TRIBUTE TO TAMMY FREEMAN

● Mr. RUBIO. Mr. President, today I recognize Tammy Freeman, the Broward County Teacher of the Year from Monarch High School in Coconut Creek, FL.

Tammy received the Teacher of the Year award because of her efforts to challenge and encourage young learners to grow as critical thinkers. She empowers her students by not only instilling skills to help them become successful in life, but also by helping them see how important their own voice truly is. Instead of giving her students the answers, which she believes makes them dependent on her, Tammy instead empowers her students by teaching them the process to discover the answers on their own. According to her, this will help them become better thinkers and learners throughout their lifetime.

Tammy believes a commitment to personalized instruction builds students' confidence in their abilities and a strong foundation for a lifetime of learning. Tammy is dedicated to knowing each of her students and walks into her classroom each day with the desire to inspire her students, the same way she was inspired by her own teachers.

Tammy has been an English teacher at Monarch High School for 10 years and serves as chair of the language arts department. Her passion for her work has earned the respect and admiration of both students and colleagues, and she has shown outstanding ability as both collaborator and leader.

I would like to express my sincere thanks and appreciation to Tammy for all the hard work she has done for her students, and I extend my best wishes on her continued success in the years to come.●

TRIBUTE TO LILLIEMARIE GORE

● Mr. RUBIO. Mr. President, today I recognize Lilliemarie Gore, the Alachua County Teacher of the Year from Idylwild Elementary School in Gainesville, FL.

When Lilliemarie was named Teacher of the Year, she thanked two of her own teachers who played important roles in her life, Mrs. Jackson and Mrs. Gloria Jean Merriex. Mrs. Jackson was her third-grade teacher who inspired her to use education as a vehicle to escape the tough Miami neighborhood where she grew up. Mrs. Merriex was a teacher Lilliemarie worked with at Duval Elementary School who was known for using rhymes, music, and other innovative techniques to teach math to students.

While Lilliemarie learned about teaching concepts and theories in college, she said the 4 years of mentoring by Gloria taught her the fundamentals of teaching. Lilliemarie says teaching starts with having a genuine love for students and believes that, when the children know you love them, they are willing to jump through hoops to do whatever needs to be done. She loves her kids with everything she has, and they know she loves them.

Lilliemarie attended the University of Florida and earned degrees in early elementary and special education. She is a fourth-grade teacher at Idylwild Elementary School and has been an Alachua County Public School teacher for 5 years.

I would like to extend my sincere thanks and appreciation to Lilliemarie for all the fine work she has done and wish her continued success in the years to come.●
