RESOLUTIONS

IN RESPONSE TO THE JANUARY 27, 2017
PRESIDENTIAL EXECUTIVE ORDER

Whereas, Immigrants founded this Commonwealth nearly 4 centuries ago, and

Whereas, This nation and this Commonwealth are proud of our strong tradition of welcoming immigrants and refugees to our shores, and

Whereas, Our nation and this Commonwealth have stood as a beacon of hope for refugees fleeing war, violence and persecution, and

Whereas, Immigrants play an essential part in strengthening the communities and enriching the society of this nation and this Commonwealth; and

Whereas, Important sectors of the Commonwealth's economy, including higher education, health care and innovation, depend heavily on immigrants' contributions, and

Whereas, The executive order prohibits many foreign students, workers and other visa holders from 7 targeted majority-muslim nations, including many who have already been vetted and documented, from entering the United States for at least 90 days, suspends the U.S. Refugee Admissions Program for 120 days and resumes the U.S. Refugee Admissions Program after 120 days only for nationals of countries as determined jointly by the Secretary of State, the Secretary of Homeland Security and the Director of National Intelligence; and

Whereas, The First Amendment of the Constitution protects the freedom of religion and this Executive order prioritizes the admission of refugees based on specific religions, and

Whereas, Much of the Executive order is inconsistent with the Nation's and the Commonwealth's strong tradition of welcoming immigrants and refugees to our shores, while not conclusively contributing to the important goal of keeping our residents safe and secure from terrorism, and

Whereas, The Executive order presents serious constitutional and other legal issues of due process, equal protection and discrimination on the basis of religion and national origin, Now therefore be it

Resolved, That the Massachusetts Senate:

(1) Reaffirms the Commonwealth's strong tradition of welcoming immigrants and refugees and rejecting discrimination based on race, ethnicity, gender or religion;

(2) Calls on President Trump to reconsider and rescind those portions of the Executive order that interfere with the rights of already documented students, workers, permanent residents and other visitors;

(3) Supports the legal actions of our attorney general and other plaintiffs to contest the legality of the Executive order in court, and be it further

Resolved, That copies of these resolutions shall be transmitted forthwith by the clerk of the Senate to the President of the United States and those Members of Congress from the Commonwealth.
