H.R. 772

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

SEC. 2. AMENDING CERTAIN DISCLOSURE REQUIREMENTS FOR RESTAURANTS AND SIMILAR RETAIL FOOD ESTABLISHMENTS.

(1) in subclause (ii)—

(A) in item (I)(aa), by striking “the number of calories contained in the standard menu item, as usually prepared and offered for sale” and inserting “the number of calories contained in the whole standard menu item, or the number of servings (as reasonably determined by the restaurant or similar retail food establishment) and number of calories per serving, or the number of calories per the common unit division of the standard menu item, such as for a multiserving item that is typically divided before presentation to the consumer”;

(B) in item (II)(aa), by striking “the number of calories contained in the standard menu item, as usually prepared and offered for sale” and inserting “the number of calories contained in the whole standard menu item, or the number of servings (as reasonably determined by the restaurant or similar retail food establishment) and number of calories per serving, or the number of calories per the common unit division of the standard menu item, such as for a multiserving item that is typically divided before presentation to the consumer”;

(C) by adding at the end the following flush text:

“In the case of restaurants or similar retail food establishments where the majority of orders are placed by customers who are off-premises at the time such order is placed, the information required to be disclosed under items (I) through (IV) may be provided by a remote-access menu (such as a menu available on the internet) as the sole method of disclosure instead of on-premises writings.”;

(2) in subclause (iii)—

(A) by inserting “either” after “a restaurant or similar retail food establishment shall”; and

(B) by inserting “or comply with subclause (ii)” after “per serving”;

(3) in subclause (iv)—

(A) by striking “For the purposes of this clause” and inserting the following:

“(I) IN GENERAL.—For the purposes of this clause”;

(B) by striking “and other reasonable means” and inserting “or other reasonable means”; and

(C) by adding at the end the following:

“(II) PERMISSIBLE VARIATION.—If the restaurant or similar food establishment uses such means as the basis for its nutrient content disclosures, such disclosures shall be treated as having a reasonable basis even if such disclosures vary from actual nutrient content, including but not limited to variations in serving size, inadvertent human error in formulation or preparation of menu items, variations in ingredients, or other reasonable variations.”;

(4) by amending subclause (v) to read as follows:

“(v) MENU VARIABILITY AND COMBINATION MEALS.—The Secretary shall establish by regulation standards for determining and disclosing the nutrient content for standard menu items that come in different flavors, varieties, or combinations, but which are listed as a single menu item, such as soft drinks, ice cream, pizza, doughnuts, or children’s combination meals. Such standards shall allow a restaurant or similar retail food establishment to choose whether to determine and disclose such content for the whole standard menu item, for a serving or common unit division thereof, or for a serving or common unit division thereof accompanied by the number of servings or common unit divisions in the whole standard menu item. Such standards shall allow a restaurant or similar retail food establishment to determine and disclose such content by using any of the following methods: ranges, averages, individual labeling of flavors or components, or labeling of one preset standard build. In addition to such methods, the Secretary may allow the use of other methods, to be determined by the Secretary, for which there is a reasonable basis (as such term is defined in subclause (iv)(II)).”;

(5) in subclause (x)—

(A) by striking “Not later than 1 year after the date of enactment of this clause, the Secretary shall promulgate proposed regulations to carry out this clause.” and inserting “Not later than 1 year after the date of enactment of the Common Sense Nutrition Disclosure Act of 2017, the Secretary shall issue proposed regulations to carry out this clause, as amended by such Act. (6) by amending subclause (xi) to read as follows:

“(xi) DEFINITIONS.—In this clause:

“(I) MENU; MENU BOARD.—The term ‘menu’ or ‘menu board’ means the one listing of items which the restaurant or similar retail food establishment reasonably believes to be, and designates as, the primary listing from which customers make a selection in placing an order. The ability to order from an advertisement, coupon, flyer, window display, packaging, social media, or other similar writing does not make the writing a menu or menu board.

“(II) PRESET STANDARD BUILD.—The term ‘preset standard build’ means the finished version of a menu item most commonly ordered by consumers.

“(III) STANDARD MENU ITEM.—The term ‘standard menu item’ means a food item of the type described in subclause (i) or (ii) of subparagraph (5)(A) with the same recipe prepared in substantially the same way with substantially the same food components that—

(7) by adding at the end the following:

“(xii) OPPORTUNITY TO CORRECT VIOLATIONS.—Any restaurant or similar retail food establishment that the Secretary determines is in violation of this clause shall have 90 days after receiving notification of the violation to correct the violation. The Secretary shall take no enforcement action, including the issuance of any public letter, for violations that are corrected within such 90-day period.”.
