PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-145. A concurrent resolution adopted by the Legislature of the State of Texas urging the United States Congress to direct the Department of Defense to relocate the United States Africa Command to Ellington Field Joint Reserve Base in Houston; to the Committee on Armed Services.

SENATE CONCURRENT RESOLUTION NO. 41

Whereas, The Pentagon could realize significant savings by relocating the United States Africa Command from Germany to Ellington Field Joint Reserve Base in Houston; and

Whereas, When AFRICOM was created in 2007, the Department of Defense chose a temporary location in Stuttgart; it intended to select a permanent headquarters in Africa, but set this plan aside due to cost projections, security, and the sensitivities of African nations; and

Whereas, The Department of Defense conducted a study in 2012 that found maintaining AFRICOM headquarters stateside would cost \$60 million to \$70 million less per year, and now those savings would be even greater due to significant increases in Overseas Cost of Living Allowances rates; although relocation would involve expense, this expense could be recouped within two to six years; moreover, the relocation would repatriate about 1,400 direct jobs and create as many as

4,300 additional jobs for United States residents, and it would have an annual impact on the local economy ranging from \$400 million to \$500 million; and

Whereas, Should the defense department decide to relocate AFRICOM, Ellington Field Joint Reserve Base in Houston would be an ideal home for the headquarters; the base features strong joint service military value of active duty, reserve, and guard units from all five United States armed services, some of which presently conduct training and operational missions for AFRICOM; it is also equipped to handle large military aircraft, and the city boasts one of the nation's most vibrant ports, which handles 40 percent of all United States trade with Africa; moreover, the community is exceptionally supportive of the military, and the Greater Houston area has strong cultural, educational, medical, and diplomatic ties with Africa; and

Whereas, The Government Accountability Office has concluded that the relocation of AFRICOM to the United States would generate tremendous cost savings and economic benefits, and Ellington Field Joint Reserve Base offers advantages that would enhance the effectiveness of the headquarters; now, therefore, be it

Resolved, That the 85th Legislature of the State of Texas hereby respectfully urge the United States Congress to direct the Department of Defense to relocate the United States Africa Command to Ellington Field Joint Reserve Base in Houston; and, be it further

Resolved, That the Texas secretary of state forward official copies of this resolution to the president of the United States, to the secretary of the Department of Defense, to the president of the Senate and the speaker of the House of Representatives of the United States Congress, and to all the members of the Texas delegation to Congress with the request that this resolution be entered in the Congressional Record as a memorial to the Congress of the United States of America.

POM-146. A concurrent resolution adopted by the Legislature of the State of Texas urging the United States Congress to review federal regulation on the oil and gas industry in Texas; to the Committee on Energy and Natural Resources.

SENATE CONCURRENT RESOLUTION NO. 26

Whereas, the Texas Legislature recognizes that this period in our nation's history represents an opportunity for Texas to work with the leadership of the federal government to transcend partisan politics and correct misuses of federal regulatory power that have threatened the Texas oil and gas industry, the jobs it creates, and the economy of the state; and

Whereas, Texas oil and gas fields have provided a pathway toward American energy independence from foreign powers, have afforded financial security to hundreds of thousands of individuals in Texas, and have delivered safe and reliable energy to fuel our nation's economy; and

Whereas, during the past eight years, the federal government has promulgated regulations that jeopardize the productivity of the oil and gas fields of Texas; and

Whereas, new federal regulations have been proposed and implemented despite the protests of Texas and many other oil and gas producing states, resulting in overregulation that prioritizes minor environmental gains over major productive losses; and

Whereas, the State of Texas has joined many other oil and gas producing states to file more than 20 lawsuits against federal overreach; now, therefore, be it

Resolved, That the 85th Legislature of the State of Texas hereby respectfully urge the
