Joseph is a proud big brother and the son of Mr. and Mrs. Jose and Kim Tran-Malan. In his free time, Joseph likes to travel and see new things, but is content with spending quality time at home with his family. He also loves to dance and use his imagination by building with LEGOs or by creating new worlds in the video game Minecraft. I am very proud of Joseph.

Therefore, I ask the House of Representatives to join me in honoring achievement at a very young age by recognizing Joseph Tran-Malan for his participation in the Congressional App Challenge.

RECOGNIZING LAURA WEIS

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I rise today to recognize my friend Laura Weis, who was honored with the Distinguished Illinois Chamber of Commerce Executive Award last month.

As CEO of the Champaign County Chamber of Commerce, Laura is a tireless advocate for the citizens, businesses and organizations throughout a community with nationally-recognized educational institutions, technological and innovative start-ups, manufacturing companies, and agricultural industries.

Under Laura's leadership, the Chamber has increased its membership and influence throughout the region. The Chamber and its staff continually engage with elected officials at every level of government to ensure commonsense, business-friendly policies are in place for the community. Through the Chamber's efforts, delegations of community and business leaders from the county have become more engaged in public affairs through regular trips to Springfield and Washington, D.C.

Outside of political advocacy, the Chamber has adopted numerous policies that support the local community, including the creation of an energy coop that has saved local businesses thousands of dollars, the development of a procurement center to assist businesses with government contracts, the institution of local disaster recovery plans, and oversight of countless online tools to help area businesses.

Laura is a tremendous leader within my congressional district, and it is not hard to see her impact throughout Champaign County. I Congratulate Laura on this award, and I look forward to continuing to work with her throughout the future.

SUPPORT FOR H.R. 4391

HON. RO KHANNA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Mr. KHANNA. Mr. Speaker, as a cosponsor of H.R. 4391, the Promoting Human Rights by Ending Israeli Military Detention of Palestinian Children Act, I am concerned with the United Nations (UN) reports highlighting the detention and mistreatment of Palestinian children. We should stand up for human rights in all cases, even when abuses are committed by our most trusted allies.

Israel faces unique security threats and, unfortunately, some underage Palestinians do resort to violence as a means of change. This is unacceptable, and the Palestinian leadership needs to take more steps to prevent children from being manipulated into becoming terrorists.

The threat of child terrorism should not be an excuse, however, to torture those accused of such actions or deprive them of rights. Every minor should have a right to a lawyer, to due process, and to having their parents notified.

I am encouraged by a 2015 UNICEF report indicating that Israeli authorities are taking steps to address alleged abuses. Although evidence of the ill-treatment of Palestinian children detained still exists, I am hopeful that Israeli forces will ultimately fully comply with international human rights laws.

Through continued discussions with the Israeli government, Mr. Speaker, I am hopeful changes will continue to occur. Doing so is in the best interest of Israel's security and consistent with their values.

HONORING LIAM McLAUGHLIN

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, December 18, 2017

Mr. ENGEL. Mr. Speaker, I have had the pleasure of knowing many wonderful public servants over the course of my career, individuals who dedicated themselves fully to their communities and neighbors every single day. In Yonkers, there has not been a more dedicated and selfless public servant than my dear friend Liam McLaughlin, who this year is closing out his final term as Yonkers City Council President.

I have known Liam for many years. His parents, Bernadette and Pat, are close family friends, and both have a very strong sense of community Liam clearly adopted that spirit,

and thus began a lifetime of working to strengthen Yonkers.

Liam was raised in Yonkers and has lived there for more than 42 years. His wife, Debbie, is also from Yonkers. Now, the McLaughlin family lives only a few blocks from the house in which he grew up. Liam attended St. John the Baptist School, the same school that his son Ryan now goes to, and coaches his son on the same youth baseball fields that his father coached him on when he was a kid.

A small business owner, Liam is a practicing trusts and estates attorney at McLaughlin & Zerafa LLP. Previously, he worked for several small law firms in the New York area, including his own general practice law firm and the Corporation Counsel's Office in the City of Yonkers. Liam was also an adjunct professor at Manhattan College.

From 2000 to 2010, Liam served on the Yonkers City Council. He served in leadership roles including Majority Leader and Minority Leader. He also served on every major committee and was Chairman of the Budget & Finance Committee, as well as the Environmental Policy & Protection Committee. In 2013, he was elected as Council President by the voters of Yonkers, where he served with great distinction and honor.

Outside of his duties as an elected official, Liam has also coached youth basketball and soccer with Dunwoodie Youth Association, and currently serves as President of the Lincoln Park Taxpayers Association. Liam is also a member of the Holy Name Society of St. John the Baptist Church, the Kerry's P&B Association and the Ancient Order of Hibernians of Westchester County.

On December 18, 2017 the Yonkers community is coming together to celebrate Liam for all the remarkable work he has done and continues to do on behalf of his fellow Yonkers residents. He is most deserving of the recognition. I want to congratulate Liam on the occasion and offer my personal thanks for all of that tremendous work. He has certainly made Yonkers proud.
