IN RECOGNITION OF CITY MANAGER W. BRIAN HIATT AND HIS SERVICE TO THE CITY OF CONCORD

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2018

Mr. HUDSON. Mr. Speaker, today I rise to honor Concord City Manager W. Brian Hiatt on nearly two decades of service to the City of Concord, North Carolina.

I've known Brian for many years, and throughout this time I have considered him a good friend. A lifelong North Carolina resident, Brian attended Appalachian State University for his Bachelor of Science in History and Government Service and went on to attend the University of North Carolina at Chapel Hill to receive his Master of Public Administration. After his education, Brian spent almost 20 years working for both Guilford County and the City of Hickory where he gained valuable experience that enabled him as City Manager to help shape the City of Concord into the wonderful place it is today.

Over the years, Brian has been very active in our community serving on the boards of Cabarrus Economic Development Corporation and the Water and Sewer Authority of Cabarrus County, NC League of Municipalities, Hospice of Cabarrus County and Cabarrus County United Way. He is a Past-President of the Concord Rotary Club, where he was named Rotarian of the Year in 2012, Lake Hickory Rotary Club and the North Carolina City, County Management Association and Academic Learning Center.

Residing in Concord, Brian is married to Julie, and they have two grown children, Andrew and Erin. I am extremely grateful for Brian's service to our community and I wish him continued success.

Mr. Speaker, please join me today in honoring my friend City Manager W. Brian Hiatt for his unwavering commitment to public service.

HONORING WASHINGTON ELEMENTARY SCHOOL IN ELGIN, ILLINOIS

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2018

Mr. ROSKAM. Mr. Speaker, I rise today to celebrate the 125th anniversary of Washington Elementary School in Elgin, Illinois.

Since its founding in 1892, Washington Elementary School has overcome many chal-

lenges. When the school first opened its doors, they did not have access to running water or modern heating. Today, the school provides its students with a state-of-the-art computer lab, a lunchroom, and a modern gymnasium.

While the technological revolution has transformed the way Washington Elementary School educates its students, there is no more significant impact than a changing demographic. Today, the school celebrates a robust and diverse student body. According to Principal Lori Brandes, the school now offers more dual-language classes than general education classes. Washington Elementary School's ability to meet the needs of students makes it a staple of the Elgin community.

Mr. Speaker, and distinguished colleagues, please join me in celebrating the 125th anniversary of Washington Elementary School.

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2018

Mr. WESTERMAN. Mr. Speaker, I rise today to recognize the outstanding accomplishments of Jim Fram, who recently retired from his role as president and CEO of the Greater Hot Springs Chamber of Commerce and the Hot Springs Metro Partnership.

VEHICULAR TERRORISM PREVENTION ACT OF 2018

SPEECH OF

HON. MICHAEL T. MCCAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 19, 2018

Mr. MCCAUL. Mr. Speaker, I include in the RECORD the following cost estimate for H.R. 4227, the Vehicular Terrorism Prevention Act of 2018, prepared by the Congressional Budget Office, was not made available to the Committee at the time of filing of the legislative report.

U.S. CONGRESS,

CONGRESSIONAL BUDGET OFFICE,

Washington, DC, March 20, 2018.

Hon. MICHAEL MCCAUL, Chairman, Committee on Homeland Security, House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 4227, the Vehicular Terrorism Prevention Act of 2018.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Robert Reese.

Sincerely,

KEITH HALL, Director.

Enclosure.

H.R. 4227—VEHICULAR TERRORISM PREVENTION ACT OF 2018

As reported by the House Committee on Homeland Security on March 19, 2018

H.R. 4227 would direct the Department of Homeland Security (DHS) to assess its current activities related to supporting emergency response providers and the private sector in preventing, mitigating, and responding to vehicular terrorism. Following that assessment, DHS would be required to develop and submit to the Congress a strategy to improve its efforts.

Using information from DHS on the effort required to complete the assessment and strategy, CBO estimates that implementing H.R. 4227 would have no significant effect on the federal budget.

Enacting H.R. 4227 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 4227 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 4227 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Robert Reese. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
