

off the EPA dogs who have been attacking the job creators in our country over the past 8 years. Ease the regulatory burden, provide historic tax relief, excitement in the economy, new jobs, new energy. So I understand why my opponents on the other side would like to distort us from this record.

This motion to recommit is purely politics to do that, so that is why I ask my colleagues to reject the motion to recommit and, once we do that, support the underlying bill.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.
