IN RECOGNITION OF MS. KRISTINA EMELIA NOELLE DUNKLIN

HON. DAVID G. VALADAO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2018

Mr. VALADAO. Mr. Speaker, I rise today to thank Kristina Emelia Noelle Dunklin for her service to my office and the 21st Congressional District of California over the past five years.

Ms. Dunklin was born in Fresno, California to parents Marianne and Jerome R. Dunklin, M.D. Growing up in the Central Valley with her brothers, Joseph and Jacob, Ms. Dunklin enjoyed being active and challenging herself academically as she played varsity soccer while attending San Joaquin Memorial High School in Fresno. Following her graduation in 2008, Kristina attended Santa Clara University where she was able to pursue her love for helping others and giving back to the community by joining Kappa Kappa Gamma Sorority and serving as the Philanthropy Chair of the Eta Nu Chapter. During her time at Santa Clara University, Kristina developed a strong interest in politics and gained firsthand experience of grassroots politics by volunteering on local campaigns. In March 2012, Ms. Dunklin graduated from Santa Clara with her Bachelor of Science Degree in Political Science.

Shortly after graduation, Kristina left California's Central Valley and moved to Washington, D.C. to follow her passion of politics. Ms. Dunklin began her political career by quickly securing an internship with her hometown Congressman, DEVIN G. NUNES. Kristina has been a member of my Congressional team since 2012, first serving as Legislative Correspondent and most recently, as Legislative Director. Her thoughtful approach to crafting public policy combined with her expansive legislative knowledge made Ms. Dunklin an invaluable member of my team and a true public servant to the people of California's Central Valley.

Outside of work, Kristina enjoys spending time with her family, cooking recipes she learned from her grandmother, and skiing.

This February, Ms. Dunklin's time in my office came to an end as she moved on to a new role focused on one of her many passions, healthcare policy, with Congresswoman SUSAN BROOKS of Indiana. While I am excited for Kristina to begin this new chapter, she will be greatly missed as a member of my team. Knowing Ms. Dunklin, her character and work ethic, I have no doubt she will achieve many great things in her future.

Mr. Speaker, I ask my colleagues in the United States House of Representatives to join me in commending Kristina Dunklin for her public service to the people of the Central

Valley and wishing her the very best in this next chapter of her life.

RECOGNIZING THE LIFE OF THOMAS A. SPIESS

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 21, 2018

Ms. KAPTUR. Mr. Speaker, I rise today to recognize the life of Tom Spiess, of Fayette, Ohio. Tom passed from this life on Friday, March 16, 2018 and today his family, friends and community gather to celebrate his homegoing.

Tom Spiess was an outstanding community leader. His life's work was as an art teacher at Gorham Fayette Schools, where he founded the art club and the golf team. After thirty years as teacher and mentor, Tom retired from teaching in 2000. He then began a new career in "retirement" as the Village of Fayette Administrator, a position he held for six years. A local history buff, Tom also found time to host Civil War reenactments in his backyard.

All the while, Tom was involved in many civic activities. He served on the Ohio Arts Council; was a founding member and executive director of the Fayette Community Fine Arts Council; was integrally involved in the acquisition and restoration of the Fayette Opera House; served as chairman of Fulton County United Way; was president of the Gorham Fayette Teachers Association; president of the Fulton County Improvement Corporation; and was a member of the Fayette Chamber of Commerce. A true servant leader, Tom was an elder and board president at his Disciples of Christ Church, where he also taught Sunday school. Turning his grief into community help, Tom founded the Jon P. Spiess Memorial Golf Tournament in memory of his son.

Tom was feted by his community as Fayette Citizen of the Year. He also received a Defiance College Alumni Achievement Award. These recognitions by his community were most deserved and well earned.

Born to George and Marjorie Spiess in Wauseon, Ohio, Tom was a graduate of Delta High School. He went on to earn his undergraduate degree from Defiance College and his Master's degree from Sienna Heights College. Tom and his wife Cherrie were married on December 28, 1968 and together raised four children. In addition to their son, Jon, their children include Matthew, Mark and Elizabeth.

We offer our sincere condolences to his wife and children, grandchildren, brother, in-laws and friends. May they find some small comfort in their memories of this remarkable man and the gift of his life. Surely he will be greeted as in Matthew 25:23 "Well done, good and faithful servant."

Tom's generous, life giving spirit embraced his family, his community, and our nation. He was always building others. He cherished learning as fundamental to liberty and devoted himself to building an educated, engaged citizenry. His creativity and genius will continue to flower in all his good works. Truly, he has endowed a legacy to his family, community and country.

H.R. 4467—STRENGTHENING AVIATION SECURITY ACT OF 2018

As reported by the House Committee
Homeland Security on March 19, 2018

The Federal Air Marshal Service (FAMS), part of the Transportation Security Administration (TSA), promotes the safety of the U.S. aviation system, particularly by protecting airline passengers and crewmembers against the risk of criminal and terrorist violence. H.R. 4467 would require FAMS to use a risk-based strategy when allocating resources between international and domestic flights, and to report to the Congress on its compliance with that requirement.

Using information from TSA, CBO estimates that implementing H.R. 4467 would not significantly affect the federal budget. Because the bill's requirements are consistent with existing administrative policy,
