Whereas volunteers in the United States who are 55 years of age and older (referred to in this preamble as “senior volunteers”) provide much-needed services to their communities, neighbors, and friends;

Whereas Senior Corps, through the RSVP, Foster Grandparent, and Senior Companion programs administered by the Corporation for National and Community Service, provides meaningful opportunities to 220,000 senior volunteers and recruits thousands of additional community volunteers;

Whereas, for more than 5 decades, RSVP volunteers, Foster Grandparents, and Senior Companions have played an important role in strengthening communities by contributing their experience, knowledge, and accomplishments in order to—

- (3) mentor and tutor schoolchildren;
- (4) support veterans and military families; and
- (5) provide respite care to caregivers;

Whereas, in 2017, Senior Corps volunteers provided 54,000,000 hours of direct service through more than 25,000 nonprofit, educational, and faith-based community groups nationwide;

Whereas structured volunteering by senior volunteers—

- (1) keeps those senior volunteers active, healthy, and engaged;
- (2) helps the United States by saving taxpayer dollars and reducing health care costs; and
- (3) supports the ability of seniors to live independent and productive lives;

Whereas the RSVP, Foster Grandparent, and Senior Companion programs have proven to be cost-effective ways to engage senior volunteers in service that meets pressing community needs;

Whereas the United States should expand senior volunteer service opportunities to take advantage of the talents and experiences of the 10,000 baby boomers who will retire each day for the next 20 years; and

Whereas, at a time of mounting social need and growing interest in service by older individuals in the United States, the United States has an unprecedented opportunity to harness the talents of senior volunteers to address community challenges: Now, therefore, be it
