

About 600 foreign fighters in Syria have come from the Balkan states. ISIS and al-Qaeda terrorists present a threat to Serbia and the region just as they present a threat to the U.S.

We must continue coordinating with our Serbian partners to stop returning terrorists and neutralize networks that recruit fighters in the Balkans.

The U.S. is also working with Serbia to improve its independent judiciary and fight corruption. A democratic Serbia with a strong rule of law is in America's interests.

But there are others who do not share this goal.

Russian disinformation efforts are designed to keep Serbia in its sphere of influence and poison our warming friendship.

Nevertheless, Serbia's integration to the West has continued to move forward.

In 2006, Serbia joined NATO's Partnership for Peace program and, in 2015, signed an Individual Partnership Action Plan with the alliance to strengthen cooperation.

Recently the European Union announced that Serbia could join the EU as early as 2025. I applaud this step which will strengthen Belgrade's political institutions and economic ties with the west.

Together we share the same dreams of a bright and free future for both our countries.

We are blessed to have brave men and women that ensure our futures are bright and free.

I want to thank the Serbian armed forces for standing with America in the wars of the past and in the challenges we will face together in the future.

And that's just the way it is.

TAX REFORM WORKS

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2018

Mr. POE of Texas. Mr. Speaker, last year, Congress passed landmark legislation, the Tax Cuts and Jobs Act.

This legislation cuts taxes in every income group.

Now, Texans are seeing the impact of this pro-family, pro-growth tax reform.

And so are the employees of Insperty.

In 1986, Insperty launched with little more than a 600 square foot home office and two employees in Texas's Second Congressional District.

But the small startup quickly began growing, eventually turning into one of the largest HR outsourcing firms in the country.

Earlier this month the company announced bonuses to its employees—made possible through the U.S. tax reform act.

The amount of the bonuses will range from \$1,000 to \$4,000 per employee dependent upon the employee's tenure with the company.

These bonuses total approximately \$9 million and will not be awarded to the management team and other senior leaders.

The company says: "We believe the passage of tax reform is positive news and should provide for stronger growth of Insperty, the small business community and the broader U.S. economy."

Mr. Speaker, the Democrats may call \$1,000–\$4,000 "crumbs . . ."

But to the people of the Texas Second Congressional District this is money that will go directly back into the pockets of a community hit hard by Hurricane Harvey.

This extra money will help families rebuild their homes, restore their possessions that were ruined by the floodwaters and recover from the devastation brought forward by the Hurricane.

Mr. Speaker, Insperty is just one example of the good work that this tax reform package has done.

The latest data shows that a typical middle-income family of four in Texas's Second Congressional District will see a Tax Cut of \$2,788.

The Tax Cuts and Jobs Act has put more money in the pockets of employees and allowed industry to grow.

And that's just the way it is.

**MO'S PLACE CELEBRATES 30
YEARS**

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 27, 2018

Mr. OLSON. Mr. Speaker, I rise today to congratulate Mo's Place, of Katy, TX, on its 30th Anniversary.

Mo Jeloudarzadeh came to America with only his suitcase in hand, and worked his way through college as a dishwasher. He was later promoted to bartender and it was during this time that Mo fell in love with country music. In March 1988, he opened Mo's Place in a small strip center in the Katy area. Mo's passion for serving others and his welcoming hospitality have been the key ingredients to his success. Last year, Mo was awarded the Pioneer Award from the Texas Country Music Hall of Fame for his continued support of Texas Country music artists.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Mo Jeloudarzadeh for celebrating 30 years of success at Mo's Place. We're excited to see what the next 30 years bring.
