INTRODUCTION OF A BILL TO CLARIFY CERTAIN DUE PROCESS RIGHTS OF FEDERAL EMPLOYEES SERVING IN SENSITIVE POSITIONS

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Ms. NORTON. Mr. Speaker, today, as hundreds of thousands of our federal workers face uncertainty in wages and work, I rise along with my House colleagues ROBERT J. WITTMAN and ANDRÉ CARSON to introduce a bill to clarify certain due process rights of federal employees serving in sensitive positions. Our bill

would overturn an unprecedented federal court decision, *Kaplan v. Conyers and MSPB*, which stripped many federal employees of the right to independent review of an agency decision removing them from a job on grounds of ineligibility. The case was brought by two Department of Defense (DOD) employees, Rhonda Conyers, an accounting technician, and Devon Northover, a commissary management specialist, who were permanently demoted and suspended from their jobs after they were found no longer to be eligible to serve in noncritical sensitive positions. In 2014, the Supreme Court declined to hear the case, which allowed the appeals court decision to stand.

Specifically, the decision prevents federal workers who are designated as “noncritical sensitive” from appealing to the Merit Systems Protection Board (MSPB) if they are removed from their jobs. Noncritical sensitive jobs include those that do not have access to classified information. The decision would affect at least 200,000 DOD employees who are designated as noncritical sensitive. Even more seriously, most federal employees could potentially lose the same right to an independent review of an agency’s decision because of a rule by the Office of Personnel Management (OPM) and the Office of the Director of National Intelligence (ODNI), which went into effect in July 2015, that permits agency heads to designate most jobs in the federal government as noncritical sensitive.

The Kaplan decision undercuts Title 5, section 7701 of the Civil Service Act, which ensures due process rights for federal workers required by the U.S. Constitution. Stripping employees whose work does not involve classified matters of the right of review of an agency decision that removes them from their jobs opens entirely new avenues for unreviewable, arbitrary action or retaliation by an agency head and, in addition, makes a mockery of whistleblower protections enacted in the 112th Congress. Our bill would stop the use of “national security” to repeal a vital component of civil service protection and of due process.

I urge my colleagues to support this bill.

IN HONOR OF THE SPRING FIRE DEPARTMENT’S 65TH ANNIVERSARY

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mr. POE of Texas. Mr. Speaker, I rise today to honor the brave men and women of the Spring Fire Department. For 65 years, Spring firefighters have run in where we run out.

On April 29, 1953, seven people bound together with donated fire apparatus to form the Spring Volunteer Fire Department approximately 22 miles north of downtown Houston. Local residents and businesses made donations to fund the department for its first three decades.

As the department celebrated its 30th anniversary, the volunteers worked to form the Harris County Rural Fire Prevention District No. 1 (HCRFPD). For the first time, the Spring Volunteer Fire Department began receiving tax dollars to help build fire stations, buy equipment and train volunteers.

On Texas Independence Day in 1985, the Spring Fire Department suffered its only line-of-duty loss. District Chief Michael F. West died battling a 2-Alarm fire near Old Town Spring. His sacrifice is immortalized in bronze in front of the Spring Fire Department Administration building.

As the population grew, the Spring Fire Department continued to evolve. During the 1990’s, as Emergency Services Districts (ESD) began forming to provide stable funding for emergency services in the unincorporated areas of Texas counties, Harris County ESD No. 7 replaced the outdated HCRFPD No. 1.

In 1997, the Spring Volunteer Fire Department hired its first part-time firefighters to staff an apparatus during business hours. Widely known as the duty crew, they responded to calls during the day when most volunteers were at work. As the population and staffing needs continued to grow, the department further evolved.

In 2013, the department’s first fulltime firefighters joined the Spring fire family. With a combination of fulltime, part-time, and volunteer firefighters, the decision was made to change the name to the Spring Fire Department (SFD).

Operating 24 hours a day, 7 days a week, 365 days a year, today the Spring Fire Department is one of the largest combination departments in the state of Texas.

SFD covers 62 square miles of northern Harris County serving an estimated population of 152,000 people. SFD’s nine fire stations house a fleet of 25 pieces of fire and rescue apparatus along with 15 support vehicles. The Spring Fire Department is under the leadership of Fire Chief Scott Seifert and today we celebrate their 65 years of dedicated service to the Spring community.

