

Lieutenant LeTourneau tragically died Saturday evening, giving his life protecting his community while battling a row house fire in subfreezing temperatures in the city of Philadelphia.

Matt graduated from Cardinal O'Hara High School in 1993 in Delaware County, and he served 11 years as a member of the Philadelphia Fire Department. He joined the Springfield Fire Company in 1991 at the age of 16, and he served and continued to serve as an instructor at the Delaware County Emergency Services Training Center, where he was praised by his colleagues for his skill and the knowledge that he passed on to them about how to keep themselves safe.

He served his community with dedication, commitment, and courage, his colleagues said. "We took a big loss in the fire service," J.J. Bonsall, one of his closest friends said. "He was one of the greatest firefighters we know."

He was also a participant in something called Redpaw Emergency Relief Team, making sure that animals that are harmed in fires have a safe place.

Madam Speaker, I thank Lieutenant Matt LeTourneau for his service and sacrifice for the community that he loved. The condolences and gratitude of an entire region are with his mother, with his extended family, his friends, and the firefighters from Springfield and Philadelphia fire companies.

RECOGNIZING STOP THE BLEED TRAINING COURSES

(Mr. BIGGS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BIGGS. Madam Speaker, I rise today to recognize the Stop the Bleed training courses offered by the American College of Surgeons.

Every year, more than 180,000 Americans die from injuries sustained in a myriad of ways. What many people may not know is that a large number of these fatalities result not from instantaneous trauma but, rather, from blood loss. From the moment a major injury occurs, the clock is ticking. Uncontrolled bleeding can kill us in as little as 5 to 10 minutes.

Bleeding is a preventable cause of death, and that is why the Stop the Bleed effort is such a valuable program. The American College of Surgeons, working in partnership with many other organizations, has now made this training easily available to Americans across this country.

I had the opportunity to participate in Stop the Bleed training myself, and as part of my course, I learned how to properly apply bandages and tourniquets. And do you know, what? It actually was kind of fun.

We should do everything possible to ensure that more accidents don't become tragedies. This effort must include integrating blood loss prevention into our preparedness toolkit. Let's all

be ready to come to the aid of our fellow citizens if the need ever arises.

Madam Speaker, let's stop the bleed.

HONORING THE LEGACY OF DR. RICHARD ALBERTA

(Mr. BISHOP of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of Michigan. Madam Speaker, I rise today to honor the legacy of a constituent of mine in my district, Dr. Richard Alberta, senior pastor at Cornerstone Evangelical Presbyterian Church in Brighton, Michigan. On December 31, 2017, Dr. Alberta stepped down from the pulpit after 40 years of service.

Originally from New York, Dr. Alberta was raised in a nonreligious home. After marrying his high school sweetheart, Donna, he embarked on a successful career until, one day, something changed. He attended a church service and realized the missing puzzle piece in his life was to do whatever he can to pursue and prayerfully consider the path felt by the love of his Lord and devotion to his ministry.

Over the past four decades, Dr. Alberta dedicated his time, wisdom, and leadership to the Lord and the church. His friendship and faithful guidance has made a lasting impression on the lives of so many.

As he begins his next chapter, I wish him all the best, and I commend him on his unwavering commitment to his congregation and to our community as a whole.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Ms. ROSELEHTNEN). Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or votes objected to under clause 6 of rule XX.

The House will resume proceedings on postponed questions at a later time.

DOMESTIC EXPLOSIVES DETECTION CANINE CAPACITY BUILDING ACT OF 2017

Mr. ROGERS of Alabama. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 4577) to establish a working group to determine ways to develop a domestic canine breeding network to produce high quality explosives detection canines, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 4577

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Domestic Explosives Detection Canine Capacity Building Act of 2017".

SEC. 2. DEFINITIONS.

In this Act:

(1) **BEHAVIORAL STANDARDS.**—The term "behavioral standards" means standards for the evaluation of explosives detection working canines for certain factors, including canine temperament, work drive, suitability for training, environmental factors used in evaluations, and canine familiarity with natural or man-made surfaces or working conditions relevant to the canine's expected work area.

(2) **MEDICAL STANDARDS.**—The term "medical standards" means standards for the evaluation of explosives detection working canines for certain factors, including canine health, management of heredity health conditions, breeding practices, genetics, pedigree, and long-term health tracking.

(3) **TECHNICAL STANDARDS.**—The term "technical standards" means standards for the evaluation of explosives detection working canines for certain factors, including canine search techniques, handler-canine communication, detection testing conditions and logistics, and learned explosive odor libraries.

SEC. 3. DOMESTIC CAPACITY DEVELOPMENT.

(a) **IN GENERAL.**—Not later than 90 days after the date of the enactment of this Act, the Secretary of Homeland Security, acting through the Administrator of the Transportation Security Administration, shall establish a working group to determine ways to develop a decentralized domestic canine breeding network to produce high quality explosives detection canines and modernize canine training standards.

(b) **WORKING GROUP COMPOSITION.**—The working group established under subsection (a) shall be comprised of representatives from the following:

(1) The Transportation Security Administration.

(2) The Science and Technology Directorate of the Department of Homeland Security.

(3) National domestic canine associations with expertise in breeding and pedigree.

(4) Universities with expertise related to explosives detection canines and canine breeding.

(5) Domestic canine breeders and vendors.

(c) **CHAIRPERSONS.**—The Administrator for the Transportation Security Administration shall approve of two individuals from among the representatives of the working group specified in subsection (b) to serve as the Chairpersons of the working group. One such Chairperson shall be from the entities specified in paragraphs (1) and (2) of such subsection, and the other such Chairperson shall be from the entities specified in paragraphs (3), (4), and (5) of such subsection.

(d) **PRELIMINARY STANDARDS AND RECOMMENDATIONS.**—Not later than 180 days after the establishment of the working group under subsection (a), such working group shall submit to the Administrator of the Transportation Security Administration preliminary behavioral standards, medical standards, and technical standards for the domestic canine breeding network and canine training described in such subsection, including recommendations on how the Transportation Security Administration can engage stakeholders to further the development of such network and training.

(e) **STRATEGY.**—Not later than 180 days after submission of recommendations to the Administrator of the Transportation Security Administration under subsection (c), the Administrator shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a strategy for expanding the domestic canine breeding network described in
