**SUPPORTING CYBERSECURITY AND INFRASTRUCTURE SECURITY**

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, earlier this evening, the House passed H.R. 3359, the Cybersecurity and Infrastructure Security Agency Act, and I would like to commend Homeland Security Committee Chairman MCCAUL and Ranking Member THOMPSON for their efforts getting it through the House, along with my colleagues on the Homeland Security Committee.

This bipartisan bill makes long overdue changes to the organization of the National Protection and Programs Directorate, or NPPD, to reflect its growing operational role in cybersecurity. Despite it being notionally a headquarters component, NPPD is home to the government's premier cyber incident response teams; the 24/7 watch floor and information sharing hub; and the Federal Network Resilience Division, tasked with supporting other agencies in defending their networks. NPPD is also charged with leading asset response activities under the National Cyber Incident Response Plan.

H.R. 3359 recognizes that these activities go far beyond NPPD's original mission and raises the renamed component to an agency on par with Customs and Border Protection or the TSA.

Mr. Speaker, I hope the bill makes crystal clear that DHS is the primary agency for domestic cybersecurity in peacetime, and I encourage young people looking at cybersecurity careers to consider joining the vanguard at this new agency. I look forward to its swift passage and consideration in the Senate.

**SEX AND LABOR TRAFFICKING IN LIBYA**

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, the auctioneer shouted: "Does anybody want to buy a worker? Here is a worker, a big strong man. He will dig.

"What is the bid? What is the bid?"

"Sold to the highest bid of \$400."

Mr. Speaker, West Africans go to Libya thinking that they will get a job in Europe but, instead, are sold in Libya to labor and sex traffickers. These Africans simply seek a new life, free from terrorism, persecution, and famine; however, they become victims of modern-day slavery.

In the years following the United States' overthrow of the Libyan Government, the nation became a failed state. Sinking further into despair, the failed state became a brothel of slavery: human sex and labor trafficking. People are bound to the slave block

and sold at the marketplace of sex slavery and labor trafficking.

Mr. Speaker, slavery is a crime against humanity, and the United States must exercise caution when toppling regimes without understanding the long-term consequences like human slavery.

And that is just the way it is.

**CONGRATULATING MONTCLAIR HIGH SCHOOL FOOTBALL TEAM**

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to congratulate the Montclair High School Mounties football team for winning their State championship game against the Union City Soaring Eagles.

The Mounties' senior running back, Daniel Webb, returned the championship game's opening kickoff 92 yards for a touchdown only 13 seconds after the game began. The Mounties never lost their lead. They beat Union City 35-14 and won New Jersey's North 1, Group 5 State championship. This was Montclair's third perfect season and fourth State championship in the past 6 years.

The championship is a big win for everyone in Montclair, New Jersey. For weeks, local businesses and community groups came together to support the Mounties. At the championship game, on December 1, more than 1,500 fans turned out to cheer their team on.

I ask my colleagues to join me in congratulating head coach John Fiore and the Montclair Mounties football team for their big win in a stellar year.

**PREVENTING MATERNAL DEATHS**

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today to speak in support of the Preventing Maternal Deaths Act. This bill would strengthen States' abilities to combat pregnancy-related and pregnancy-associated deaths.

Unfortunately, the number of these deaths in the United States has increased, according to the CDC. We also have the highest maternal mortality rate of any developed country, and we are the only country where maternal deaths continue to rise.

That is why this bill is so important: It helps States establish and support maternal mortality review committees to examine the causes of these deaths and then identify solutions that fit their community. It addresses disparities in maternal health outcomes and offers these committees the tools to collect the data they need to address—and, hopefully, to eliminate—the causes of these unnecessary tragedies.

Minnesota's committee has already shown promise but would benefit from

**RECOGNIZING MIAMI JEWISH HEALTH SERVICES; EMPATHICARE VILLAGE**

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to recognize the Miami Jewish Health Systems as they break ground on their cutting-edge memory care facility to be called the S. Donald Sussman EmpathiCare Village. This facility will serve as an essential resource to many elderly individuals in south Florida who find themselves in need of mental health services. The Sussman EmpathiCare Village will also host researchers working on cutting-edge memory care treatment.

This new facility is just the latest accomplishment in the Miami Jewish Health Systems' long tradition of service in our community. For over 75 years, this wonderful organization and its staff have provided compassionate healthcare with dignity and respect and helped those most in need in south Florida to live longer, healthier, and more enriched lives.

Mr. Speaker, I am honored that such an amazing institution is located in south Florida, and it is a pleasure to recognize that the S. Donald Sussman EmpathiCare Village is now a reality.
