HONORING JULIE MCLURE  

HON. MIKE THOMPSON  
OF CALIFORNIA  
IN THE HOUSE OF REPRESENTATIVES  
Thursday, May 3, 2018  

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Julie McClure’s advocacy for community and after-school programs, in particular her leadership at CalSERVES, and I join California Volunteers in recognizing the important work she has done.

Ms. McClure is currently the Associate Superintendent at the Napa Valley Office of Education. For more than two decades, she has been a champion for the values of AmeriCorps and national service, bringing to a community. Ms. McClure has been essential to the success of AmeriCorps in California as a mentor to new programs and as a board member of Voices for California.

In 1998 Ms. McClure started the CalSERVES tutoring program, in partnership with California Volunteers and the Corporation for National and Community Service. She launched CalSERVES so students at Napa County Office of Education schools would have tutoring support. CalSERVES has been a model for community and after-school programs and is known for its innovative use of AmeriCorps resources. More than 4,600 members have served 6.7 million hours in the community due in no small part to Ms. McClure’s efforts. In 2009 Ms. McClure started the CalSERVES Volunteer Infrastructure Program in order to expand CalSERVES’ outreach and services. Currently, 60 AmeriCorps members provide programming in Napa and Sonoma County schools and 140 Corps members work on building volunteer capacity at other organizations throughout California.

In addition to her work with CalSERVES and AmeriCorps, Ms. McClure’s advocacy work has included leading the California After School Demonstration Program and Healthy Behavior Learning Center.

Mr. Speaker, Julie McClure has been a key contributor to the AmeriCorps experience in California for the last two decades and a tireless advocate for public service. Therefore, it is fitting and proper that we honor her here today.  

CELEBRATING THE LIFE OF SISTER KATHERINE HEALY  

HON. NANCY PELOSI  
OF CALIFORNIA  
IN THE HOUSE OF REPRESENTATIVES  
Thursday, May 3, 2018  

Ms. PELOSI. Mr. Speaker, I rise today to honor the memory of Janice Corbett, a fixture of the UC Davis community who will truly be missed.

Dr. Olsen has spent 50 plus years coaching cross country and track and field at Augustana College. He has coached a total of 234 NCAA Division III All-American runners and, 26 times, these athletes have been crowned national champions. Dr. Olsen was inducted into the Illinois Track and Field Coaches Association “Hall of Fame” in 2004 and went into the Augustana “Tribe of Vikings Hall of Fame” in 2006. Dr. Olsen is a professor in the English Department at Augustana, and is one of the most popular teachers in the entire school. It is because of dedicated and selfless leaders such as Dr. Paul Olsen that I am especially proud to serve Illinois’ 17th Congressional District. Mr. Speaker, I would like to again formally congratulate Dr. Paul Olsen on his well-earned retirement, and thank him for all of his contributions and service to our community.

IN HONOR OF LUPUS AWARENESS MONTH 2018  

HON. ANN M. KUSTER  
OF NEW HAMPSHIRE  
IN THE HOUSE OF REPRESENTATIVES  
Thursday, May 3, 2018  

Ms. KUSTER of New Hampshire. Mr. Speaker, I rise today to recognize Lupus Awareness Month. An autoimmune disease, Lupus impacts more than one million Americans and many in communities across our Granite State. Those living with Lupus often experience significant symptoms such as fatigue, cognitive issues and physical challenges.

While Lupus affects millions of individuals worldwide and there are 16,000 new diagnoses each year, two-thirds of Americans are unaware of it. Through Lupus Awareness Month each May, advocates will “Go purple for Lupus” with local and national events to encourage understanding, research and support of the disease. I will continue to champion and support public health efforts in Congress. I encourage my colleagues to honor individuals living with Lupus through annual awareness programming each May and throughout the year.
