TRIBUTE TO VICKY
MARACHELIAN—28TH CONGRES-
SIONAL DISTRICT WOMAN OF
THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES

Friday, April 13, 2018

Mr. SCHIFF. Mr. Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Vicky Marachelian of Burbank, California.

Born in Beirut, Lebanon, Ms. Marachelian's dedication to community service and passion to volunteer for humanitarian efforts stems from her childhood. When she moved to the United States with her family at a very young

age during the civil war in Lebanon, Vicky realized that she had the opportunity for a better life, and to this day, she strives to give back to the community and support the less fortunate.

Since 1995, Vicky has been an active member of the Armenian Relief Society (ARS), a remarkable organization with thousands of members in dozens of chapters around the world, serving the educational, social, and humanitarian needs of Armenians and non-Armenians alike. Over the years, Vicky has served in many capacities with the organization. She was elected to the ARS Burbank "Araz" Chapter as an executive member for 4 consecutive terms, served on the Regional Executive Board of the Armenian Relief Society of Western USA from 2003–2005, and was re-elected in 2008 to serve as Chairperson of the Regional Executive Board. Impressively, only four months later, Vicky was elected as Chairperson of the Armenian Relief Society, Inc. Central Executive Board, the highest international executive position of the global organization, where she served for two terms. During her leadership as Chairperson, a number of projects were undertaken, including the construction of a new building for the ARS "Soseh" Kindergarten in Stepanakert, Artsakh, which was completed in September 2017.

In addition to her tireless advocacy with the Armenian Relief Society, Ms. Marachelian was active at Rose and Alex Pilibos Armenian School in Los Angeles, where her children attended, helping to raise funds for the construction of a new gym and library on the campus.

Currently, Ms. Marachelian continues her service to the community through the ARS Burbank "Araz" Chapter, where she presently serves as an executive member, and is instrumental in fund-raising for the chapter and doing outreach to Armenian and non-Armenian organizations.

Ms. Marachelian's impressive work has not gone unnoticed as she has been recognized with numerous awards, including the Armenian American Chamber of Commerce "Woman in Service" award in 2011 and the "Vachagan Barepasht" medal in 2015, awarded to her by Bako Sahakyan, President of the Artsakh Republic, for her service in the Artsakh Republic. Vicky has been married to Art Marachelian for 36 years, and they have two children, Chris and Raffi.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Vicky Marachelian.

INTRODUCTION OF LEGISLATION
TO DESIGNATE THE FACILITY OF
THE UNITED STATES POSTAL
SERVICE LOCATED AT 4801 WEST
VAN GIESEN STREET IN WEST
RICHLAND, WASHINGTON, AS
THE "SERGEANT DIETRICH
SCHMIEMAN POST OFFICE
BUILDING"

HON. DAN NEWHOUSE

OF WASHINGTON
IN THE HOUSE OF REPRESENTATIVES

Friday, April 13, 2018

Mr. NEWHOUSE. Mr. Speaker, I rise today to introduce legislation to honor the memory of Marine Sergeant Dietrich Schmieman of Richland, Washington.

Dietrich grew up in Central Washington and had a strong love for the Pacific Northwest. He had a positive influence on everyone he came into contact with and a life full of potential.

After high school, he enlisted in the U.S. Marine Corps with the goal of becoming part of its Special Operations Command. He bonded with his brothers-in-arms, but he remained close with his friends and family in Washington state as he traveled around the world, honorably serving his country.

Sergeant Schmieman achieved his goal and was serving in the 2nd Raider Battalion at Camp Lejeune, North Carolina, when he was tragically killed in a military cargo plane crash in July of 2017. He and the 15 other service members that passed away will never be forgotten for their sacrifice.

Dietrich is remembered for his kindness, sense of adventure, and strong friendships.

In honor of his service, I am introducing legislation—with the support of the entire Washington delegation in the House of Representatives—to designate the facility of the United States Postal Service located on West Van Giesen Street in West Richland, Washington, as the "Sergeant Dietrich Schmieman Post Office."

I hope my colleagues will join me in supporting this legislation to honor the memory of Sergeant Schmieman who gave his life for our nation.

local charities and philanthropic endeavors. She has helped organize numerous community events that promote Guam's native Chamorro culture as well as women empowerment and business ownership.

I join the people of Guam in congratulating Beaudy Marea Gogue Camacho on receiving the U.S. Small Business Administration's 2018 Home-Based Business Champion of the Year Award for Guam. I commend her for her many contributions to our island and look forward to her continued success in the future.

REMEMBERING DR. TALBERT O.
SHAW

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 13, 2018

Mr. PRICE of North Carolina. Mr. Speaker, I rise today to honor the life and legacy of the former president of Shaw University, Dr. Talbert O. Shaw, who passed away in January and will be honored at a memorial service in Raleigh on April 14. Lisa and I extend our condolences to Dr. Shaw's family, friends, and many admirers in the Shaw University community and beyond.

