

Without this bill, the IRS has administered the VITA grant program narrowly, restricting grantees' ability to use grant funds to hire experts to train volunteers and perform quality reviews as well as to serve as Certified Acceptance Agents.

As a result, few VITA grantees assist low income self-employed taxpayers who file as pass-throughs, or low income taxpayers with disaster losses.

Moreover, few VITA grantees are open year-round or assist taxpayers in preparing amended returns.

This bill will lead to a stronger VITA program that is able to help many more low-income Americans navigate the tax filing process.

I applaud the sponsors of this bill, Representatives CARLOS CURBELO and DANNY DAVIS for working together on this long overdue legislation.

As a cosponsor of H.R. 2901, I urge all my colleagues to vote yes on this sensible bill.

IN RECOGNITION OF BRAMBLETON MIDDLE SCHOOL'S INAUGURAL YEAR

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 17, 2018

Mrs. COMSTOCK. Mr. Speaker, I rise today to recognize Brambleton Middle School in Ashburn, Virginia as they celebrate their inaugural year with a Day on Capitol Hill.

Since its opening in August 2017, Principal Renee Dawson and the entire faculty and staff has worked tirelessly to ensure the high quality of education to students from every background and creed.

Brambleton Middle School upholds the mission to empower all students to make meaningful contributions to the world. Built on the acronym, C.L.I.M.B., Brambleton faculty and staff work to Create, Lead, Inspire, Motivate, and Believe in the power of diversity to foster a community of excellence. In thanks to this dedicated faculty and staff, Brambleton Middle School students are achieving remarkable things in the classroom while also expanding their horizons through extracurricular activities including VEX robotics and the Civil War History Book club. The Eighth Grade recently organized a kindness brigade, putting out Random Acts of Kindness Magnets around the school. Coming from a family of educators, I understand the impact that teachers and other school staff can have on our children. With that in mind, I am proud of the faculty and staff at Brambleton Middle School who foster personal and educational growth through their approachable and collaborative methodology inside and out of the classroom. Principal Dawson has been passionate about building a cohesive path for her students with the philosophy that it takes a community to raise children, and together as a school, we will be that positive impact in our community. Before the first day of school, Principal Dawson invited all sixth-graders to write her a letter asking for feedback on their individual learning experiences. From this letter-writing campaign, Principal Dawson and the Brambleton Middle School community formed the BAM Ambassadors, a group of 30 kids selected to serve the community as school leaders. By soliciting suggestions and forming the BAM Ambassadors, Principal Dawson and the Brambleton Middle School leadership team set a foundation for the school as it continues to grow.

The hard work these students put towards their academics and their unwavering commitment to civic engagement is inspiring. I hope their curiosity and tenacity persists in future endeavors, and they continue to make a difference.

Mr. Speaker, I ask that my colleagues join me in recognizing Brambleton Middle School's inaugural year, and I wish each student many more successes as they continue their education.
