PAYING TRIBUTE TO DR. ALAN
GOODWIN, PRINCIPAL OF WALT
WHITMAN HIGH SCHOOL, BE-
THESDA, MARYLAND, ON HIS RE-
TIREMENT

HON. JAMIE RASKIN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. RASKIN. Mr. Speaker, I rise today to honor an outstanding educator and beloved community leader, Dr. Alan Goodwin. Dr. Goodwin currently serves as Principal of Walt

Whitman High School in Bethesda, Maryland, and is retiring after 43 years in the Montgomery County Public School System (MCPS). The people of Maryland's 8th district, especially those who live within the Walt Whitman community, will be forever grateful for Dr. Goodwin's great contributions and steadfast commitment to our students and to our community.

Dr. Goodwin began his career as an English teacher in 1975 and was immediately recognized for his ability to inspire students to challenge complacency and apathy and take charge of their own destinies. He was nominated for the prestigious Outstanding Teacher Award and led dozens of his colleagues as head of the English Department. Since leaving the classroom, Dr. Goodwin served MCPS as an assistant principal, a middle school principal, and finally principal of one of the top rated high schools in the United States, Walt Whitman, a school which honors its namesake with creativity, compassion and hard work.

Principal Goodwin has been an instrumental force in creating positive changes in the school district, thereby bringing out the very best in our students. Holding a Ph.D. in Curriculum and Instruction and possessing decades of experience as an educator and administrator, Dr. Goodwin waved off higher administrative posts where he could have worked less and made more. Instead, he opted to stay in a role where he could maintain day-to-day interaction with his students, or as he refers to them, his "kids," stating, "they make a difference for me every day."

Principal Goodwin's unwavering dedication to his students and to his excellent teaching staff is legendary, and has resulted in multiple nominations by Bethesda Magazine as the "Best Public High School Principal."

Dr. Goodwin has seen tremendous triumphs for the Whitman community. Walt Whitman High School was routinely listed by U.S. World News and Report as one of the top high schools in the nation throughout Dr. Goodwin's tenure.

He has also led the school through difficult times, helping students, staff and community weather devastating losses and tragedies that have shaken the Viking community. Recognizing the resiliency of the community, the Whitman baseball program has dedicated its 2018 season to "Whitman Strong," a rallying cry used to bolster the school community in the wake of terrible events resulting in the loss of two students this past fall.

On the occasion of Walt Whitman High School's 2018 Baseball Program Community Night, I am honored to join Vikings Head Coach Joe Cassidy and the entire school community in paying loving tribute to Dr. Goodwin for his years of service and his profoundly passionate dedication and commitment to the students of Walt Whitman High School.

FRENCH-AMERICAN RELATIONS

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. POE of Texas. Mr. Speaker, as President Emmanuel Macron continues his visit to the United States, I would like to acknowledge the shared sacrifice of his nation and ours during the First World War.

President Macron graciously brought with him a sapling from the Belleau Wood, the site of the first battle in World War I where American generals commanded troops in the field. The American forces overwhelmed their adversaries and helped the Allied forces win the day. The U.S. Marines were the toast of Paris, having provided a key spark to the Allied maneuvers in the battle. The nickname they gained from their actions in battle, "Teufelhunde" or "Devil Dogs," lives on today.

Some Americans were already in France, voluntarily joining the fight to defend France and her allies. Thirty-eight American pilots formed the Lafayette Escadrille, a squadron of the French air service that saw action at the Battle of Verdun and other notable engagements of the war, and more than 200 additional Americans served in other French squadrons. Informally referred to collectively as the La Fayette Flying Corps, these American aviators voluntarily served the French people in the same spirit as the Marquis de Lafayette did for the 13 colonies in the Revolution. Many of these pilots were not much older than the 19-year-old Lafayette when he first landed on American soil yet still made a significant contribution to the defense of France in World War I.

Mr. Speaker, the United States and France have risen to each other's defense throughout history because we share the values of liberty and freedom, and we will continue to stand by our French allies in promoting these values at home and around the world.

And that's just the way it is.

CONGRATULATING ADIRONDACK WINERY ON ITS 10TH ANNIVERSARY

HON. ELISE M. STEFANK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. STEFANK. Mr. Speaker, I rise today to honor and recognize Adirondack Winery on its 10th anniversary.

Adirondack Winery has been a staple attraction of Warren County since it opened in 2008, when owners Mike and Sasha Pardy moved back to the area to open Warren County's first and only winery in Lake George. The married couple created a unique micro-winery, making wine in the back of their store from grapes sourced from multiple outside vineyards, a model that has proven its success. The winery started with only the Pardys and three part-time workers, and over the past 10 years has grown to approximately 40 employees. Adirondack Winery moved its winemaking headquarters to Queensbury and in addition to its original Lake George Tasting Room, opened a second Tasting Room in Bolton Landing.

Adirondack Winery is truly loved by Warren County residents, visitors, and many across the country. They produce 17,000 cases of wine annually, and now ship to 35 states. It is easy to see why Adirondack Winery has gained such popularity. Adirondack Winery embraces and celebrates the North Country's beauty and is known for its trademark fruit-infused wines, diverse wine selection, and beautiful photography of the Adirondacks on its labels. Not surprisingly, Adirondack Winery has won more than 180 medals at competitions as well as TripAdvisor Certificates of Excellence and awards voted on by local residents.

On behalf of New York's 21st District, I want to congratulate Adirondack Winery on its 10th anniversary. Adirondack Winery exemplifies the North Country determination and spirit, and I look forward to watching the Pardy family business continue to flourish in the years to come.

SAMUEL SCHWARTZ—WWII VETERAN

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. POE of Texas. Mr. Speaker, there is an old saying, good friends are God's way of taking care of us. Samuel Schwartz, a veteran of

the Second World War knew this was true of his good friend, James Linton.

