ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1642

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. ESTES of Kansas. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "yea" on rollcall No. 154.

MESSAGE FROM THE SENATE

A message from the Senate by Ms. Lasky, one of its clerks, announced that the Senate has passed with an amendment in which the concurrence of the House is requested, a bill of the House of the following title:

H.R. 2061. An act to reauthorize the North Korean Human Rights Act of 2004, and for other purposes.

PERMISSION FOR MEMBER TO BE CONSIDERED AS FIRST SPONSOR OF H.R. 256

Mr. HUNTER. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 256, a bill originally introduced by Representative Farenthold of Texas, for the purposes of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

MOMENT OF SILENCE FOR FALLEN GILCHRIST LAW ENFORCEMENT OFFICERS

(Mr. DUNN asked and was given permission to address the House for 1 minute.)

Mr. DUNN. Mr. Speaker, I rise today to honor the memory of two fallen heroes back home in Florida: Gilchrist County Sergeant Noel Ramirez and Deputy Taylor Lindsey. These two officers were tragically murdered in the line of duty during an ambush shooting on April 19.

Mr. Speaker, these two young men were selfless heroes, patriots, and everything we aspire to be as people, as a Nation, and as Americans.

Sergeant Ramirez had been in law enforcement for 7 years and leaves behind two young children and a wife. He had, as Sheriff Bobby Schultz described it, an infectious smile. Deputy Lindsey joined the Gilchrist County Sheriff's Office in 2013, and dedicated his time and efforts towards getting illegal drugs off our streets.

Please join me and the Florida delegation in honoring Gilchrist County Sergeant Noel Ramirez and Deputy Taylor Lindsey and all of our fallen heroes who have made the ultimate sacrifice to ensure our safety.

At this time, Mr. Speaker, I ask that the House hold a moment of silence.

□ 1645

AUTISM AWARENESS MONTH

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I rise today in recognition of Autism Awareness Month.

Right now, the CDC estimates that 1 in 68 children has been identified with autism spectrum disorder, but a recent parent survey indicated that as many as 1 in 45 children may be affected.

As a proud uncle of a young man with autism, I understand the challenges that families across the country are facing and the need for more resources to support this in this area. But I am also aware of the positive opportunities that we can create by working together to build a better future for our loved ones with autism and the families that care for them.

Mr. Speaker, I have been a proud participant in the Rhode Island Autism Project's annual Imagine Walk, which highlights the importance of research, screening, interventions, and education for the entire Ocean State community and also helps to raise resources.

I look forward to continuing my work in Congress to support the Autism Project and other great organizations that help foster a more tolerant, inclusive society.

OFFSHORE DRILLING

(Mr. FRANCIS ROONEY of Florida asked and was given permission to address the House for 1 minute.)

Mr. FRANCIS ROONEY of Florida. Mr. Speaker, I rise today to continue to talk about how dangerous the offshore drilling business is for the eastern gulf and our environment in Florida.

Blowouts reached an all-time high offshore in 2016. For every 1,000 new wells offshore, 20 blowouts occur.

For 14 years, Taylor Energy has had a well off of south Louisiana that has leaked. It has leaked hundreds of thousands of gallons of oil every year.

Leaks from LL&G's pipeline leaked 392,700 barrels of oil in 2017, and in 2016 Shell Oil had a similar leak in one of their pipelines. That is really bad because Shell Oil is one of the best companies in the industry. It shows you that human error cannot be eliminated from offshore drilling, and we should ban it in the eastern Gulf of Mexico.

FREE THE PANCHEN LAMA OF TIBET

(Mr. MCGOVERN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCGOVERN. Mr. Speaker, today, we celebrate the 29th birthday of Gedhun Choekyi Nyima, the 11th Panchen Lama of Tibetan Buddhism.

He was chosen for his position on May 15, 1995, by His Holiness the Dalai Lama. Two days later, when he was only 6 years old, the Chinese Government detained him and his family. The Panchen Lama has not been heard from since. Twenty-three years later, he is one of the world's longest held prisoners of conscience.

People from all over the world—representatives of governments, the United Nations, and civil society organizations—have repeatedly asked to see him, without success.

What kind of government steals away a child?

The Panchen Lama's disappearance symbolizes the violations of religious freedom that take place in Tibetan areas of China on a daily basis.

Mr. Speaker, in honor of his birthday, please join me in calling on the Chinese Government to free the true Panchen Lama.

DEFERMENT FOR ACTIVE CANCER TREATMENT

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise today to speak on the Deferment for Active Cancer Treatment Act. I introduced this bill with my friend, Congressman ED PERLMUTTER, with the support of Critical Mass: The Young Adult Cancer Alliance.

