ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1642

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. ESTES of Kansas. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "yea" on rollcall No. 154.

MESSAGE FROM THE SENATE

A message from the Senate by Ms. Lasky, one of its clerks, announced that the Senate has passed with an amendment in which the concurrence of the House is requested, a bill of the House of the following title:

H.R. 2061. An act to reauthorize the North Korean Human Rights Act of 2004, and for other purposes.

PERMISSION FOR MEMBER TO BE CONSIDERED AS FIRST SPONSOR OF H.R. 256

Mr. HUNTER. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 256, a bill originally introduced by Representative Farenthold of Texas, for the purposes of adding co-sponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

MOMENT OF SILENCE FOR FALLEN GILCHRIST LAW ENFORCEMENT OFFICERS

(Mr. DUNN asked and was given permission to address the House for 1 minute.)

Mr. DUNN. Mr. Speaker, I rise today to honor the memory of two fallen heroes back home in Florida: Gilchrist County Sergeant Noel Ramirez and Deputy Taylor Lindsey. These two officers were tragically murdered in the line of duty during an ambush shooting on April 19.

Mr. Speaker, these two young men were selfless heroes, patriots, and everything we aspire to be as people, as a Nation, and as Americans.

Sergeant Ramirez had been in law enforcement for 7 years and leaves behind two young children and a wife. He had, as Sheriff Bobby Schultz described it, an infectious smile. Deputy Lindsey joined the Gilchrist County Sheriff's Office in 2013, and dedicated his time and efforts towards getting illegal drugs off our streets.

Please join me and the Florida delegation in honoring Gilchrist County Sergeant Noel Ramirez and Deputy Taylor Lindsey and all of our fallen heroes who have made the ultimate sacrifice to ensure our safety.

At this time, Mr. Speaker, I ask that the House hold a moment of silence.

□ 1645

AUTISM AWARENESS MONTH

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I rise today in recognition of Autism Awareness Month.

Right now, the CDC estimates that 1 in 68 children has been identified with autism spectrum disorder, but a recent parent survey indicated that as many as 1 in 45 children may be affected.

As a proud uncle of a young man with autism, I understand the challenges that families across the country are facing and the need for more resources to support this in this area. But I am also aware of the positive opportunities that we can create by working together to build a better future for our loved ones with autism and the families that care for them.

Mr. Speaker, I have been a proud participant in the Rhode Island Autism Project's annual Imagine Walk, which highlights the importance of research, screening, interventions, and education for the entire Ocean State community and also helps to raise resources.

I look forward to continuing my work in Congress to support the Autism Project and other great organizations that help foster a more tolerant, inclusive society.

OFFSHORE DRILLING

(Mr. FRANCIS ROONEY of Florida asked and was given permission to address the House for 1 minute.)

Mr. FRANCIS ROONEY of Florida. Mr. Speaker, I rise today to continue to talk about how dangerous the offshore drilling business is for the eastern gulf and our environment in Florida.

Blowouts reached an all-time high offshore in 2016. For every 1,000 new wells offshore, 20 blowouts occur.

For 14 years, Taylor Energy has had a well off of south Louisiana that has leaked. It has leaked hundreds of thousands of gallons of oil every year.

Leaks from LL&G's pipeline leaked 392,700 barrels of oil in 2017, and in 2016 Shell Oil had a similar leak in one of their pipelines. That is really bad because Shell Oil is one of the best companies in the industry. It shows you that human error cannot be eliminated from offshore drilling, and we should ban it in the eastern Gulf of Mexico.