On April 2, 2018, Sam died at the age of 94. Full of laughter and stories from the past, James knew that Sam's time was coming to an end. Sam had no living family members when he died, and James knew he couldn't let his friend take his final breaths alone. Sitting with Sam through his final days, James provided good company, even holding his hand when he took his final breath.

Samuel was an accomplished man, both in the service and in his long career in business. He enlisted in the Marine Corps one year after Pearl Harbor, and served as part of the American Invasion Force, taking part in the invasion and defense of four islands in the Pacific. He rose to the rank of Technical Sergeant, but perhaps his most significant accomplishment in the Marine Corps was meeting Elaine Hinrichs, a member of the Marine Corps Women's Reserve who would become his bride of 60 years before her passing in 2009.

Sam went on to have a 20-year career with Ardan's Catalog Showrooms, eventually leaving as the company's Chief Executive Officer. He later served as president for Whitmark Catalog Showrooms and the Zondervan Company's Bible publishing consumer group, where he landed motivated by his lifelong Christian faith. Above all, he was a caring friend and a faithful husband.

With no living family, James feared that Sam's funeral would be sparsely attended. Such a funeral simply would not properly honor Sam's life and legacy. Thus, he sent out an open invitation, hoping that a handful of others would attend.

In the following days, several groups and individuals answered James' call. Several veterans groups, including the local American Legion Post and the Veterans of Foreign Wars attended the funeral at Graceland Cemetery in Grand Rapids, Michigan. Members of the Patriot Guard Riders provided a line of American flags for Sam's casket to be carried through, and members of the Kent County Veterans Honor Guard performed the three-volley salute.

Several active duty servicemen from multiple branches attended, including two Marines who presented a folded flag to James. Dozens of strangers, having seen James' message, also showed up to pay their respects to the World War II Marine Corps veteran.

Our World War II veterans represent the greatest generation. In the words of President Harry S. Truman, "Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices." James Linton made sure his friend's sacrifice for this country would not go unnoticed. Samuel Schwartz and James Linton demonstrate the true meaning of friendship.

And that's just the way it is.

INNOVATORS TO ENTREPRENEURS ACT OF 2018

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 24, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 5086, the "Innovators to Entrepreneurs Act." Congressman LIPINSKI's legislation makes crucial investments in business literacy by requiring the Director of the National Science Foundation (NSF) to develop an I-Corps course to support commercialization-ready innovation companies.

The I-Corps program helps scientists and engineers to extend their focus beyond the

university laboratory and accelerates the economic and societal benefits of NSF-funded basic-research projects that are ready to move toward commercialization. Once a team completes an I-Corp course and wants to introduce their product to the markets, they're left to form and develop a business plan without any prior training or knowledge. However, not all scientists and engineers have the proper educational background to create and run a successful business and many fail in the early stages. In response, the NSF created "I-Corp Go" to teach business skills that are essential and fundamental to a company's success. After the program's initial success, H.R. 5086 was introduced to make it a permanent addition to the I-Corp program.

As a representative of Atlanta, a place where hundreds of small businesses seek to compete with large corporations, this legislation is near and dear to my heart. H.R. 5086 will provide constituents in my district and new innovators with access to high quality educational opportunities and I support this legislation.

CAPTAIN TAMMIE JO SHULTS

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. POE of Texas. Mr. Speaker, New Mexico High School senior Tammie Jo Shults dreamed of becoming a pilot. As a child, she had watched planes from nearby Holloman Air Force Base practice combat maneuvers in the sky above the ranch where she grew up. Her dream motivated her to attend a lecture on her high school's career day put on by a retired military pilot.

The only obstacle to fulfilling her dream, however, was not her lack of ability but, rather, her gender. Upon entering the room, the retired colonel asked her if she was lost. When she replied that she was there because she was interested in flying, he informed her that there were no professional pilots.

After college, this hurdle manifested itself again and again, as Shults found herself denied from joining the Air Force as a pilot, even though her brother was accepted. She finally broke into the Navy, but as a woman, she was not allowed to fly combat missions.

Nevertheless, Shults's persistence paid off, becoming one of the first women to fly the F/A-18 Hornet, the Navy's premier strike aircraft at the time. She rose to the rank of Lieutenant Commander before retiring. She helped prepare Naval aviators for Operation Desert Storm by flying training missions as an enemy aircraft.

All of these accomplishments and her stellar career as a commercial pilot for Texas-based Southwest Airlines distinguish her as a one of Americas best, but her actions as pilot of Flight 1380 from New York to Dallas have made her a household name.

Shortly after takeoff, the engine on the left side of Shults's aircraft exploded, and shrapnel broke through one of the plane's windows, causing the cabin to abruptly depressurize. Panic ensued on board, as one passenger was partially sucked out of the aircraft, but Shults remained cool and collected.

She informed air traffic control of the plane's situation, and when asked about the engine,

she matter-of-factly replied, "No it's not on fire, but some of its missing. They said there's a hole, and uh, someone went out." Mr. Speaker, try saying that without trembling.

Shults made an emergency landing in Philadelphia, and while one passenger sadly died from the injuries sustained in the accident, the other passengers and crew members exited the aircraft on the ground unharmed.

Mr. Speaker, Shults and her crew saved 148 lives. Women like Shults are exemplary examples of Americas veterans, always answering the call to duty and service. If there's anyone that we want in the cockpit during a crisis, it's Tammie Jo Shults.

And that's just the way it is.

COMMEMORATING THE 60TH ANNIVERSARY OF THE NORTH AMERICAN AEROSPACE DEFENSE COMMAND

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. LAMBORN. Mr. Speaker, two thousand eighteen marks the 60th anniversary of the creation of the North American Aerospace Defense Command, commonly referred to as "NORAD." The United States and Canada, bound together by our history, our values, our economy, our environment, and our resolve to improve the lives of our citizens, have long enjoyed a close relationship that has allowed for continuous collaboration building a prosperous future for the people of both countries. The United States and Canada have stood shoulder to shoulder in defense of security for more than 100 years, as partners and allies in World War I, World War II, the Korean War, throughout the Cold War, in Afghanistan, and as part of the Global Coalition against Daesh; working together to advance our shared values.

