HON. MARK DeSAULNIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 5, 2018

Mr. DESAULNIER. Mr. Speaker, I rise today to recognize the many accomplishments of Seth Adams as Save Mount Diablo's (SMD) Land Conservation Director. During his twenty-five years of work at Save Mount Diablo, Mr. Adams has played a large role in shaping the conservation movement in the East Bay. During his tenure, SMD has assisted in the preservation of more than 100,000 acres of open space in eastern Alameda and Contra Costa counties, successfully reintroduced the peregrine falcons at Mt. Diablo, and aided in the development of hundreds of millions of dollars of conservation funding.

Mr. Adams began his career of conservation service in the East Bay after moving to Berkeley in 1981 and volunteering for the campaign against the Peripheral Canal in the Delta. He then joined SMD as its first hired staff member. Under his guidance, SMD has championed efforts of restoration and stewardship, aiming to preserve, defend, and restore the remaining 70,000 acres on Mount Diablo and its foothills.

Mr. Adams's commitment to promoting the success and well-being of Contra Costa's nature and wildlife is deeply appreciated by the community he serves, and he should be proud of SMD's many notable accomplishments during his tenure.

I thank Mr. Adams for his service and congratulate him on his 30th work anniversary.
