

The Order of the Elks has demonstrated a strong commitment to serving our county's veterans. The Elks are deeply engaged in the Veterans Affairs medical facilities by providing support and friendship to veterans at VA facilities. Furthermore, the Elks answered the call of the Department of Veterans Affairs to better address veteran homelessness by founding the Welcome Home Program.

Providing mentorship and instilling good character and moral values in our country's youth is another important facet of the Elk's mission. Our youth are the leaders of tomorrow, and the Elks are committed to helping them succeed by supporting scholarships that allow more children to pursue their dreams. Further, the order educates parents and their children about the dangers of using illegal substances, tobacco products, alcohol, and abusing prescription drugs. These prevention and awareness programs help give young people the tools and information they need to make good decisions when faced with negative social pressures.

I encourage my colleagues in the Senate to join me in recognizing and congratulating the Benevolent and Protective Order of the Elks on its 150th anniversary. The Order of the Elks has been and will continue to be a shining example of honor and service to neighbor, community, and nation.●

TRIBUTE TO MICHAEL RUBIN

● Mr. WHITEHOUSE. Mr. President, today, I pay tribute to Rhode Island's assistant attorney general Michael Rubin, who will retire this year after serving our State for more than three decades. I had the pleasure of working alongside Mike during my time as attorney general and during my time on the attorney general office staff. I am proud to call him my friend. He is a skilled leader in the Rhode Island legal community. He will be missed.

Mike piled up a strong record of accomplishments during his time as the assistant attorney general of Rhode Island and chief of the Rhode Island Attorney General's environmental unit. He was an advocate for every community in the State and worked every day to promote a safe, clean environment for our kids and preserve public access to our beautiful shores. Just this past year, Save the Bay Rhode Island awarded Mike with its Environmental Achievement Award for his important work as the head of the environmental unit. "Without the efforts of advocates such as Mike, who tirelessly work not only for the good of the environment, but for our ability as a citizenry to access and enjoy our coastline, the quality, and in some cases, quantity, of publicly accessible coastal lands and waters would be significantly depreciated," the organization announced.

I got to see his determination firsthand when I was attorney general. In 2001, Mike had been trial counsel in the State proceedings when I argued a case

to defend our State's environmental preservation regulations before the Supreme Court. More recently, Mike helped file lawsuits in 2016 against dozens of big oil companies over the hazardous messes they were making in Rhode Island wells and reservoirs and pursued \$65 million for the cleanup.

In addition to his good work in the attorney general's office, Mike has contributed a great deal to our community. I know he will remain a committed leader in our State. I wish him health and much happiness in his days to come. Here is to less time writing briefs and more time enjoying Rhode Island's natural beauty, whether that be on your bike, in your kayak, or on your ice-skates.

On behalf of all Rhode Islanders, thank you for your work, Mike. You have made our State proud. Godspeed.●
