So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

MOMENT OF SILENCE HONORING THOSE KILLED AT MARJORY STONEMAN DOUGLAS HIGH SCHOOL

(Mr. DEUTCH asked and was given permission to address the House for 1 minute.)

Mr. DEUTCH. Mr. Speaker, I rise today to honor the memory of 17 members of the Marjory Stoneman Douglas High School community in Parkland, Florida, and do so in the presence of some of their classmates:

Alyssa, Chris, Meadow, Scott, Luke, Helena, Martin, Cara, Alex, Nicholas, Gina, Carmen, Aaron, Joaquin, Peter, Jaime, and Alaina.

On February 14, 2018, they were killed in yet another senseless act of gun violence.

As we bow in silence, I ask that we remember those we lost, I ask that we lift up the families who are grieving, and I ask that we offer prayers of healing for those who were injured and prayers of peace for the 3,300 survivors.

I ask that our quiet contemplation stir courage within the Members of this body—the courage to take action to ensure the freedom of our students, the freedom to learn without fear, and to take action to secure the freedom of all Americans to live in communities without gun violence.

The SPEAKER pro tempore. Members and guests in the gallery, please rise for a moment of silence.

NOTICE OF INTENTION TO OFFER RESOLUTION RAISING A QUESTION OF THE PRIVILEGES OF THE HOUSE

Mr. THOMPSON of California. Mr. Speaker, pursuant to clause 2(a)(1) of rule IX, I rise to give notice of my intent to raise a question of the privileges of the House.

The form of the resolution is as follows:

Calling on the House of Representatives to immediately consider gun violence prevention legislation.

Whereas, gun violence affects every community in our Nation;

Whereas, 30 people are killed every day by someone using a gun;

Whereas, more than 2,200 people have been killed this year by someone using a gun;

Whereas, there have been at least 34 mass shootings this year;

Whereas, while mass shootings often receive media attention, gun violence is present every day in every community;

Whereas, since the tragedy at Sandy Hook Elementary School, the House of Representatives has held 43 moments of silence to honor the memory of people killed by someone using guns;

Whereas, most gun owners are responsible and law-abiding;

Whereas, the Supreme Court, in its District of Columbia v. Heller decision, recognized the right to keep and to bear arms;

Whereas, the Brady Handgun Violence Prevention Act was enacted on November 30, 1993;

Whereas, background checks have been successful and every day stop more than 170 felons, some 50 domestic abusers, and nearly 20 fugitives from buying a gun;

Whereas, over 2,000,000 gun sales were blocked since enactment of the Brady Handgun Violence Prevention Act;

Whereas, 90 percent of all background checks are done instantly;

Whereas, the States that require background checks, 47 percent fewer women are murdered by intimate partners;

Whereas, in States that require background checks, there are 47 percent firearm suicides;

Whereas, in States that require background checks, 53 percent fewer law enforcement officers are killed by someone using a gun;

Whereas, 97 percent of Americans polled support background checks for all gun sales;

Whereas, in many States, no background check is required to buy a gun online or at a gun show; and

Whereas, the President has said, “Whether we are Republican or Democrats must now focus on strengthening Background Checks!”

Now, therefore, be it resolved, that the House of Representatives should immediately consider H.R. 4240, the Public Safety and Second Amendment Rights Protection Act of 2017, and H.R. 3464, the Background Check Completion Act of 2017.

The SPEAKER pro tempore. Under rule IX, a resolution offered from the floor by a Member other than the majority leader or the minority leader as a question of the privileges of the House has immediate precedence only at a time designated by the Chair within 2 legislative days after the resolution is properly noticed.

Pending that designation, the form of the resolution noticed by the gentleman from California will appear in the RECORD at this point.

The Chair will not, at this point, determine whether the resolution constitutes a question of privilege. That determination will be made at the time designated for the consideration of the resolution.

ACTION FOR DENTAL HEALTH ACT OF 2017

The SPEAKER pro tempore. Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 2422) to amend the Public Health Service Act to improve essential oral health care for low-income and other underserved individuals by breaking down barriers to care, and for other purposes, as amended, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. BURGESS) that the House suspend the rules and pass the bill, as amended.

This will be a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 387, nays 13, not voting 30, as follows:
