBI is in tatters. We have agreements and disagreements with the chief law enforcement agency, but these men and women protecting us in this Nation, but also against domestic terrorism and even beyond, are called around the Nation to investigate heinous crimes. Their expertise is respected.

I remember when there was a child molester in my community. I worked with local police, but I insisted that the FBI get involved. They were willing to do so even though it was not a matter across State lines. Their very presence made a difference.

I think we owe them a better response, and I certainly think the Commander in Chief has a responsibility to do a better job.

I also believe that we have got to pass CHIP because thousands of children need healthcare. It is important for us to do our job.

#### REPUBLICAN TAX BILL

(Mr. ENGEL asked and was given permission to address the House for 1 minute.)

Mr. ENGEL. Mr. Speaker, at least Robin Hood stole from the rich and gave to the poor, but my Republican colleagues, with this Republican tax bill, are stealing from the poor and the middle class and giving to the rich. It is absolutely disgraceful. The tax bill boosts the rich and burdens the middle class.

I can say I have been here a long time, and this is one of the worst bills I have ever seen in all my years in Congress.

What happened to the Republican Party talking about fiscal responsibility? This blows a \$1 trillion hole in the Federal deficit and puts the burden on our children and grandchildren.

So let's not look at this tax scam. People should be getting together on both sides of the aisle. Tear up this one-sided bill, and let's put our heads together and come up with something good.

It was done during the Ronald Reagan years in a bipartisan way. Why can it not be done that way now?

My particular State of New York, my home State of New York, gets really attacked by this. High cost-of-living States get really attacked.

It is not right to play political games. You take a look at this, and you notice that blue States get attacked with this terrible bill.

Tear it up. Let's work together and come up with something good.
