

the award criteria, students design a musical instrument, predict the frequency the instrument will play, and then measure the actual frequency using an iPad. Sheri Caine's impact on her students goes beyond the classroom with her dedication to after-school tutoring and the school's volleyball program.

Ms. Caine's background in research has undoubtedly contributed to her success in the classroom. While she is currently pursuing a Ph.D. in Global STEM Education at Texas Tech University, she spent her previous summers working at Argonne National Laboratory. After being diagnosed with thyroid cancer, Ms. Caine contributed to the advancement of cancer treatment by agreeing to undergo a minimally invasive procedure known as transoral thyroidectomy. After learning that the University of Chicago was looking to be the first pioneer of this treatment in the Midwest, Ms. Caine eagerly volunteered. Her bravery and commitment to science proved successful as she is now cancer free.

I ask my colleagues to join me in recognizing Ms. Sheri Caine on this award and on the accolades she has received throughout her career. Richards High School is fortunate to have such an exceptional teacher on staff and I wish her the best as she continues teaching and inspiring students.

CONGRATULATING J. GARY PENNETT UPON HIS RETIREMENT FROM THE MISSILE DEFENSE AGENCY

HON. TULSI GABBARD

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 18, 2018

Ms. GABBARD. Mr. Speaker, from the very first day at the U.S. Air Force Academy and throughout one's service in the U.S. Air Force, you learn about how to live the Air Force values: integrity first, service before self, and strive for excellence. J. Gary Pennett did his best to live these values, and has gone above and beyond in answering the call to serve throughout his more than four decades of military and public service.

Throughout his life, J. Gary Pennett has served in the United States Air Force, in the Department of Defense, and in his current role at the Missile Defense Agency. As Director of Operations at the Missile Defense Agency, Pennett utilized his people-first approach as the chief architect of recruiting, hiring a diverse, professional, and highly-skilled workforce. Even in the face of extreme budget uncertainty, government furloughs, shutdowns, and declining budgets, Pennett has found opportunity and success in the most trying circumstances—ensuring that his Agency delivers on its promise to defend our nation.

I thank Mr. J. Gary Pennett for his service to the people of Hawai'i and our country, and congratulate him as he closes this chapter in his career of service performed to the highest standards. We wish him well as he begins the next. Aloha.

TRIBUTE TO MICHAEL J. ASELAGE, FORT LORAMIE COMMUNITY FIRE COMPANY

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 18, 2018

Mr. JORDAN. Mr. Speaker, I am honored to commend to the House the memory of Firefighter Michael J. Aselage of the Fort Loramie Community Fire Company, who was killed in the line of duty on April 2, 1975.

Michael Aselage was born in 1950, the son of Bernard and Elizabeth Aselage. Upon graduating from Fort Loramie High School, he entered the United States Coast Guard, where he served for four years. In late 1974, following in the footsteps of his father, he joined the Fort Loramie Community Fire Company.

On April 2, 1975, Michael noticed a downed electric pole and wire lying across a portion of Ohio State Route 705. He immediately went to a nearby house to call the Shelby County Sheriff's Office for assistance. He then went back to the site of the downed wire to direct traffic around the hazard. He was killed when the door of his vehicle came into contact with the wire.

This Sunday, a portion of State Route 705 in Shelby County will be renamed and dedicated in Michael's honor. On behalf of the people of Ohio's Fourth Congressional District, I offer my condolences to the family and friends of Michael J. Aselage as they gather to celebrate his selfless service. I am grateful to the members of the Fort Loramie Community Fire Company for pursuing this honor in tribute to their fallen comrade.