As indispensable allies in the defense of North America, on May 12, 1958, the United States and Canada signed an official agreement creating the bi-national North American Aerospace Defense Command and formally acknowledged the mutual commitment of both countries to defend their citizens from air domain attacks. This cooperation is an important element of United States and Canadian contributions to the collective defense provided by the members of the North Atlantic Treaty Organization.

The North American Aerospace Defense Command enjoys a unique status as the only fully integrated bi-national military command. The North American Aerospace Defense Command is headquartered at Peterson Air Force Base, Colorado Springs, Colorado, with three subordinate region headquarters located at Elmendorf Air Force Base, Alaska, for the Alaskan NORAD Region (ANR); Tyndall Air Force Base, Florida, for the Continental NORAD Region (CONR); and Canadian Forces Base Winnipeg, Manitoba, for the Canadian NORAD Region (CANR), along with three subordinate sector command centers at Joint Base Lewis-McChord, Washington, for the Western Air Defense Sector (WADS); Rome, New York, for the Eastern Air Defense Sector (EADS); and Canadian Forces Base North Bay, Ontario, for the Canadian Air Defense Sector (CADS).

The missions of the North American Aerospace Defense Command are to provide aerospace warning, aerospace control, and maritime warning to defend North America. The North American Aerospace Defense Command and the United States Northern Command current operations center is connected to a worldwide system of sensors that provides the Commander of the North American Aerospace Defense Command with a common operating picture of aerospace and maritime threats.

The Cheyenne Mountain Air Force Station hosts the Alternate Command Center for the North American Aerospace Defense Command and United States Northern Command. The Commander of the North American Aerospace Defense Command provides integrated tactical warning and attack assessments to the Government of the United States and the Government of Canada.

The North American Aerospace Defense Command uses a network of space-based and ground-based sensors; airborne radars, fighters, and helicopters; and ground-based air defense systems to detect, intercept, and, if necessary, engage air domain threats to North America.

The May 2006 renewal of the North American Aerospace Defense Command Agreement added a maritime warning mission to the slate of responsibilities of the Command, which entails a shared awareness and understanding of the ongoing activities conducted in United States and Canadian maritime approaches, maritime areas, and inland waterways.

The North American Aerospace Defense Command provides continuous surveillance and defense of North American airspace from further airborne aggression or attack, as occurred on September 11, 2001, through the ongoing Operation NOBLE EAGLE mission. The North American Aerospace Defense Command will continue to evolve to address the ever-changing nature of the threats to North America and adapt to future shared security interests.

The outstanding service of United States and Canadian service members from Active Duty and Reserve Component forces and civilians serving at the North American Aerospace Defense Command is central to the ability of North America to confront and successfully defeat aerospace threats of the 21st century. The continuation of this successful relationship between the United States and Canada through the North American Aerospace Defense Command is paramount to the future security of the people of the United States and Canada.

Today, we therefore recognize the contributions made by the North American Aerospace Defense Command to the security of North America, commemorating 60 years of excellence and distinctive service by the men and women of the North American Aerospace Defense Command, reaffirming the critical missions of the North American Aerospace Defense Command headquartered at Peterson Air Force Base, Colorado Springs, Colorado, and supporting the role of the North American Aerospace Defense Command in providing bi-national defense of the United States and Canada in the 21st century.

RECOGNIZING HAROLD BLATTIE

HON. GREG GIANFORTE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. GIANFORTE. Mr. Speaker, I rise today to recognize Harold Blattie, the executive director of the Montana Association of Counties. After more than 15 years serving MACo and more than 40 years as a public servant, Harold Blattie will retire in May.

Mr. Blattie's public service has crossed the paths of many Montanans. In 1975, he was elected to serve on the local school board which he did until 1995. He also served his community as a volunteer firefighter, in local organizations, and on the board of the local electric cooperative.

Mr. Blattie became involved with MACo in 1995 as a commissioner in Stillwater County. He began serving as MACo's assistant director in 2002, and three years later, became executive director. Throughout his time with MACo, Mr. Blattie has been an ardent advocate of the association's goals and vision.

Under his leadership, the organization has grown its staff from 10 to 40. MACo is strong, diverse, capable, and influential. Harold Blattie may have lost a lot of sleep along the way, but he has inspired generations of Montanans committed to serving their communities.

Today, I honor Harold Blattie for his dedication to public service and his tireless defense of our Montana way of life.

HONORING MRS. GLORIA DURAN

HON. LINDA T. SÁNCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. SÁNCHEZ. Mr. Speaker, I rise today to honor the life of a champion for children, education, and the LGBTQ community from my Southern California district. Mrs. Gloria Duran passed away March 12, 2018 at the age of 80 after a lifetime of service to the local area. Gloria grew up in Silver City, New Mexico until moving to California. She ultimately made Santa Fe Springs, California per home. Ms. Duran began her career in education as a secretary at Los Nietos Middle School and committed her life to the betterment of the education system, serving as a member of the Los Nietos School Board for 16 years, with unending verve and dedication.

Ms. Duran was a dynamic, energetic woman who fought with passion for the children and seniors she served. Her activism and drive led her from den mother to Chair of the Santa Fe Springs senior citizens advisory committee and membership in the Los Angeles County Commission for Older Adults. She went to great heights, quite literally, to raise money for HIV/AIDS research by jumping out of a plane while in her sixties with her son John Duran. There was no mountain too high for Gloria to climb if it meant making her community a better place.

Gloria Duran was a shining example of what dedicated people can do for their community. While I know the pain of losing such a strong leader will run deep, I hope her family and friends will be comforted by the outpouring of love and fond memories of Gloria's lifetime of service. May her legacy live on and inspire others to serve.

