HONORING NAPA VALLEY COLLEGE

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 16, 2018

Mr. THOMPSON of California. Mr. Speaker, I rise today to celebrate Napa Valley College on the 75th anniversary of its founding.

Napa Valley College is an important institution in our community. The college has educated thousands of Napa Valley residents and issues certificates and degrees to hundreds of students annually. It has provided students with job training and preparation for four-year universities. Napa Valley College is essential to our region, in part, as the largest wine school in the United States. There are more than 400 students in the Viticulture and Winery Technology Program and dozens of graduates have gone on to establish and run wineries.

In 2015 and 2016, BestColleges.com named Napa Valley College the best community college in California, weighing the rates of graduation, student retention, transfers to four-year universities, and dropouts. In addition to educating many Napa Valley residents, the col-

lege also provides venues for events such as community discussions, performances, debates and naturalization ceremonies.

In 1942, the founder, Dr. Harry McPherson saw the need for a local college and cultivated the public support necessary to establish a successful institution. With his leadership, a bond issue for Napa Valley College passed with 90 percent support.

I attended Napa Valley College on the GI Bill and am proud to have this exceptional institution in our district. It is an honor to be an advocate and supporter for the college and its role in providing access to higher education to people in the Napa Valley.

Mr. Speaker, Napa Valley College is an essential institution in Napa Valley and in Northern California. It is therefore fitting and proper that we honor the college on the 75th anniversary of its founding.

HON. SALUD O. CARBAJAL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 16, 2018

Mr. CARBAJAL. Mr. Speaker, today I rise to celebrate the life of John Richard Schmidhauser. Mr. Schmidhauser was born in the Bronx, NY. He lost his father when he was a teenager and lived through the Great Depression with his mother in Maryland, an experience that shaped his work ethic and created a lifelong support for issues related to social justice.

Following his high school graduation, Mr. Schmidhauser enlisted in the U.S. Navy at the outbreak of WWII. He worked as a Communications Officer and French hornist in the ship's band and, following VJ-Day, as a member of the occupying force in Japan.

He later enrolled in college under the GI Bill and earned a BA from the University of Delaware and a MA and PhD from the University of Virginia, in Political Science, with honors. Mr. Schmidhauser also served as a professor at the University of Iowa, where he was highly respected and admired amongst students.

Mr. Schmidhauser produced groundbreaking scholarly work on the U.S. Supreme Court. He authored numerous books and articles on the judiciary and public and constitutional law. He was active in politics and public service throughout his life and was known by many as a pioneer in his field.

Mr. Speaker, I am honored to join with the nation and the Schmidhauser family in celebrating this special life, which ended peacefully on February 21, 2018.

REMEMBERING GAINESVILLE'S WALT SNELLING

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 16, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today in memory of "Gainesville High School's biggest fan," Walt Snelling, who recently passed away at the age of 81.

For over 30 years, Walt announced ball games for his alma mater, Gainesville High

School. Having played for the Red Elephants as an offensive lineman, he fostered a passion for sports early in life.

Before Walt became "the voice of the Red Elephants," he graduated from the University of North Georgia with honors in 1959. He later enlisted in the U.S. Army, serving as an officer for 12 years before returning home to manage the Gainesville Parks and Recreation Department.

The children in the community were the ones who inspired him to participate in the local sports scene. He proudly announced games from the loud speaker because he wanted each player to hear his or her name called and understand how special they are.

Walt's memory will endure in the hearts of Gainesville residents. I stand with many others today to mourn the loss of this legend, and I ask us all to remember the Snelling family in the weeks ahead.