And that is just the way it is.

## HONORING PETER G. DAUSEN

**HON. JIMMY PANETTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mr. PANETTA. Mr. Speaker, I rise today to recognize the service and character of a great American on the occasion of his retirement from civilian service with the United States Navy. Peter G. Dausen, or simply Pete as he is known to all, has given his entire adult life to the service of his family and country. He has set a towering example to all of us fortunate to know him. As Pete steps down from the position of Deputy and Technical Director for the Naval Support Activity Monterey, we all know that his influence has reached far beyond the strict confines of the job title.

Pete graduated from Kent State University in 1974 and commissioned as a Second Lieutenant into the United States Army. He served in uniform for nearly 30 years as a signals officer with tours of duty across the United States and abroad. He oversaw signals operations in Somalia during the 1993 Battle of Mogadishu. He served as a peace keeper in Bosnia. He led soldiers and mentored young officer and NCOs. Along the way he earned two Masters Degrees and graduated from the Army War College, in Strategic Studies. Upon promotion to Colonel, Pete came to the Monterey Peninsula to serve as the Garrison Commander Presidio of Monterey, home of the Defense Language Institute and Ord Military Community. Although at first Pete was reticent to shift from warrior to city manager, he excelled in this last Army command.

Upon retirement from active duty at the conclusion of his Garrison Command, Pete transitioned into the civilian position managing the facilities for the Naval Postgraduate School also located in Monterey. This role, which grew into the fully fledged Naval Support Activity Monterey during his tenure, became vital to the success of the military missions located in Monterey. He successfully advocated for new investments in the facilities at the NPS, the Fleet Numerical Meteorological and Oceanographic Center, the Navy Research Lab and the Navy War College. These efforts included helping to secure over \$212 million in MilCon funding to update and improve facilities and advance these missions. He was also instrumental in standing up the new RCI housing and strengthening MWR programs for military families. Pete takes particular pride in the new academic fence that rings the public frontage of NPS.

Pete has been a tireless advocate of the broader military mission in Monterey. He has played a vital role in the mission of TEAM Monterey, which has been crucial in advancing our national security interests by fostering

long-term, positive community relationships between military facilities and public officials. Throughout his career, Pete has been a role model for the men and women who have been lucky enough to serve under him, as exemplified by his recent selection as a recipient of the Superior Civilian Service Award.

In honor of his service, I would like to express my gratitude for Peter G. Dausen for his dedication to this country and our community. I wish him all the best and I am sure that he is looking forward to continuing his impressive portfolio of artwork, and spending time with his loving family.

RECOGNIZING THE 20TH  
ANNIVERSARY OF BISCOTTI CAFE**HON. JOHN KATKO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mr. KATKO. Mr. Speaker, I rise today to honor the 20th Anniversary of Biscotti Cafe in Syracuse.

Two decades ago, in March 1998, Geoff and Debbie Camire opened their bakery on Butternut Street. Soon after opening, their business flourished, and became a staple in Syracuse.

Unfortunately, just five years after opening their doors, Geoff and Debbie's business was destroyed in a fire. Despite this massive setback, Geoff and Debbie reopened their bakery and persevered. After a few years on South Geddes Street, the bakery reopened on North Salina Street in 2004, where it remains today. The cafe serves sandwiches, soups and salads for lunch. But throughout our community, the bakery is best known for its Italian and European-inspired pastries, cookies and cakes.

Twenty years later, the Camires and their staff make thousands upon thousands of pastries, cookies, and cakes each year. Businesses and business owners like these form the foundation of our economy, and provide our communities proof that the American Dream is alive and well.

I am proud to recognize the Camires and Biscotti Cafe for celebrating 20 years in business. Geoff and Debbie Camire have become an indispensable part of the Syracuse community and I wish this outstanding business continued success in the years to come.

*Wednesday, March 14, 2018*

Ms. TSONGAS. Mr. Speaker, on March 14, 2018 I missed Roll Call Vote No. 106. Had I been present, I would have voted Yes.

The gun homicide rate in our country is more than seven times that of Sweden, six times that of Canada, and twenty-one times that of Australia. On average, 93 Americans die every day from gun violence and 222 people are shot and survive,