TRIBUTE TO STATE REPRESENTATIVE KATHY RICHARDSON FOR HER SERVICE TO INDIANA

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor the retirement of Kathy

Richardson from the Indiana State House of Representatives after 25 years. For more than two decades, Representative Richardson served her constituents in Indiana's 29th district with distinction. On behalf of Indiana's Fifth District, we are forever grateful for her contributions to our community and the State of Indiana.

Representative Kathy Richardson is a life-long Hoosier. Born and raised in Hamilton County, Kathy graduated from Noblesville High School in 1974. She began her career in public service working in the Hamilton County Clerk's office filing traffic tickets at the age of 19. She eventually worked her way up to Deputy Clerk, and was elected Hamilton County Clerk in 1982. In 1992, when few women ran for state offices, Richardson was successfully elected to the Indiana State House, representing the 29th district. Kathy continued to work with the Hamilton County Clerk's Office as the Election Administrator for Hamilton County. While serving as Indiana's 29th Representative, Kathy has continued her service with the Clerk's Office.

A born leader, Kathy has stood out among her peers. During her time in the Indiana General Assembly, she served as an elected member of the House Republican leadership. Kathy broke barriers as Republican Caucus Chair, becoming the first woman in Indiana's history to serve in an elected caucus leadership. As Caucus Chair, Kathy guided members and staff in making legislative decisions, while spearheading caucus meetings. Kathy also served on the Elections and Apportionment and Legislative Council, where her years of experience and knowledge brought a high degree of leadership and success.

Kathy's leadership created long lasting, positive change in the State of Indiana. During her tenure, Kathy partnered with Governors Mitch Daniels, Mike Pence, and Eric Holcomb to deliver balanced budgets, lower taxes, and bring jobs to the state. In 2011, Kathy was influential in drawing new redistricting maps for the Indiana House, Senate, and Congressional Districts to reflect the changes in Census data. As a prominent member of the House Elections Committee, Kathy was a crucial contributor to several of Indiana's election reform initiatives. Her guidance and no-nonsense leadership style throughout the process was instrumental in its passage. Kathy was influential in the creation of the Hamilton County Youth Assistance program in Westfield, which works with youth who are at risk prior to entering the courts system. Due to her leadership, and the program's success, it is now being replicated in other communities around the State of Indiana.

Kathy's lifetime of service to her community has been invaluable not only to her district but to the entire state of Indiana. Thanks to work on the economy and job creation, Indiana continues to be a great place to live and do business. Kathy's hard work and invaluable leadership helped make the Indiana General Assembly successful for so many years. On behalf of all Hoosiers, I wish to extend a heartfelt thank you to Representative Richardson for her lifetime of service. I wish the very best to Kathy, her husband Perry Williams as well as the rest of her family as she moves into the next phase of her career in public service.

RECOGNIZING BAY COUNTY JAIL ASSISTANT WARDEN FRANK OWENS ON HIS RETIREMENT

HON. NEAL P. DUNN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. DUNN. Mr. Speaker, I rise today to recognize the Assistant Warden of the Bay County Jail, Frank Owens and congratulate him on the occasion of his retirement. Assistant Warden Owens began his career in law enforcement in 1968, but his love and respect for law enforcement began many years before that. Over the years he has worked in Tallahassee and Georgia, before choosing to settle down in Bay County in 2006.

Mr. Owens dedicated his life to law enforcement—50 years to be exact—it's what makes him happy. Every day he wakes up, he is excited to go to work. For Frank Owens, serving in law enforcement was never just a job, it was a calling.

Mr. Speaker, please join me in saying thank you to the Assistant Warden of the Bay County Jail, Frank Owens and his family, for their years of service and sacrifice, and wish them luck as they move on to enjoy a new chapter in life.

HONORING THE SERVICE OF NANCY KENYON

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. HUFFMAN. Mr. Speaker, I rise today in recognition of Nancy Kenyon for her stellar leadership and exemplary public service as the founder and former executive director of Fair Housing of Marin, which is now Fair Housing of Northern California.

In 1963, Ms. Kenyon joined the Fair Housing Council of Northern New Jersey, where she served for 12 years and rose to the rank of Housing Director. During this period, she led a number of initiatives, including the creation of a funding stream by U.S. Department of Housing and Urban Development to support efforts by fair housing organizations to end discriminatory housing practices, now known as the Fair Housing Initiative Program. She also supervised housing projects for the Ford Foundation and served as a training consultant for the States of New York and New Jersey.

In 1979, she moved to California to assume the position of Researcher of the Special Contribution Fund of the San Francisco Chapter of The National Association for the Advancement of Colored People (NAACP). Her research in this role helped the NAACP to successfully argue that the San Francisco Unified School District violated federal law in its maintenance and creation of a racial segregated school system, and she helped establish a citywide lottery affording every child regardless of race, color, national origin, or class the right to attend the most prestigious schools in the district.

In 1984, Ms. Kenyon returned to her roots in enforcing fair housing laws and founded Fair Housing of Marin, where she would serve

as Executive Director until her retirement in 2012. Under her leadership, Fair Housing of Marin grew from two part-time staff operating in a spare bedroom to a staff of 10 serving communities in Marin, Sonoma and Solano Counties.

Ms. Kenyon's quest for fair housing has also been expressed in several published articles she authored, and her powerful advocacy has been recognized with numerous awards, most notably the 2005 National Pioneer of Fair Housing Award, and the Human Rights Award from the United Nations Association in Northwest Bergen County, New Jersey.

Mr. Speaker, Ms. Kenyon is a respected leader and dedicated champion for equity. Please join me in expressing my deep appreciation and praise for her national leadership as Fair Housing of Northern California honors her as part of a celebration of the 50th anniversary of the Fair Housing Act.

JUSTICE FOR UNCOMPENSATED SURVIVORS TODAY (JUST) ACT OF 2017

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 24, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of S. 447, the Justice for Uncompensated Survivor Today (JUST) Act of 2017.

