

years, the Kentucky Delegation and the equine industry have been very fortunate to benefit from his thorough understanding of this important area of the tax code. Most recently, Tad was recognized for his leadership in the successful effort to update arcane tax rules affecting withholding and reporting of pari-mutuel winnings.

Throughout a career that has spanned six decades, Tad has been known for his extraordinary tax and legislative expertise. But more importantly, he is known for his honesty, integrity, and loyalty to his friends. It is my honor to join Tad's children Denra and Reilly, his wife Jerri, his colleagues at Davis & Harman, and his many, many friends in wishing him a very happy 80th birthday.

HONORING CLINTON COUNTY FIRE-FIGHTER'S ASSOCIATION ON ITS 70TH ANNIVERSARY

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 20, 2018

Ms. STEFANIK. Mr. Speaker, I rise today to congratulate the Clinton County Firefighter's Association on its 70th anniversary.

The Clinton County Firefighter's Association and Mutual Aid System were established by Fire Chief Levi Todriff of the Chazy Fire Department with their first meeting taking place on July 18, 1948. Clinton County's Mutual Aid System is proud to be the only Mutual Aid System in the United States that is inter-county, inter-state, and international, as it spans not only throughout upstate New York, but also to Vermont and Canada.

For 70 years, firefighters and other first responders throughout the region have been risking their lives to protect their communities. They have battled large fires, some in subzero temperatures, aided in flooding relief efforts, and saved both people and livestock.

In my district, we are proud of our first responders and respect the sacrifices that they make to ensure our communities are safe. On behalf of New York's 21st District, I want to thank the Clinton County Firefighter's Association for its dedication to serving Clinton County and beyond. Our courageous firefighters have provided a crucial service for the past 70 years, and I look forward to hearing about their success in the years to come.

CITY OF ORANGE 130TH ANNIVERSARY

HON. MIMI WALTERS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 20, 2018

Mrs. MIMI WALTERS of California. Mr. Speaker, it is my honor to rise today in recognition of the 130th Anniversary of the City of Orange, California.

Incorporated on April 6, 1888, Orange was once home to a population of less than 1,000 people.

Since then, it has become home to world-class institutions and award-winning schools.

The Children's Hospital of Orange County and UC Irvine Medical Center are located in Orange, where they serve the local community and families throughout Southern California.

It also boasts 25 Gold Ribbon schools with a nearly 98 percent graduation rate.

Much has changed over the last 130 years, yet Old Towne Orange remains a living time capsule of this community's humble beginnings.

As the antique capital of Southern California, thousands of visitors come each year to see the plaza's traditional architecture and enjoy one of the best Main Streets in the Nation.

Thanks to the hard work and dedication of the community members who live there, the City of Orange has preserved its unique charm and has rightfully earned its place in the National Register of Historic Places.

Mr. Speaker, Orange is an invaluable cornerstone of Orange County and an important economic driver for our region.

It is with great pleasure that I congratulate the City of Orange on its 130th anniversary.

THE AMAZING KLEIN HIGH ORCHESTRA

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 20, 2018

Mr. POE of Texas. Mr. Speaker, the sound of beautiful music filled the air at the Alice Tully Hall at Lincoln Center in New York City. The orchestra playing? None other than the Klein High School Orchestra. The kids who make up the orchestra are some of the best in the nation and we are proud to say they hail from Houston, Texas.

The Klein High Orchestra was in New York City to compete in a nationally recognized competition, rightly named the National Orchestra Championships. The orchestra, comprised of 35 students, took home the grand prize, earning the title of the 2018 National Orchestra Cup Grand Champions. This was the first time Klein High participated at this competition and more impressively, the first for the entire school district.

The orchestra was competing against seven other schools and several of the groups were from high achieving, performance arts magnet schools. This is a remarkable feat for a talented group of young adults. The Grammy Foundation has also recognized the Music Department twice as a Grammy Signature School and all of the orchestras have earned UIL sweepstakes awards. The Klein High Orchestras have performed in the San Antonio Showcase, South Coast Music Festival, Mid-West International Band and Orchestra Clinic in Chicago Invitation at Carnegie Hall, the Circle of Honor series in Chicago at Symphony Hall and have been named Grand Champions several times at the Festival Disney Honors.

Perhaps most impressive, is the dedication and time each student poured into practice, rehearsing song after song, to ensure each note was tuned to perfection. In order to achieve perfect harmony, genuine connections need to be strung between each musician and it's evident that was achieved seamlessly.

Of course, in order to lead a great group of students, you must have a remarkable leader. Orchestra Director, Creston Herron, is to be applauded for his work and contribution to producing an extraordinary group of students.

The Klein High Orchestra has achieved incredible accolades throughout the years, but being named the champion at the National Orchestra Championships could be their crowning jewel. We are honored to represent Klein High School in Washington, D.C. and we are even more proud to say they are from the Lone Star State.

And that's just the way it is.
