RECOGNIZING SHERIFF JIM OLSON

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today to recognize the service of

Carver County Sheriff Jim Olson, who recently announced his retirement.

Sheriff Olson began his career with the Carter County Sheriff's Office 31 years ago. He was elected to his first 4-year term in 2010 and was reelected in 2013.

Olson led law enforcement operations during a time when Carver County surpassed a population of 100,000 people, making it one of the fastest growing counties in Minnesota. He oversaw major public safety operations during the aftermath of Prince's death as well as the Ryder Cup in 2016.

He is well respected in our community and is involved in community outreach, raising public awareness of mental health resources, educating the public about the role of the sheriff's office, and supporting the Hope House, a youth homeless shelter in Chanhassen.

Mr. Speaker, I thank Sheriff Olson for his many years of service and dedication to keeping the residents of Carver County safe. We wish him the best of luck in the future. He will be missed.

RECOGNIZING HEALTH AND WELLNESS COACHES

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to honor America's health and wellness coaches. Health and wellness coaches help people change their unhealthy lifestyles and manage chronic illnesses.

Mr. Speaker, I am a diabetic. I also suffer from macular degeneration and heart disease. I know firsthand how difficult it is for people to change their behaviors and make healthier life choices, but I also know that changing behavior can improve overall health and reduce the amount of costly medical care people need.

The American Medical Association recently found that having a health and wellness coach involved in a person's wellness journey not only increases patient satisfaction and engagement, but also reduces physician stress and burnout by freeing up their time.

Last week, I introduced H. Res. 733 to express support for health and wellness coaches and to designate this week as National Health and Wellness Coach Recognition Week.

Mr. Speaker, I ask my colleagues to join me in celebrating our Nation's health and wellness coaches.

RECOGNIZING DAVID LONG

(Mr. MESSER asked and was given permission to address the House for 1 minute.)

Mr. MESSER. Mr. Speaker, I rise today to recognize a tremendous Hoosier public servant, leader of the Indiana State Senate, David Long, who recently announced his retirement from office.

David has served in the Indiana Senate for 22 years and as president pro tempore for the last 12. He is a remarkable leader who has been central to every major policy achievement in Indiana at a State level over the past decade.

He led the charge on cutting taxes, passing right to work, enacting Major Moves, creating one of the biggest and best school choice programs, and permanently capping property taxes.

On a personal note, David Long is my mentor. We are both graduates of Wabash College, and we both overachieved in marriage. I will always be grateful for his friendship, advice, and counsel.

I thank David for his years of service.

DEFENDING THE FBI

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, our law enforcement and intelligence community—most pointedly, the Federal Bureau of Investigation—is sustaining an unprecedented, coordinated attack.

Like a cancer, the strikes are coming from deep in the marrow of our democratic Republic. Our own President and even some Members of Congress block the light of justice.

In his State of the Union Address, President Trump bragged about the apprehension of violent criminals and gang members. The hypocrisy of this President taking credit for the dangerous work of our FBI and larger intelligence community while systematically and doggedly working to undermine public faith in these institutions is an outrage.

Under Special Counsel Mueller's direction in 2012, the FBI made 25,000 arrests and 14,800 indictments. They located 1,100 missing children and seized \$1.125 billion worth of criminal assets and drugs.

The historic role of the FBI in bringing major criminals and foreign and domestic enemies of our state to justice cannot be overstated. The FBI has defended us in ways and measures well beyond general public awareness.

If not out of patriotism and commitment to our democracy and its institution, then out of sheer necessity, Congress and the American people must defend the rule of law.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

FAIRNESS FOR HIGH-SKILLED IMMIGRANTS

(Mr. YODER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. YODER. Mr. Speaker, I rise today as the Senate debates DACA and border security to urge my colleagues in both Houses of Congress to include

high-skilled immigration reform in the final legislative package.

Our immigration system is broken in many places. While we search for solutions to promote fairness, compassion, and the rule of law, I want to highlight a group of immigrants who have been following our laws, contributing to our country, and yet are being left out in the cold by our broken system.

Right now, the per-country caps on green cards for highly skilled H-1B immigrants unfairly discriminate against immigrants from a few countries, especially India. The caps have created a huge backlog of Indian applicants who will have to wait decades—as much as 70 years—to achieve their dream of American citizenship.

The per-country caps must be replaced by a merit-based system that treats everyone fairly, regardless of their country of origin. My bill, the Fairness for High-Skilled Immigration Act, would do just that.

I urge my colleagues not to let our compassion end with DACA recipients. Let's also use this opportunity to promote fairness for high-skilled immigrants as well.

DOMESTIC ABUSE IS WRONG

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, as we address Women's History Month in the month of March, I raise the attention of my colleagues to a set of circumstances that we have seen relating to the administration and its personnel policies, but the real issue is the affirmation of opposition to domestic violence and abuse.

Thousands of women and some men lose their lives to domestic abuse and domestic violence. Thousands live in silence and absolute fear. Children see their mothers and fathers killed. To have insensitivity to the importance of anyone who has engaged in domestic violence and domestic abuse be ignored sends a wrong signal to the girls and young women in this country.

We must join together in a bipartisan manner to ensure that the Violence Against Women Act is reauthorized in March, and we must pronounce that domestic violence and domestic abuse is wrong for men, women, and families. It is something that should be condemned and not condoned.

No matter how important a position you may hold, it is important for America's leadership to denounce this kind of vicious attack on families. Mr. Speaker, I look forward to bipartisanship on this issue.

RECOGNIZING OLYMPIAN ERIN HAMLIN

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)