This legislation directs the Department of State to report annually on progress certain European states have made to restore land and possessions stolen during the Holocaust, with the intent of encouraging justice worldwide for Holocaust victims.

Eight years ago, forty-six countries vowed in the Terezin Declaration on Holocaust Era Assets and Related Issues to facilitate the return of property and possessions stolen from Holocaust Victims. Regrettably, not every country has expediently honored their promises to support the restoration of stolen items and address the claims of survivors. This bipartisan legislation will use the United States' considerable international influence to encourage all participating states to create and implement policies that will quickly restore the possessions that were taken from the Jewish citizens of Europe.

The victims of the Holocaust experienced immeasurable and unimaginable suffering, and I am committed to providing all possible assistance in restoring what was stolen from them. S. 447 is an excellent tool to ensure the process of returning items and property is more efficient and it encourages all members of the Terezin Declaration to act with the urgency they agreed to eight years ago.

CELEBRATING THE OPENING OF M.S. CHADHA CENTER FOR GLOBAL INDIA

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. KRISHNAMOORTHY. Mr. Speaker, I rise today to celebrate the opening of the M.S. Chadha Center for Global India at Princeton University. A welcome and timely addition to a world-class university, the M.S. Chadha Center will bring together scholars and students from all backgrounds to explore and understand the complex social and political forces that shape modern India.

With a population of 1.3 billion people, a vibrant and dynamic economy, a rich culture, and home to the world's largest democracy, it is no surprise that India exerts a powerful influence on world affairs. However, there is a dearth of scholarship dedicated to exploring the intricate history and traditions that inform contemporary Indian culture. Princeton University, with its long tradition of rigorous academic research and scholarship, is the perfect setting for a center dedicated to illuminating

the amazing transformation of the Indian sub-continent from an agricultural-based economy to a leader in global innovation, information technology, design, and manufacturing.

The M.S. Chadha Center for Global India was made possible in large part by a gift from the Princeton Class of 1993, spearheaded by Princeton alumnus Sumir Chadha. The center is named after Mr. Chadha's grandfather, a renowned physician and former Director General of Health Services in India. I would also like to take this opportunity to salute the other sponsors of this project for recognizing its importance, and for supporting it.

I will be traveling to Princeton University this weekend to attend the grand opening of the M.S. Chadha Center for Global India, and congratulate the generous men and women whose efforts contributed to the launch of this new and exciting endeavor at Princeton. I look forward to attending the ceremony, and salute the university's faculty, administration and board of trustees for their dedication to cultivating a deeper understanding of the Indian contribution to our world, and to our national mosaic of cultures and ideas.

CELEBRATING THE 120TH ANNIVERSARY OF ROSWELL PARK COMPREHENSIVE CANCER CENTER

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. HIGGINS of New York. Mr. Speaker, I rise today to recognize the celebration of the Roswell Park Comprehensive Cancer Center's 120th Anniversary. A time capsule will be buried on April 25, 2018 to commemorate this momentous occasion at Roswell Park's campus in Buffalo, New York. The capsule will remain sealed until the year 2118.

Included in this time capsule along with contributions from many others from the Western New York community will be a copy of this extension of remarks presented alongside a speech I delivered on the Floor of the House of Representatives last week calling for the continuation of Roswell Park's distinguished standing as a National Cancer Institute designated comprehensive cancer center.

Doctor Roswell Park gave the world cancer research when he opened as the first dedicated cancer center in 1898, and this esteemed facility has been contributing to our understanding of cancer and pioneering treatments ever since.

For 120 years Roswell Park has been recognized nationally for its groundbreaking work in the fight against cancer. That same confidence is felt by people here in Western New York who walk through those doors every day knowing that Roswell Park is the home of compassionate cancer experts who care for those afflicted with cancer.

Roswell Park gave the world the first pre-clinical chemotherapy program, the prostate-specific antigen test, and it is collaborating today with Cuba on a promising new lung cancer vaccine. New clinical trials to treat metastatic breast cancer and immunotherapy are occurring there today.

Today's discoveries provide great hope for the future of cancer prevention and treatment. While it is uncertain what cancer care will look like 100 years from now, it is certain that Roswell Park Comprehensive Cancer Center will be leading the way.

Mr. Speaker, I thank you for allowing me this time to recognize the great influence that Roswell Park Comprehensive Cancer Center has had not only in the great city of Buffalo, but throughout the nation. It is an honor to celebrate this anniversary today.

CELEBRATING THE BIRTHDAYS OF
GEORGE A. VALLONE AND MARY
"DIXIE" VALLONE

HON. JOSH GOTTHEIMER

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. GOTTHEIMER. Mr. Speaker, I rise today to celebrate two very special birthdays in North Jersey, George A. Vallone and Mary "Dixie" Vallone.

George A. Vallone, who was born on June 18, 1920, is a World War II Army veteran who served in an anti-tank division in North Africa. Later, George served in Rome as a Technical Sergeant working for the Allied Theater Commander. After returning home from the war, George continued to serve his community as the Co-Chair of the New Jersey Citizens for Property Tax Reform and as the President of the Sussex County Senior Citizens Presidential Council. George's work to better the country he loves so dearly is a testament to his patriotism. I ask my colleagues to join me in recognizing George's selfless sacrifices.

Additionally, Mary "Dixie" Vallone, who was born on March 8, 1929, has been an active member in the Sussex County community for decades. Mary is an award-winning crafter, winning several Blue-Ribbon awards at our local Sussex County Fairs. Mary has been a devoted wife and mother for nearly seventy years. Residents like Mary are what makes North Jersey such a special place to live.

George and Mary, happy birthday. I wish you both good health and happiness for years to come.

HONORING THE 50TH ANNIVERSARY OF THE OAKLAND ATHLETICS

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. LEE. Mr. Speaker, I rise today to celebrate the 50th anniversary of the establishment of the Oakland Athletics baseball team.