Born in Jamaica as the ninth of ten children, Dr. Shaw began his career as an ordained minister before moving to the United States in the 1950s to pursue higher education. He earned a doctorate in ethics from the University of Chicago and taught religion and ethics there for a decade before being asked to serve as Interim Dean of the Howard University Divinity School. He next became Dean of Arts and Sciences at Morgan State University. In 1987 he was called to serve as President of Shaw University in Raleigh, North Carolina—the oldest historically black university in the south and the birthplace of the Student Nonviolent Coordinating Committee during the Civil Rights Movement.

Dr. Shaw served as President for fifteen crucial years in the school's history, from 1987 to 2002. He led successful efforts to reverse the university's financial difficulties, significantly increased the endowment, doubled enrollment, renovated numerous buildings on campus, and constructed what is now called the Talbert O. Shaw Living Learning Center. Dr. Shaw also developed the "Strides for Excellence: Why Not the Best?" campaign, a student empowerment and community involvement initiative that helped propel Shaw to the national renown it enjoys today.

I was first elected to Congress at about the same time Dr. Shaw began his tenure at Shaw. Early on, at a time when appropriations earmarks could still be secured for worthy purposes, we collaborated in the restoration of historic Estey Hall, the first structure built for the higher education of African American women in the United States. I developed great respect for him. He took the helm at Shaw when the school's future was highly uncertain, and by virtue of his remarkable vision, dedication, and the credibility he earned, enlisted many partners in bringing the school to health and charting a positive future course.

Dr. Shaw's dedication and leadership also extended to the broader Raleigh community. He engaged with local organizations such as Rotary International and the Chamber of Com-

merce. He renovated Shaw's chapel with the help of local Baptist churches and strengthened ties with the General Baptist State Convention. He had a serious demeanor, which reflected his steady sense of purpose, but that was combined with a personal warmth and a gift for collaboration and collegiality—all in all, rare qualities of leadership.

On behalf of my constituents and other North Carolinians, I join with Dr. Shaw's family, his many friends and admirers, and members of the communities he served in mourning his passing and giving thanks for his exemplary life of leadership and public service.

IN THE HOUSE OF REPRESENTATIVES

Friday, April 13, 2018

Mr. SCHIFF. Mr. Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Nina Sorkin of Silver Lake, a unique neighborhood of Los Angeles, California.

Nina's parents immigrated from Mexico, so Nina is a proud first generation Californian. She was raised in the San Fernando Valley, until she moved to the Los Angeles neighborhood of Silver Lake with her beloved husband Al Sorkin 51 years ago. A diehard Bruin, Ms. Sorkin received both her bachelor's degree in Sociology and her master's degree in Social Welfare from the University of California Los Angeles. With over 40 years of service in both the public and non-profit sectors, Nina has an impressive record of giving back to the community, supporting a diverse range of causes that demonstrate her passion for helping women, children, and the homeless.

A steadfast women's advocate, Ms. Sorkin was appointed to the Los Angeles City Commission for the Status of Women by then-Mayor Bradley, where she served for a decade and was instrumental in developing a city campaign to bring awareness about women and AIDS. As a breast cancer survivor, Nina has been involved with the American Cancer Society Relay for Life for the past 15 years, chaired the Relay For Life of Pasadena, and has been volunteering for the Relay for Life of Griffith Park Communities and Hollywood since its inception over a decade ago; currently she serves as the Luminaria Chair.

During her seventeen-year tenure on the Los Angeles County Commission for Children and Families, Ms. Sorkin established a Healthy Nutrition program for children in foster care and was a member of the Child Court Committee to improve child visitation. Reinforcing her commitment to enriching the lives of children, she has been reading to three and four year olds at the Bellevue Recreation Center for the last five years, serves on the Bellevue Park Advisory Board, and championed the importance of language development in small children by her involvement with the Children Planning Council and First 5 LA.

Ms. Sorkin is a member of the Griffith Park Lions Club, which administers eye examinations and provides free eye glasses to Ribet Academy students and four elementary schools in the Atwater Village area. In addition, Nina volunteers with the Hollywood SDA Church Homeless Program, is a member of the Griffith Park Adult Community Center Spring Faire planning committee, and is a facilitator for a grief support group.

Married to the late Al Sorkin for 47 years, she has one son, Stephen and four grandchildren.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Nina Sorkin.

Mr. O'ROURKE. Mr. Speaker, I rise today to honor El Paso Community Development Week, held by the Community and Human Development Department (DCHD) of El Paso from April 2 to April 6, 2018. El Paso has celebrated Community Development Week for 42 years to commemorate the success of the Community Development Block Grant (CDBG) and the HOME programs in creating safe, affordable housing opportunities for the El Paso community.
