HONORING MR. JORDAN
MCGAUGHEY ON RECEIVING THE
MILKEN EDUCATOR AWARD

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 11, 2018

Mr. LUETKEMEYER. Mr. Speaker, I rise today to honor Mr. Jordan McGaughey on receiving the Milken Educator Award.

This award was established in 1987 by the Milken Family Foundation to attract, retain, and motivate the finest teaching talent to continue the good work of molding young minds. The Milken Educator Award has been hailed as the "Oscars of Teaching" and provides public recognition and financial rewards to those who have the honor of receiving the award.

Jordan earned his bachelor's degree in History in 2007 and his master's in Education in 2008 from Truman State University. He now teaches American government classes at Seckman High School in Imperial, Missouri where he has shown outstanding commitment to his students, fellow educators, and the community. His classes stress the importance of valuing diversity, debating hot topics, and using critical thinking to formulate a personal opinion. Students have the opportunity to become more involved in the legislative process when they write their legislators, and in one particular lesson, they develop, present, discuss, and vote on "new" constitutional amendments. Jordan's students consistently perform above district and state averages and many have gone on to careers in government and education.

To foster an enjoyable learning environment, Jordan uses numerous teaching styles. By rotating between cooperative learning activities, collaborative inquiry-based learning,

and traditional lectures, he is able to engage and interact with students effectively. As a Google Certified Educator, he also incorporates Google Classroom, Socrative, and Kaboot technology into his lessons. These education tools create other avenues for students to learn skills that will positively impact their future career choices. In this age of social media, Jordan also utilizes live debates on Twitter to engage students during events like the State of the Union.

In addition to his successful career in the classroom, Jordan serves on the district's professional development team and on the American Government curriculum committee. He also mentors student teachers and serves as an instructional coach, giving future teachers the opportunity to learn from someone who is motivated, passionate, and driven. Lastly, Jordan serves the community even further as a member of the Missouri Council for Social Studies and the St. Louis Teacher Academy.

Mr. Speaker, I ask you to join me in recognizing Mr. Jordan McGaughey on this great honor.

RECOGNIZING THE NORTHEAST INDIANA
BASE COMMUNITY COUNCIL

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 11, 2018

Mr. BANKS of Indiana. Mr. Speaker, I rise today to recognize the Northeast Indiana Base Community Council and its annual Race for the Warrior. Across eleven counties in north-east Indiana, the NIBCC is working with over 30 community groups, making my district one of America's most engaged regions when it comes to supporting our military.

The Race for the Warrior is the hallmark for the NIBCC. In its fourth year, proceeds from the event raise funds for the NIBCC Military Support Fund. This fund provides one-time grants to local military members for emergency relief, as well as other military and veterans support programs.

I am proud of the work the NIBCC does on behalf of our active duty servicemembers, veterans, and their families in my district.

IN RECOGNITION OF NATIONAL
STOP THE BLEED DAY

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 11, 2018

Mr. CARTER of Georgia. Mr. Speaker, the ability to recognize and effectively assist life-threatening bleeding in someone can save a life. On March 31, 2018, the country came together to recognize National Stop the Bleed Day. Stop the Bleed is a program that is offered by the American College of Surgeons to teach people how to become an immediate responder to victims suffering from uncontrolled bleeding by using direct pressure, gauze and bandages, and tourniquets.

Each year, more than 180,000 people die from traumatic injuries sustained as a result of events including vehicle crashes, falls, indus-

trial and farm accidents, shootings, and natural disasters. The most common preventable cause of these deaths is a victim losing too much blood in the mere minutes before trained responders arrive. Just like CPR training, being able to recognize and care for a traumatic injury can prevent victims from bleeding out. I was among the 126,000 that were trained last year on how to Stop the Bleed and I hope to inspire others to join me in supporting this program.

I urge my colleagues to join me and rise in support of National Stop the Bleed day and help to end the loss of life from uncontrolled bleeding by getting trained to Stop the Bleed.
