Mr. POE of Texas changed his vote from "yea" to "nay."

So the Journal was approved.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. SCALISE. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "Yea" on rollcall No. 694, "Yea" on rollcall No. 695, and "Yea" on rollcall No. 696.

NATIONAL PARK FOUNDATION  
CELEBRATES 50 YEARS

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, 50 years ago, the National Park Foundation was

established by Congress and President Johnson.

The National Park Foundation is the official charity of America's national parks and the nonprofit partner to the National Park Service. For 50 years, they have raised funds, private funds, to help protect more than 84 million acres of national parks through critical conservation and preservation efforts.

The National Park Foundation has helped safeguard our heritage and engage that next generation of national park enthusiasts by connecting us to the parks right in our own backyard. Although they haven't been around as long as the National Park Service, they have played an important role in strengthening and enhancing our parks.

So, Mr. Speaker, I would just like to thank the National Park Foundation for its work to help protect and preserve the crown jewels of America, our national parks, monuments, and battlefields. Our country looks forward to another 50 years of your great work.

KEEPING OUR PROMISE

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESPAILLAT. Mr. Speaker, I looked at the calendar today and saw there was no Dream Act vote on the floor this week. As we approach tomorrow, a potential CR, Republican and Democrats must support this bipartisan Dream Act.

These are hardworking men and women, young people. They are doctors and artists, scientists and police officers, mentors and EMTs. These are Americans through and through.

We made a promise that we must keep. We need to protect the rights and principles that our country was founded on and thrives upon.

We demand a vote for a clean Dream Act today. We demand a vote for a clean Dream Act tomorrow.

MAKING HEALTH INSURANCE  
AFFORDABLE

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise today to share the story of one of my constituents who has been severely impacted by the rising costs under the Affordable Care Act.

Mr. Watts, from Chico, California, was recently notified by his insurer that his health coverage will shut down at the end of the year. In its place, he was offered another plan that "may meet his needs" and that he will be automatically enrolled. That is right. They just sign him up for one.

The problem is, this plan, which covers an adult and two teens, sees his monthly premium skyrocket to \$2,067 per month, an increase of \$31. That is

a huge increase, 67 percent, costing him upwards of \$9,900 per year in new costs, bringing his total costs for health insurance to nearly \$25,000 per year.

Unsurprisingly, Mr. Watts is no longer able to afford his insurance, and many in Northern California and across the country currently find themselves in the same position.

Sadly, my office staff and I have heard this story countless times. Many in my district were pretty happy with their insurance before ObamaCare, and now, under the individual mandate, they are forced to pay for insurance they can't afford.

But with the repeal of the individual mandate, as in H.R. 1, which passed today, individuals like Mr. Watts are not punished for failing to purchase unaffordable insurance. Instead, we will seek to allow affordable choices for Americans to choose themselves.

SHAME ON REPUBLICANS

(Mr. DEFAZIO asked and was given permission to address the House for 1 minute.)

Mr. DEFAZIO. Mr. Speaker, it is a dark day; \$3 trillion in revenue cuts, in tax breaks; three quarters of that goes to corporations under the premise that they will use that money to employ people. The last time they got this kind of a break, 93 percent of the money went to stock dividends, buybacks, and executive bonuses, and it will be no different this time—squandering America's wealth for the wealthiest among us.

Eighty-three percent of the remainder goes to people who earn over \$400,000 a year. They are going to trickle down on us, yet again.

At the same time, there is no infrastructure package. The Trump administration, the DOT says, we just don't know where we can find the money.

Well, imagine if they used a fraction of these tax giveaways for infrastructure—15,000 jobs per billion invested. We could have had \$1.5 billion with 3 percent of the money they just wasted on these tax cuts.

Shame on them.

BERKS COUNTY CAREER  
PATHWAYS ALLIANCE

(Mr. SMUCKER asked and was given permission to address the House for 1 minute.)

Mr. SMUCKER. Mr. Speaker, I rise today to recognize some wonderful work being done for our students in Berks County, Pennsylvania. The Berks County Career Pathways Alliance is an initiative to create a countywide framework to engage K-12 students in career awareness, work-based learning opportunities, and financial literacy.

Mr. Speaker, I have spoken in this Chamber before about our work to prepare students for our 21st century economy, but today I get to stand up
