

EXTENSIONS OF REMARKS

CELEBRATING THE MOREAU
COMMUNITY CENTER

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, April 2, 2018

Ms. STEFANIK. Mr. Speaker, I rise today to honor and recognize the Moreau Community Center for its outstanding service to New York's 21st District.

Founded in 1977, the Moreau Community Center in South Glens Falls serves the residents of Saratoga, Warren, and Washington Counties. The Center is one of the largest human service agencies in the area, and seeks to meet the multigenerational needs of the community in a compassionate and inclusive environment.

To fulfill this mission, the Center offers a wide variety of quality programs, activities, volunteer opportunities, and services which support youth, seniors, and the community at large. The Center runs an emergency food pantry that serves more than 80 families each month, and operates a clothing thrift store run by volunteers. I applaud the good work of the Moreau Community Center, particularly in light of the fact that April is National Volunteer Month.

On behalf of New York's 21st District, I want to thank the Moreau Community Center for its dedication to bringing our community together. We commend its incredible service, and look forward to its future endeavors.
