So the bill was passed. The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. SCALISE. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "yea" on rollcall No. 135, "nay" on rollcall No. 136, and "yea" on rollcall No. 137.

HUMAN TRAFFICKING, A SCOURGE ON HUMANITY

(Mr. POE of Texas asked and was given permission to address the House

for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Madam Speaker, at 15 years old, Jane was pregnant, alone, out on the streets, and ready to end her life. When Marcus and Robin Thompson found her, Jane thought she was saved. But instead of taking her to safety, the criminals forced the girl on a terrifying 6-week trek across the United States.

The outlaws photographed Jane in suggestive photos and sold her on the marketplace of sex slavery—human trafficking. Truck stops and sleazy hotel rooms became her life, sold to any pervert with the money and desire to buy sex from a child.

After multiple beatings, Jane sought help at a hospital, where nurses identified her as a sex-trafficked victim. The Thompsons are now locked up in prison for the crime they committed—modern day slavery.

Madam Speaker, human trafficking is a scourge. We must remain vigilant like the nurses in this case and rescue victims and send traffickers to the jailhouse where they belong. No more selling our children on the marketplace of slavery.

And that is just the way it is.

#### CONGRATULATING COACH LANCE WIGFALL

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I rise this evening to honor Coach Lance Wigfall of East Orange, New Jersey, for becoming the 2017–2018 boys indoor track and field coach of the year.

Coach Wigfall was a star track athlete at East Orange during the late 1990s and early 2000s. Now, as coach, he is helping a new generation of young men grow as athletes and leaders.

During Coach Wigfall's tenure at East Orange, the school's track and field team has broken onto the national stage. But Coach Wigfall reminds his athletes to enjoy the moment, trust the process, and always put academics before athletics.

Coach Wigfall is a mentor and a role model for his team. He is an asset to East Orange and to all young people in New Jersey's 10th Congressional District.

I ask my colleagues to join me in congratulating Coach Wigfall for becoming coach of the year.

#### DAUGHTERS OF THE AMERICAN REVOLUTION GOOD CITIZENS AWARD

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Madam Speaker, I rise today to recognize six high school sen-

iors who were selected as finalists for the Oneida County Good Citizens Award, presented by the Oneida County Chapter of the DAR, the Daughters of the American Revolution.

The 2018 finalists were Rachael Powles, Elizabeth Militillo, Crystal Lin, Madden Barnes, Abigail Hall, and William Thomas. Rachael Powles from Sauquoit Valley Central School was the first prize winner and will go on to represent Oneida County at the State level.

These six outstanding individuals were chosen based on their academic achievements, extracurricular activities, and an essay contest. These students clearly have a great future ahead of them, and it is great to see such strong youth leadership coming from Oneida County.

I wish the first prize winner, Rachael Powles, the best of luck as she continues in the New York State competition, and, hopefully, we will be seeing her in Washington, D.C., as a national finalist.

Madam Speaker, I ask that Members join me in congratulating these students on displaying qualities of service, leadership, and patriotism. The Daughters of the American Revolution is a highly respected organization that is devoted to our community, our children, and our Nation. Being a finalist in this wonderful organization is an honor, indeed.

#### FAIR HOUSING MONTH

(Mrs. BEATTY asked and was given permission to address the House for 1 minute.)

Mrs. BEATTY. Madam Speaker, I rise today in recognition of the 50th anniversary of the Fair Housing Act.

Signed into law 7 days after Reverend Dr. Martin Luther King, Jr.'s tragic assassination in Memphis, Tennessee, the Fair Housing Act builds on his dream to ensure that every American can live wherever they choose.

While in the five decades, our country has made progress in securing equal opportunity and access to affordable housing for all with the unencumbered ability to rent or to buy, but our work continues.

In fact, just last week, in my community, community leaders broke ground on the final phase of a \$120 million public-private project for Legacy Pointe at Poindexter, fueled by a \$30 million HUD Choice Neighborhood grant that I helped to secure in 2014, but our work continues.

I stand here today in that spirit to say that I will continue to defend the central tenets of the Fair Housing Act so that all Americans can pursue the American Dream without fear of discrimination or redlining.

Madam Speaker, our work continues.

#### CONGRATULATING PLEASANT VALLEY HIGH SCHOOL

(Mr. LAMALFA asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, tonight I rise to congratulate Pleasant Valley High School for sending both the boys and girls basketball teams to the State of California championship games for their division.

After incredibly successful seasons by both the girls and boys teams, I am very proud to say that both programs made it all the way to the finals played at the Golden 1 Center in Sacramento, home of the Sacramento Kings NBA team.

Though the two games had differing results, to be playing in the final game of the season in the State in your division while the rest of your opponents are home at spring break is plenty to be proud of. It says a lot about the students and the head coaches and their families on both teams.

The last time the Pleasant Valley girls made it to the State championship was 1985. This is the first trip for the boys to the State championship.

What these young men and women both did on the basketball courts this year was remarkable—even inspiring Pleasant Valley alum and Green Bay Packers quarterback Aaron Rodgers to contribute to their trip.

While the girls did lose a hard-fought contest, the boys pulled it out and won a 70–65 thriller in which they never trailed in the game.

Congratulations to the boys team on their first-ever State championship and to the girls team for again making another trip to the State finals. Indeed, a truly remarkable, outstanding season for Pleasant Valley High School for the boys and girls team. They have much to be proud of.

#### ATTACK ON SYRIA

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, outrage is certainly not a tough enough word to watch the children of Syria, and innocent civilians, be attacked by poisonous gas. Assad is a vicious dictator, and Russia has propped him up.

It is important for the American people and for Syrian Americans to know that we will not tolerate the kind of vile violence, particularly against children. But Congress must stand for its constitutional responsibility of debating an authorization to use military force. We must not, at any time, recklessly ignore actions by the administration that really should be a collaborative thought-provoking discussion and debate on the strategy for dealing with the crisis in Syria, but, more importantly, the propping up of Assad by Russia and its supporters.

The children need us in Syria to be able to stop both the bloodshed and the terrible tragedy of gas attacks that immediately cause life and injury. It is time for us—the Members of Congress—
