TRIBUTE TO CORPORAL MUJAHID RAMZZIDDIN

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2018

Mr. HOYER. Mr. Speaker, on Friday I attended the funeral of a hero. Prince George's County lost a dedicated Corporal last Wednesday, who was shot and killed while off duty but still doing his duty. Corporal Mujahid Ramzziddin, a fourteen-year veteran of the force, stepped in to protect a neighbor from an abusive spouse. As Chief Hank Stawinski said: 'He saved her life by giving his own.' He is the thirtieth Prince George's County police officer to die in the line of duty. Corporal Ramzziddin's courage is an example of the kind of devotion to duty that our law enforcement officers in Prince George's County and across Maryland and the United States demonstrate each day they serve.

At the funeral in Lanham, I joined state and county officials in comforting Corporal Ramzziddin's wife Tammi and his four children as they paid their final tributes to him and laid him to rest according to traditional Muslim rites. I was honored to present Tammi with a flag flown over the U.S. Capitol in memory of her husband, and I was deeply moved by the outpouring of support and love from the community to the Ramzziddin family. They are in my thoughts at this difficult time, as is Corporal Ramzziddin's heroic example.

Corporal Ramzziddin was not only a dedicated law enforcement officer; he was also a volunteer in the community. He served in several ways with the Nation's Mosque, including as a leader for its Boy Scout Troop 1517, on its safety and security committee, and with the men's group that engaged in neighborhood litter removal projects. Corporal Ramzziddin was a man of faith and service, a patriot and a hero to his community. It surprised no one who knew him that he gave his life while trying to protect someone else.

I hope all of my colleagues in this House will join me in paying tribute to Corporal Mujahid Ramzziddin for his life of service and his ultimate sacrifice protecting the people of Prince George's County, Maryland.

HONORING HENRY LUCKETT

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2018

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor an intuitive and self-motivated man, Mr. Henry Lockett.

Mr. Henry Lockett was born and raised in Canton, MS, to Hemy and Lucille Lockett. He is the second of six children born. His parents instilled in him at an early age, that if you want to be a productive citizen you must take education seriously, work hard, and never make excuses.

Mr. Lockett has lived in Holmes County since 1982. His family and faith are very important. He's married to Mrs. Charlie M. Lockett and they are the proud parents of four children.

Mr. Lockett currently serves as Chancery Clerk of Holmes County since January 2012. During this Administration, he was a member of the Six Million Dollar Club, which were counties who were issued six million dollars or more annually in food stamps benefits. Only twenty-five States had that distinction. Being one among the National Six Million Dollar Club members Holmes County received numerous awards from the USDA for exceptional management of the program. Mr. Speaker, I ask my colleagues to join me in recognizing Mr. Henry Lockett for his desire for continued excellence in his community.

SERBIA AND AMERICA

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2018

Mr. POE of Texas. Mr. Speaker, it is a distinct honor for me to talk about the great relationship we have with Serbia as co-chair of

the Congressional Serbia Caucus along with my friend EMANUEL CLEAVER (D–MO).

Serbia is a great friend of the United States.

As a Texan, I have great admiration for the people of Serbia. Our strong opinions and habit to speak our minds make us natural allies.

In fact, one of the first people to settle Texas was a Serbian named Dorde Sagic, or George Fischer as he was known in the U.S.

After settling in Texas, Sagic went on to become a justice of the peace in my hometown of Houston, Texas.

But Serbia has contributed much more to the cause of justice than just Mr. Sagic keeping the early streets of Houston safe.

Today we honor the service of Serbia's armed forces who have fought side-by-side with Americans to preserve justice during history's most horrific conflicts.

In 1918, President Woodrow Wilson gave a speech marking the fourth anniversary of Austria-Hungary's invasion of Serbia. Speaking of the bravery of the Serbian armed forces, President Wilson said:

"Nobly did they respond. So valiantly and courageous did they oppose the forces of a country ten times greater in population and resources . . . While their territory has been devastated and their homes despoiled, the spirit of the Serbian people has not been broken."

As a Texan, I admire such defiance against overwhelming odds.

Like President Wilson, I am proud to share the stories of Serbia's bravery here in Washington.

I believe the most meaningful for Americans is the story of the Halyard Mission during the dark days of the Second World War.

While under Nazi-occupation, the Serbian people demonstrated their bravery as they played a crucial role in the largest rescue operation of American airmen in history.

In 1944, American bombers were flying frequent missions to strike Germany's vital oil supplies in Romania as part of the allied advance into Europe.

The 15th Air Force led this effort by launching nearly 20,000 sorties into Eastern Europe, with many of the missions flying over Nazi-occupied Yugoslavia. As many as 1,500 pilots and airmen were shot down during these courageous air raids.

Serbians, who had been resisting German forces since 1941, risked their own lives to rescue American aircrews and hide them from patrolling Nazis.

For months these brave and noble Serbians cared for and protected American and allied pilots.

By August 1944, the allied forces, including the 15th Air Force and Office of Strategic Services, devised a daring operation to evacuate the hundreds of allied pilots being sheltered by the Serbian resistance.

American aircraft flew into enemy territory and evacuated these airmen from an air field built and protected by local Serbians near the village of Pranjani.

For over 60 years this operation was kept secret. But now we can remember the courage of our Serbian friends and say thank you.

The spirit of the Halyard mission still lives on today as a remarkable story of resistance and heroism.

As was the case in both World Wars, Serbia and the U.S. still face shared threats.
