

company founded in 1898 by his grandfather.

During the Korean war, Don served in the United States Army as a second lieutenant and then as a first lieutenant, receiving a Combat Infantry Badge and a Bronze Star.

He then returned to Kaspar Wire Works, now Kaspar Companies, where he became CEO, and it grew from a small company with 18 employees to a multinational enterprise with nearly 1,000 employees. I was fortunate enough to tour the company a couple of years ago with Don and learned about the success of his ventures.

Despite his busy job, Don always had time to give back to the community. He was president of the Shiner Rotary Club, director of the Shiner Hospital Foundation, the first chairman of Shiner Youth Baseball, chairman of the Shiner United Way Fund, a local scoutmaster, chairman of the board at his local church, and more.

A pillar of the Shiner community, Don was married to the late Jean Welhausen Kaspar for 52 years and leaves behind 4 sons, their wives, 10 grandchildren, and 6 great-grandchildren.

Don, we miss you.

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Ms. FOXX) at 2 p.m.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Merciful God, we give You thanks for giving us another day.

Guide our minds, thoughts, and desires this day. By Your spirit, breathe into us a new spirit. Shape this Congress and our world according to Your design that we may fulfill Your will.

Bless the Members of the people's House. Give them attentive hearts and open minds, that through the diversity of ideas they might sort out what is best for this Nation. May their speech be deliberately free of all prejudice, that others might listen wholeheartedly.

Grant that all dialogue be mutually respectful, surprising even the most jaded with the emergence of unity and justice.

Bless us this day and every day, and may all that is done here be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House her approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

Ms. ROS-LEHTINEN. Madam Speaker, pursuant to clause 1, rule I, I demand a vote on agreeing to the Speaker's approval of the Journal.

The SPEAKER pro tempore. The question is on the Speaker's approval of the Journal.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Ms. ROS-LEHTINEN. Madam Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8, rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Michigan (Mr. KILDEE) come forward and lead the House in the Pledge of Allegiance.

Mr. KILDEE led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

HIGHLIGHTING THE 2018 MATZAH MITZVAH

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Madam Speaker, I would like to highlight the 2018 Jewish Community Services of South Florida Matzah Mitzvah, which will take place on Sunday, March 25, at Temple Israel of Greater Miami.

Every year, Madam Speaker, this wonderful event brings together volunteers and staff from the Jewish Community Services to prepare and deliver Passover holiday baskets to homebound seniors and other members of the Jewish community in need.

Those who take part in the Matzah Mitzvah do far more than just deliver meals: they help foster a sense of community amongst Jewish residents of south Florida and help to ensure that everyone who observes the Passover holiday does so with a full heart.

Volunteers will start assembling the food at 9 a.m., and the delivery of the food baskets will follow at 10 a.m.

Madam Speaker, I want to thank the Jewish Community Services of South Florida for its dedication to creating a better and more inclusive community. I also encourage everyone in south

Florida to come out this March 25 to Temple Israel of Greater Miami at 9 a.m. and take part in the 2018 Matzah Mitzvah.

DEMOCRATS SHOULD NOT BE LOCKED OUT OF THE FUNDING NEGOTIATIONS

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, here we are again. On Thursday, the government runs out of funding because the majority has not yet been able to reach across the aisle and negotiate a long-term budget agreement that reflects the priorities of the American people.

One party controls the House, the Senate, and the White House, but there is not a functional majority in the hands of one or another party. The majority is comprised of thoughtful Members who, on both sides of the aisle, if we chose to, could sit around the negotiating table and work out the differences that we bring to this Congress in a way that moves the country forward and adopts a budget that is reflective of the priorities that we were sent here to address.

So long as one party takes the approach that all of the votes necessary to pass any measure must only come from one party, we are not going to be able to move forward as a country.

Being in the minority, I understand we don't get to set the agenda, but we ought not be locked out of the conversation, especially when it is by coming together that we can get a long-term budget and not continue to kick the can down the road.

REPORT DEVASTATING TO DEMOCRACY

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, a House Intelligence Committee report has found shocking abuses of surveillance by the FBI. The implications of the report are devastating to a democracy.

The premier law enforcement agency of the Federal Government wrongly took sides in a Presidential campaign. The report confirms that FBI officials sought to influence the 2016 election. Unsubstantiated opposition research paid for by the Clinton campaign was wrongly used as a basis to wiretap a Trump campaign official.

Justice Department and FBI employees were trying to influence the outcome of the Presidential election. To borrow a phrase from Intelligence Committee Chairman NUNES, this "happens in banana republics," but it should never happen in a democracy.

It would be understandable if the President and Attorney General wanted to clean house and ask everyone to resign who used a political file compiled by the Clinton campaign as a
