HOOR OF MEETING ON TOMORROW

There was no objection.

RECOGNIZING THE IMPORTANT ROLE OF THE YMCA IN COMMUNITIES NATIONWIDE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to speak about an institution that influences our Nation's culture and helps our people and communities to learn, grow, and thrive.

That organization is the YMCA. The Y engages more than 10,000 neighborhoods across the United States. By nurturing the potential of every child and teen, improving the Nation's health and well-being, and supporting and serving its neighbors, the Y ensures that everyone has the opportunity to become healthier, more confident, connected, and secure.

The Y was founded in 1844 in London by George Williams. He organized the first Young Men's Christian Association meeting: a refuge of Bible study and prayer for young men seeking escape from the dangers of life on the streets. The fellowship and sense of community was compelling.

Years later, Thomas Valentine Sullivan was inspired by the stories of the Y and founded the first U.S. YMCA in Boston in 1851. Since then, the Y has been strengthening communities across the Nation. It brings people together, regardless of age, income, or background, and helps everyone reach their full potential. For that, Mr. Speaker, I am grateful.

GATEWAY PROJECT FUNDING

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, yesterday, Transportation Secretary Elaine Chao testified before the Transportation and Infrastructure Committee. Secretary Chao acknowledged that President Trump is personally intervening to prevent Federal funding of the Gateway Project, which is the Nation's most critical infrastructure project.

Mr. Speaker, the Gateway Project would rebuild the crumbling rail infrastructure that connects New York and New Jersey, a key point in Amtrak and the Northeast corridor's rail line between New Jersey and New York and, also, 415 trains that go through those tunnels each day. New York and New Jersey have promised billions of dollars towards the project, but President Trump is actively undermining Gateway.

As anyone who had plans to travel by Amtrak or by rail during last week's cyclone knows, the trans-Hudson track
