DECLARING NATIONAL EMERGENCY WITH RESPECT TO UNUSUAL AND EXTRAORDINARY THREAT TO NATIONAL SECURITY, FOREIGN POLICY, AND ECONOMY OF THE UNITED STATES—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 115-83)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and the Committee on the Judiciary and ordered to be printed:

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act, as amended (50 U.S.C. 1701 *et seq.*) (IEEPA), I hereby report that I have issued the enclosed Executive Order (the “order”) declaring a national emergency with respect to the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States posed by serious human rights abuse and corruption around the world. In addition to taking action under IEEPA, the order implements the Global Magnitsky Human Rights Accountability Act (Public Law 114-328) (the “Act”) and delegates certain of its authorities.

The order blocks the property and interests in property of persons listed in the Annex to the order. It also blocks the property and interests in property of any foreign person determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General:

(1) to be responsible for or complicit in, or to have directly or indirectly engaged in, serious human rights abuse;

(2) to be a current or former government official, or a person acting for or on behalf of such an official, who is responsible for or complicit in, or has directly or indirectly engaged in:

(a) corruption, including the misappropriation of state assets, the expropriation of private assets for personal gain, corruption related to government contracts or the extraction of natural resources, or bribery; or

(b) the transfer or the facilitation of the transfer of the proceeds of corruption;

(3) to be or have been a leader or official of:

(a) an entity, including any government entity, that has engaged in, or whose members have engaged in, any of the activities described in (1), (2)(a), or (2)(b) above relating to the leader's or official's tenure; or

(b) an entity whose property and interests in property are blocked pursuant to the order as a result of activities related to the leader's or the official's tenure; or

(4) to have attempted to engage in any of the activities described in (1), (2)(a), or (2)(b) above.

The order also blocks any person determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General:

(5) to have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services to or in support of:

(a) any activity described in (1), (2)(a), or (2)

(b) above that is conducted by a foreign person;

(b) any person whose property and interests in property are blocked pursuant to the order; or

(c) any entity described in (3)(a) above where the activity is conducted by a foreign person;

(6) to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the order; or

(7) to have attempted to engage in any of the activities described in (5) or (6) above.

In addition, the order suspends entry into the United States of any alien listed in the Annex or determined to meet one or more of the criteria above.

I have delegated to the Secretary of the Treasury the authority, in consultation with the Secretary of State, to take such actions, including adopting rules and regulations, and to employ all powers granted to the President by IEEPA and the Act, as may be necessary to implement the order and relevant provisions of the Act. I have delegated to the Secretary of State the authority to take such actions, including adopting rules and regulations, and to employ all powers granted to the President by IEEPA and the Act, as may be necessary to implement the provisions of the order and the Act suspending entry into the United States of certain aliens. All executive departments and agencies are directed to take all appropriate measures within their authority to implement the order.

DONALD J. TRUMP.
THE WHITE HOUSE, December 20, 2017.

CHIP IS NOT A BARGAINING CHIP

(Mr. MEEHAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MEEHAN. Mr. Speaker, I rise today to call on my colleagues on both

sides of the aisle to work together to pass the long-term extension of the Children's Health Insurance Program.

178,000 Pennsylvania children rely on CHIP to get their healthcare, thousands of them in my own district. It is a bipartisan program, and for decades it has continued to earn bipartisan support.

The House did its job last month, passing a 5-year extension of the program, and I am grateful for Chairman WALDEN and his leadership and support for CHIP. But just a few minutes ago, the House passed an extension through March, and that is good, but it is not good enough.

Unless the House and Senate can reach a real agreement, Pennsylvanians and their children will again face the prospect of losing their care, and it isn't right to jeopardize kids in the name of partisan bickering.

We have done a lot on the agenda this week: tax reform for the middle class, keeping the government open, important tasks. But CHIP is important, too, and I say to my friends on both sides of the aisle: Don't let this become a bargaining chip. Get it done.

CALIFORNIA IS ABLAZE

(Mr. RUIZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUIZ. Mr. Speaker, right now, my home State of California is ablaze, and the communities of Idyllwild, Anza, and Mountain Center in my district are still bruised from the 2013 wildfires and are on high alert for the next fire.

Today, we passed my bill and delivered a win for our firefighters and victims of fires by increasing Federal funding to recover, rebuild, prevent future fires, and keep communities safe.

