BUSINESS OF THE YEAR

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 15, 2018

Mr. HIGGINS of New York. Mr. Speaker, I rise today to recognize Al-Ross Screen Printing & Embroidery as the West Seneca Chamber of Commerce's choice for the 2018 Business of the Year Award on Thursday, February 15th at Kloc's Grove.

For 45 years, Al-Ross has provided embroiders and screen print clothing and apparel for the Western New York area. Through their talented work, Al-Ross allows people and organizations of all sorts a sense of identity, professionalism and an unforgettable local brand.

Along with Al-Ross's strong business sense comes an equally strong sense of community and giving back. Following the 9/11 terrorist attacks, Al-Ross raised and donated more than \$20,000. Locally, the business founded and supported the Athlete of the Month Club in West Seneca schools, giving students athletes t-shirts promoting their achievements. Al-Ross consistently donates to basket raffles and fundraisers for schools, clubs, churches, benefits, and charities.

Embodying community spirit, when the Buffalo Bills made the NFL playoffs for the first time in seventeen years, Al-Ross rose to the challenge and quickly created customized shirts for fans. The Seneca Street fixture saw lines out the door as excited Western New Yorkers rushed to support their team and their business.

Mr. Speaker, I wish to take this opportunity to honor Al-Ross Screen Printing & Embroidery as they receive the 2018 Business of the Year Award from the West Seneca Chamber of Commerce. The contributions to our community made by this business are commendable, and I wish them much continued success in their future endeavors.

INTRODUCTION OF THE FACILITATING VETERANS' EDUCATION ACT

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 15, 2018

Mr. CORREA. Mr. Speaker, the Department of Defense provides exceptional training and experiences to our nation's servicemembers. For each occupation in the military, servicemembers undergo a series of formal military training courses.

For years, the American Council on Education (ACE) has evaluated that training and related experiences to provide colleges and universities with guidelines and recommendations to consider when awarding credit for such training. For instance, ACE may recommend that colleges award one semester credit hour of first aid for a soldier who has taken basic combat training.

Since 2013, the Army, Marine Corps, Navy, and Coast Guard have produced the Joint Services Transcript (JST), an official documentation of a servicemember's military training and their corresponding ACE credit recommendations. The JST allows veterans to earn college credit for their military service, helping them attain a college degree sooner.

While the document is available through an online portal, there are reports of servicemembers leaving the military unaware of the JST.

Therefore, I am introducing the bipartisan Facilitating Veterans' Education Act, which directs the Department of Defense to issue the Joint Services Transcript to servicemembers separating from the Armed Forces.

CONGRATULATIONS TO THE
WAUSEON HIGH SCHOOL WRESTLING TEAM FOR WINNING THE
OHIO STATE CHAMPIONSHIP

HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 15, 2018

Mr. LATTA. Mr. Speaker, I rise to congratulate the Ohio High School Athletic Association Division II Team Wrestling State Champion Wauseon Indians. After finishing runner up in

2016 and 2017, Wauseon topped Mentor Lake Catholic in the championship to capture the first team title of any sport in school history.

Wauseon has a rich tradition in wrestling, winning the Northwest Ohio Athletic League twelve times. Under the tutelage of coach Mike Ritter, Wauseon was able to win the title by first going through Washington Court House and Canfield High School on the way to the finals.

These student-athletes gave it their all, and the Wauseon community should be proud of them. Wrestling tests the mettle of its competitors, and it takes grit, determination, and toughness to compete at a high level. In addition to practice, student-athletes are asked to meet certain academic standards and exceed them as well. These competitors deserve our recognition.

Once again, congratulations to Coach Mike Ritter and the rest of the Wauseon wrestling team on a job well done.