While the team's history extends back all the way to 1901, when it was founded in Philadelphia as one of the charter baseball clubs of the new "American League", this year marks 50 years since the team recognized the potential of Oakland and the East Bay, and moved west in 1968.

That year on April 17th, the team played its first game in front of more than 50,000 fans at

the Oakland Coliseum, and quickly put together a championship dynasty. Led by Hall of Famers Reggie Jackson, Catfish Hunter, and Rollie Fingers, the "A's" became World Series champions during three consecutive years: 1972, 1973, and 1974.

During the 1980's, beginning with manager Billy Martin's "Billyball" system, the A's found new success and developed stars such as hometown heroes Ricky Henderson and Dave Stewart, and Dennis Eckersley. In 1989, the A's won the "Battle of the Bay" World Series in a four-game sweep against the San Francisco Giants. Game 3 of that series was interrupted by the Loma Prieta earthquake—which claimed the lives of 39 people in Oakland and caused the series to be delayed for 10 days while both cities recovered.

Breaking tradition, the A's decided against a victory parade out of respect for those impacted by the earthquake.

Following an ownership change in the 1990's and the team's decision to hire the legendary Billy Beane as General Manager, Beane instituted a system now known as "Moneyball" to find undervalued talent in order to field competitive teams. Beane's approach was revolutionary, and led to the A's outperforming expectations against better funded opponents.

During this period, the team won multiple American League West division titles, and set the then-American League record for the most consecutive victories in 2002 when the A's completed "the Streak" by winning 20 games in a row. This era was led by the "Big Three" pitchers: Tim Lincecum, Mark Mulder, and Barry Zito, and hitters Miguel Tejada and Eric Chavez.

The Oakland Athletics have an impressive history of outstanding players, including Hall of Fame inductees, such as: Rickey Henderson, the greatest leadoff hitter in baseball history; Jim "Catfish" Hunter, an eight time all-star and five time World Series champion; Rollie Fingers, a seven-time all-star and one of the first modern "closers"; Dennis Eckersley, one of the most dominant relievers in history, and Reggie Jackson a six-time all-star selectee, World Series Most Valuable Player (MVP), and three-time World Series champion.

In addition to the team's on-field success, the Athletics have made an impact on the community they represent. Throughout the years, the Oakland A's Community fund has made it their mission to serve the East Bay community by promoting educational programs, health awareness, and crime and drug prevention. The team has also provided sorely needed athletic fields to Oakland's kids, and held the annual Community Fund Golf Classic for the past 35 years, the annual Root Beer Float Day, and the annual Breast Awareness Day to raise funds for the American Cancer Society and the Cancer Prevention Institute of California.

I commend the A's for being a valuable part of our Oakland community these past fifty years. I extend my congratulations on this important milestone to all managers, players, staff, and fans who have contributed to the team's rich legacy, and I wish the Oakland Athletics continued success on and off the field in the years to come.

REMEMBERING DEBRA KING

HON. DAVID E. PRICE

OF NORTH CAROLINA
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. PRICE of North Carolina. Mr. Speaker, I rise today to honor the life and work of Debra King, the chief executive of Community Alternatives for Supportive Abodes—known simply as “CASA”—a nonprofit that has developed housing for thousands in the Triangle counties in North Carolina. Debra died on April 14. My staff joins me in this Tribute, for we have long admired and supported her work to ensure decent housing for some of the most vulnerable people in our community.

Born and raised on a small farm in Beulaville, North Carolina in 1959, Debra was the first in her family to earn a college degree, majoring in journalism at The University of North Carolina at Chapel Hill. Following graduation, she settled in Raleigh, where she began work as a medical transcriptionist. She soon transitioned into what would become a lifelong passion for non-profit work, beginning as a grant writer for Orange-Person-Chatham Mental Health. One of the first grants she landed was for a housing project to support individuals with mental illnesses, a project that set her on course as a champion for affordable housing.

Soon after, the Wake County Area Mental Health Program launched CASA, seeking to secure housing for people with disabilities and mental health challenges. In 1995, CASA asked Debra to serve as its Director and CEO, overseeing 15 apartments with one other staff member.

CASA’s housing model was unique and far-sighted for its time. Rather than housing people with illnesses in group homes or transitional housing, the organization provided permanent, safe, and affordable units with access to public transportation and supportive services as needed. Through 22 years of remarkable social entrepreneurship, Debra helped the non-profit grow to a staff of 27, managing nearly 500 units in Wake, Durham, and Orange counties.

Debra’s years at CASA coincided with most of my years working on affordable housing on the House Appropriations Committee. She was masterful at pursuing available funding—picking up on the national mandate, for example, to end veterans’ homelessness—and putting together the partnerships to put units on the ground. In the process she taught me and the other elected officials and staff with whom she worked how to make public programs most effective. It was a joy to cut ribbons on completed projects with her, but the spirit of those occasions was always, “We’ve got to do more.”

When she was named “Tar Heel of the Week” by the Raleigh News & Observer in 2015, Debra declared: “The greatest gift we can give people is the chance to be who they are . . . Housing is so critical to who we are. If you lack that, how can you be okay?” She was a stalwart believer and advocate for the “Housing First” philosophy, insisting that individuals in crisis will see better outcomes if their basic needs, particularly decent housing, are met from the onset.

Debra’s compassion and dedication to her cause, combined with hard work and business

acumen, have bettered the lives of many in the greater Raleigh area and have left behind a strong organization—including many who have learned and drawn inspiration from her—that will continue to serve. We join with Debra’s family, her many friends and admirers, and members of the communities she served, in mourning her passing and honoring her life of compassionate leadership and public service.