This commonsense and bipartisan measure will enable cancer patients to defer payments on public student loans while actively receiving treatment, without interest accruing during the deferment period.

Sadly, in 2018 alone, Mr. Speaker, more than 1.7 million Americans will be newly diagnosed with cancer. Beyond the terrible news of this cancer diagnosis, these individuals have to endure exhaustive treatment and staggering medical expenses, often leading to under- or unemployment. This reality makes it incredibly difficult for many cancer patients to make payments on their student loans on time.

By passing the Deferment for Active Cancer Treatment Act, we will help so many cancer patients and stimulate the economy. These patients will be prevented from defaulting on their student loans, which they so desperately need.

Mr. Speaker, Ed and I encourage our colleagues to stand with cancer patients across our Nation and support and cosponsor the Deferment for Active Cancer Treatment Act.

VALERIY "LARRY" SAVINKIN STREET CO-NAMING CEREMONY IN BROOKLYN, NEW YORK

(Mr. JEFFRIES asked and was given permission to address the House for 1 minute.)

Mr. JEFFRIES. Mr. Speaker, it is my honor that, on Tuesday, May 1, the communities of south Brooklyn, on the corner of Brighton Beach and Coney Island Avenues, will be co-named for Valeriy "Larry" Savinkin, a dedicated and well-respected community leader, who passed away last year.

Larry was my congressional field representative who served the residents of the Eighth Congressional District with great distinction.

His success and impact on the neighborhoods of southern Brooklyn and Queens were not limited to his work in the Eighth Congressional District office. For over 20 years, he was involved in several prominent organizations, including the September 11 Family Group, the Holocaust Memorial Committee, and the Odessa Community of New York.

Larry had a magnetic personality and cared about his community immensely.

I had the privilege of knowing and working with him for several years. I look forward to standing on Valeriy "Larry" Savinkin Street with New York City Council Members Mark Treyger and Chaim Deutsch next Tuesday to commemorate and acknowledge this outstanding individual.

RECOGNIZING 125TH ANNIVERSARY OF MASONIC CARE COMMUNITY OF NEW YORK

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to recognize the 125th anniversary of the incredible Masonic Care Community of New York, located in the city of Utica.

The Masonic Care Community of New York opened its doors on May 1, 1893, as the Masonic Home, started by the Free and Accepted Masons of the State of New York. Their goal was to provide high-quality care to elderly masons and families living in the Mohawk Valley region.

Within 30 years, the location expanded to include a building for 360 adults, a hospital, several dormitories for children, and a 200-acre working farm that supplied food for those living on the campus.

Today, the Masonic Care Community of New York offers top-of-the-line healthcare options to all. It also offers high-quality senior care, rehabilitation services, and child care, while also making house calls for those patients who are unable to leave their home.

Masonic Care Community of New York has supported, nurtured, and educated the community by providing ex-

ceptional care and services with compassion and pride guided by the Masonic principles of brotherly love, relief, truth, and integrity. Currently, more than 500 seniors call the Masonic Care Community of New York and their independent living center home.

I want to extend my congratulations to the staff at the Masonic Care Community of New York for their hard work in continuing to make the Masonic Care Community of New York a first-class facility. I wish them 125 more years of exceptional service.

REMEMBERING THE LIFE OF AUSTIN MEYER

(Mr. KIHUEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KIHUEN. Mr. Speaker, today I rise to remember the life of Austin Meyer.

Austin moved to Reno, Nevada, to study transportation technology at Truckee Meadows Community College. He had a passion for cars and sports. He loved to watch basketball, especially the Boston Celtics.

Austin was excited to watch his favorite band perform at the Route 91 festival on October 1 in Las Vegas. Austin went to the festival with his fiancée, Dana Getreu, to celebrate his birthday and their anniversary.

Austin dreamed of opening up his own auto repair shop after graduation and was excited to get married to Dana and start a family. He always had a smile on his face and made people laugh.

Austin's friends and family remember him for being ambitious, smart, and hardworking.

I would like to extend my condolences to Austin Meyer's family and friends. Please know that the city of Las Vegas, the State of Nevada, and the whole country grieve with you.

CELEBRATING 100TH BIRTHDAY OF DORA DUNCAN GILLENWATER BARTLEY

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Mr. Speaker, I rise in celebration of a lifelong friend and neighbor, Mrs. Dora Duncan Gillenwater Bartley of my hometown of Tompkinsville, in the First District of Kentucky, who is celebrating her 100th birthday today.

Dora Bartley's dedication to serving others rivals only her love for her husband, James Dale Bartley, and their seven children.

Known throughout Monroe County for her abundant compassion and unwavering work ethic, she has not only cared for her family, but also welcomed abused and orphaned women and children into her home and treated them as her own.