The 2013 Mountain Fire in my district burned over 27,000 acres, destroyed homes, and cost over \$25 million. I worked with Cal Fire, Idyllwild Fire Protection District, and Mountain Communities Fire Safe Council to author the bipartisan Wildfire Prevention Act, which will deliver tens of millions of dollars to recover, rebuild, prevent future fires, and keep our communities safe.

This bill puts people above partisanship and solutions above ideology to improve the lives of the people we serve. It makes government work for the people.

Thank you to these incredible local partners for working with me to deliver this pragmatic solution for the district and for the community.

TAX CUTS AND JOBS ACT

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, I am grateful that President

Donald Trump and congressional Republicans are delivering on the first meaningful tax cuts in a generation. These tax cuts are in the tradition of Ronald Reagan, allowing American families to keep more of their hard-earned paychecks and creating jobs.

Over 80 percent of hardworking American families will keep more of their own money. As early as February, American families will see more of their own money revealed in their paychecks.

Additionally, by lowering the corporate tax to 21 percent, American businesses will become more competitive overseas and jobs will be created, such as Nephron Pharmaceuticals, led by Lou and Bill Kennedy of Cayce.

I am grateful for the success of Speaker PAUL RYAN, Chairman KEVIN BRADY, and all House Republicans in delivering tax cuts for American families. In the words of the great President Ronald Reagan: "Whenever we lower our tax rates, our entire Nation is better off."

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

I want to thank Ambassador Nikki Haley for standing tall with President Donald Trump for recognizing Jerusalem as the capital of Israel.

God Bless Guatemala, courageously led by President Jimmy Morales, for being a friend of America today in the United Nations.

IMPORTANCE OF CULTURAL STUDIES

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, our public schools and public universities are essential for economic growth and educating future generations.

But knowledge alone is not enough. Our Nation's future depends on innovative ideas, and innovative ideas require diverse people working together. In the public schools and public universities across the country, educators are helping foster diverse ideas through cultural studies.

One such educator, Dr. Antoinette Ellis-Williams of New Jersey City University, has used poetry, film, scholarship, and service as a way to help young people explore issues that affect women and minorities. She has spent her career helping public university students understand the experiences of marginalized communities in the United States.

Mr. Speaker, I commend Dr. Ellis-Williams and cultural studies educators like her for helping future leaders develop the knowledge and wisdom to work together for a better future. She has been an asset to educating young people in the State of New Jersey for years, and I commend her.

RECOGNIZING CONGRESSIONAL APP CHALLENGE WINNER FROM ARKANSAS' SECOND CONGRESSIONAL DISTRICT

(Mr. HILL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HILL. Mr. Speaker, I rise today to recognize the Congressional App Challenge winner from Arkansas' Second Congressional District, Anne Li.

Currently a sophomore at Central High School in Little Rock, Anne aspires to major in computer engineering and has the goal of pursuing a career in programming.

STEM education is education for the future, and having serious skills in computer programming and coding open up tremendous opportunities for our youth. It gives them the skills to compete in a 21st century job market as well as the skills to act on their imagination and engage in their entrepreneurial exploration.

I wish Anne the very best as she continues her studies at Central High School and beyond in this critical field.

As a member of the Congressional STEM Education Caucus and the dad of a STEM student at the university, I want to continue to support the growth of STEM education throughout Arkansas and America.

SAVE NET NEUTRALITY

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute.)

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, last week the FCC abdicated its responsibility to serve the public interest and put at risk the free and open internet that we have all come to depend on when its three Republican commissioners voted to repeal the Obama-era net neutrality protection.

Net neutrality keeps access to the internet equal for everyone. It protects free speech. It protects equal access to the marketplace of ideas. It has been the fundamental principle underpinning the massive innovation and opportunity that the internet has unleashed. But that is all at risk now.

Fortunately, Congress has a say. I am proud to support Congressman MIKE DOYLE's resolution to overturn the FCC's decision and restore our net neutrality protections. I also believe the House Oversight and Government Reform Committee should investigate the reports and allegations of fraudulent public comments.

Repealing net neutrality will inhibit innovation, stifle competition, and threaten free speech. It is time for Congress to overturn this decision.

HONORING AMY WRIGHT, 2017 CNN HERO OF THE YEAR

(Mr. ROUZER asked and was given permission to address the House for 1