HONORING THE LIFE OF PAUL
HOWARD RICH

HON. LINDA T. SÁNCHEZ

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. SÁNCHEZ. Mr. Speaker, it is with great sadness that I rise today to honor the life of Paul Howard Rich, an outstanding leader and beloved member of the community. I am honored to represent in Congress. Mr. Rich, born on April 14, 1941 in Worcester, Massachusetts later moved to Southern California where he worked his way up in the labor movement as an active member of the International Brotherhood of Electrical Workers Local 441. If it were not for Paul, I would not be where I am today. He was a true mentor, not only to me, but to countless young people who joined the labor movement in Southern California. During his 55 years as an IBEW member, Paul was an inspirational leader who left a lasting impact on multiple generations of electrical workers to come up through the ranks. Everything Mr. Rich championed served the greater good.

Beyond his dedication to social justice at work, Paul was an active member of his church community and the consummate family man. His faith was an inspiration. I know that Paul will forever remain close to the hearts of so many, including Mary, his wife of 57 years, his 5 children, 16 grandchildren, and 5 great grandchildren. Countless other family members, friends, and colleagues will carry on Paul’s legacy service to the community.

Although no words can take away the pain from Paul Rich’s loss, may his loved ones find comfort in knowing that his legacy will never be forgotten.

NO ASSISTANCE FOR ASSAD ACT

SPEECH OF

HON. HENRY C. “HANK” JOHNSON, JR.

OF GEORGIA
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 24, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 4681 the No Assistance for Assad Act.

This legislation limits U.S. assistance for regions of Syria controlled by Bashar al-Assad and Russian forces. H.R. 4681 states that we will not provide early recovery, reconstruction, stabilization or aid in parts of Syria controlled by Bashar Assad or associated forces.

The conflict in Syria is intensely complicated and the Syrian people are suffering. However, we cannot keep providing support for a regime that is poisoning its own people and ravaging the region with irreparable wounds. The U.S. has provided over \$7 billion in aid and plays

an essential role in clearing unexploded ordnance in Syria—a service that all sides on the conflict depend upon. H.R. 4681 will put critical pressure on Assad’s forces and his allies by limiting this service to regions controlled by U.S. allies and forces fighting for freedom from Assad’s tyranny. Concrete and powerful steps must be taken to move towards a resolution and H.R. 4681 is a good step in restoring order in the region.

Providing aid worldwide is a critical element of the United States position as an international voice for Democracy and peace. However, we cannot assist a regime that attacks its own people with chemical weapons, and we cannot support Assad by cleaning up his mess. H.R. 4681 will force Assad to face the consequences of his actions and I support this legislation.

HONORING THE 150TH ANNIVERSARY OF THE UNIVERSITY OF CALIFORNIA, BERKELEY

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. LEE. Mr. Speaker, I rise today to honor the 150th Anniversary of the University of California, Berkeley. Considered one of the top public universities in the world, Cal provides a quality higher education to more than 40,000 students each year. In addition to providing a world-renowned education for students, UC Berkeley supports cutting-edge research programs facilitated by distinguished academic faculty.

The University of California, Berkeley was the first campus of the UC system and continues to set the standard for public universities nationwide. Established in 1868, the University of California, Berkeley formed as a merger between the private College of California and the state-run Agricultural, Mining, and Mechanical Arts College. In 1873, UC Berkeley chose blue and gold as their school colors—blue for California's sky and ocean and gold to honor the "Golden State." In 1895, Cal chose the golden bear as their mascot after a 12-student track team represented the school with banners depicting California's state emblem.

To date, UC Berkeley alumni, researchers and faculty have earned 94 Nobel Prizes, 45 MacArthur Fellowships, and 14 Pulitzer Prizes. UC Berkeley's notable alumni include Nobel Laureate and former Secretary of Energy Steven Chu, Governor Jerry Brown, co-founder of Apple Steve Wozniak and yours truly. I am particularly proud that the university has sent more alumni to the Peace Corps than any other university in the nation.

In 1964, during the Free Speech Movement, UC Berkeley developed a strong reputation for student activism. Student leaders opposed the Vietnam War, fought for civil rights, and defended their right to participate in political activity on campus. Facing great odds, the students' actions promoted change and established a legacy of political activism that continues to this day.

I commend UC Berkeley for its integral role in developing generations of academic, business, cultural, and political leaders. Cal has been at the forefront of some of the most important scientific discoveries and defining social movements of the modern era.

As a proud alumna of UC Berkeley, I am honored to represent my alma mater in Congress, and work on the many issues that are critical to the students and faculty.

On behalf of the residents of California's 13th Congressional District, I extend my congratulations on this important milestone to the Regents of the University of California, the Chancellor and staff, the distinguished faculty past and present, and most importantly the students who embrace Cal's rich history, and continue to push the campus forward with their passion and talent. I look forward to a bright future for UC Berkeley and continued success in the years to come.

Go Bears.

RECOGNIZING MOLLY McLAUGHLIN SALMI

HON. VIRGINIA FOXX

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. FOXX. Mr. Speaker, I rise today to recognize—and say farewell—to a member of the House Committee on Education and the Workforce staff who is retiring after more than 29 years of public service to the People's House.

Molly McLaughlin Salmi began her congressional career on the Committee as a Staff Assistant in the 100th Congress. With hard work and unparalleled policy expertise, she rose through the ranks, serving as the Deputy Director of Workforce Policy for the last 16 years.

Eight Committee Chairs—Republicans and Democrats—have had the benefit of Molly's guidance, direction, and honest feedback. Her tireless dedication to sound policy and extensive knowledge has resulted in a better workplace for every working American.

Molly has relentlessly worked to modernize wage and hour laws—clarifying requirements that would otherwise have a detrimental effect on working Americans, preserving volunteer opportunities, enhancing employment opportunities for America's youth, and, in particular, increasing workplace flexibility.

Molly has navigated us through countless hearings, markups, floor debates, field hearings, member briefings, roundtable discussions, and stakeholder meetings, and through it all, she has been a trusted adviser, dedicated public servant, distinguished colleague, and an invaluable member of our Committee family.

While Molly's policy achievements over the years are immeasurable, she is equally regarded for her mentorship and grace. Countless young staffers have been blessed to receive Molly's advice and guidance, much to their great appreciation and benefit.

Molly Salmi, on behalf of my colleagues, we are deeply grateful for your many years of service to the American people and the U.S. House of Representatives, and we wish you all the best in the years ahead.

AMERICAN SPACE COMMERCE FREE ENTERPRISE ACT

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 24, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 2809, American Space Commerce Free Enterprise Act. This legislation grants the Office of Space Commerce (OSC) in the Department of Commerce the power to allow U.S. nationals and NGOs to operate objects manufactured or assembled in outer space, with or without human occupants, and all items used on these objects. To obtain an operation certification in outer space, all activities must include a clean-up plan for any debris that may result from their activities. This legislation will also establish an advisory committee within the OSC that will evaluate space activities and provide guidance on the U.S.

private industry in outer space. Additionally, this bill abolishes the Commercial Remote Sensing Regulatory Affairs Office of the National Oceanic and Atmospheric Administration and establishes the Advisory Committee on Commercial Remote Sensing to advise U.S. commercial space-based remote sensing industries.

I believe that protecting our environment and natural habitats is critical, and outer space is no exception. As we venture further into the cosmos, making sure that the U.S. creates legislation to limit our space debris should be a priority for Congress. We are already facing the consequences of pollution on our planet and we must do better in this new frontier than we have done on earth. This legislation will provide the proper support and oversight that the space industrialization will need to ensure we are exploring the universe responsibly. We must build a solid framework for future space activities in order to create a proper path for exploration.

PRATT AND WHITNEY COLUMBUS NAMED GEORGIA LARGE MANUFACTURER OF THE YEAR

HON. A. DREW FERGUSON IV

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. FERGUSON. Mr. Speaker, I rise today to congratulate Pratt & Whitney in Columbus, Georgia for being named the Large Manufacturer of the Year by Georgia Governor Nathan Deal, the Georgia Department of Economic Development, and the Technical College System of Georgia. With a longstanding presence in Muscogee County, Pratt & Whitney employs nearly 2,000 workers engaged in overhauling aircraft engines and forging jet engine parts and is currently investing more than \$450 million to grow its facility and create 500 new jobs in Columbus.

Additionally, the company has partnered with Columbus Technical College and Georgia Quick Start to provide world-class advanced training to meet the growing needs of the Geared Turbofan and F-135 production lines. As a corporate citizen, Pratt & Whitney has actively engaged in supporting the community by donating over \$500,000 annually to support STEM labs for local schools and build scholarship and internship programs. I commend Pratt & Whitney for this distinguished honor and ask my colleagues to join me in recognizing their success.

GENOCIDE PREVENTION AND AWARENESS MONTH

HON. LINDA T. SÁNCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. SÁNCHEZ. Mr. Speaker, I rise today during Genocide Prevention and Awareness Month to honor and remember the countless lives lost in unforgiveable genocides and tragedies across the world.

Just yesterday we commemorated the 103rd anniversary of the Armenian Genocide, and earlier this month we recognized Holocaust Remembrance Day. While these are somber occasions marking some of the darkest times in our world's history, we must commemorate them because we cannot allow the world to forget what happened.

Millions have died and suffered at the hand of cruelty and injustice. I am deeply saddened that today there are still those who refuse to acknowledge the Armenian Genocide and the atrocities that occurred in 1915. Their denial is disrespectful to the 1.5 million Armenian—men, women and children—who died and the millions more who risked their lives to escape the violence.

We can't undo what happened. But we must learn from history and make sure this never happens again. This month we honor those who had their lives stolen at the hands of evil and hate. We can do better, and we must do better.

RECOGNITION OF EASTHAMPTON HIGH SCHOOL'S 'WE THE PEOPLE' TEAM

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Mr. NEAL. Mr. Speaker, I would like to take this opportunity to recognize the students and advisors of Easthampton High School's 'We The People' team for their hard work, dedication, and outstanding achievement. These individuals prevailed over a number of highly skilled competitors to earn first-place honors in the 2018 Massachusetts 'We The People' academic contest at the Edward M. Kennedy Institute for the U.S. Senate in Boston. They have accordingly earned the distinction of representing the Commonwealth in the national 'We The People' competition this week in Washington, DC.

The annual 'We The People' competition is an extraordinary opportunity that brings young minds together to discuss and learn about issues of vital importance to today's world and our nation. Not only did the students of Easthampton High School's team display exemplary commitment, ability, and character in preparing for and winning the statewide competition in January, but since then they have worked even harder as they eagerly anticipate competing in the national competition. They have been preparing to testify at mock congressional hearings and demonstrate their knowledge of the U.S. Constitution, issue statements on a variety of topics related to our country's political and historical heritage, and field complex questions from a number of expert judges. I am confident that they will find their experience valuable for years to come—whether that be as a result of the fundamental knowledge that they have learned or the vital skills that they have built.

The students have been led by their teacher Kelley Brown who has provided crucial guidance and instrumental mentorship. The outstanding work performed by her class is a testament to the value of quality teachers in the Massachusetts public school system. The victorious students include Charlotte Banigan-White, Tierney Boyle, Ryan-James Bragg, David Brakey, Vincent Catalano, Aidan Chappuis, Carly Detmers, Victoria Drejsa, Chantel Duda, Shane Gravel, Kristin Hartley, Quinn LaFountain, Ambera Mutevelic, Shane O'Donnell, Devon Owens-Heywood, Lucas Patton, David Hunter Pelkey, Carlie Raucher, Nicolas Soucy, Fernando Tenesaca, and Dillan Wilson. Additional advisors of the team include Timothy Wood, Stephen Linsky, Nancy Sykes, and Anuraj Shah.

Mr. Speaker, in closing, I would like to once again acknowledge Easthampton High School's 'We The People' academic team for their superb dedication and accomplishments. Strong civic education is the foundation of our democracy and these inspiring students have exemplified the finest qualities of informed citizenship. I am proud of this group and I wish them all the best in their upcoming national competition as well as all their other future endeavors.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
