

education and influence so passionately driven by their teachers, parents, and community. William Penn's story is one of love of country and community and dedication to its students. This school is a part of what makes Bakersfield such a great place to live and grow up in. As one of Bakersfield's oldest schools, it remains an icon in our community, and on behalf of our community, I wish William Penn another century of academic excellence.

RECOGNIZING MARYMOUNT UNIVERSITY PRESIDENT DR. MATTHEW D. SHANK

**HON. DONALD S. BEYER, JR.**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Mr. BEYER. Mr. Speaker, I rise today to recognize Dr. Matthew D. Shank, who has served as Marymount University's sixth president since July 2011. With a strong commitment to Catholic higher education and an understanding of Marymount's diverse and inclusive learning environment, he began his first year by initiating a visioning process to clarify the University's identity and way forward. Input from the Marymount community contributed to the resulting vision, which states in part that "Marymount University will distinguish itself through a culture of engagement that fosters intellectual curiosity, service to others, and a global perspective."

In recognition of his focus on preparing students for the globalized environment of the 21st century, Dr. Shank received the 2012 Global Education Leadership Award from the World Affairs Council-Washington, D.C. Accepting the award on behalf of the University, he said, "The Council and Marymount share a common goal: Both organizations educate young people about global issues so that they will be prepared for success as citizens of a complex, diverse, and increasingly interdependent global community." Under his leadership, Marymount University has created and implemented a strategic plan known as "Building the Institution of Choice" and a comprehensive marketing plan called "Common Ground".

Dr. Shank also instituted an employee incentive program, Ideas at Work, to solicit cost-saving, revenue generating, and process-im-

provement ideas from members of the University community. President Shank is active in community and business organizations, serving on the boards of the Greater Washington Board of Trade, the Northern Virginia Technology Council, the Arlington Community Foundation, the Catholic Business Network of Northern Virginia, the World Affairs Council, Bishop O'Connell High School, and the Leadership Center for Excellence. He is an ex-officio member of the Northern Virginia Chamber of Commerce, and a community advisor to the Arlington Free Clinic, Arlington Public Schools and the Hispanic Scholarship Fund Advisory Council.

In the academic community, he serves on the boards of the Consortium of Universities of the Washington Metropolitan Area, the Virginia Foundation for Independent Colleges, and the Washington Research Library Consortium. Most recently, Dr. Shank was named to the NCAA Presidential Advisory Group & President's Council. As Marymount's president, Dr. Shank is also a member of many academic organizations, including the American Association of Colleges and Universities, the Association of Catholic Colleges and Universities, the National Association of Independent Colleges and Universities, and the State Council of Higher Education for Virginia.

At the end of his seven-year tenure, Dr. Shank's visionary leadership will have resulted in numerous milestone accomplishments for the institution. Chief among them is the crafting and implementation of the strategic plan, Building the Institution of Choice, which is in its final year of execution. The University's \$40 million capital campaign goal will be met and exceeded at the end of this fiscal year, two years ahead of schedule. The Master Plan, which meticulously lays out the vision for campus growth and renewal, has been developed. The much-celebrated opening of the new Ballston Center was a highlight of the fall 2017 semester. A significant expansion in sports programs and alignment with a new athletics conference was approved by the NCAA in February 2018 with competition to commence in the Fall of 2018.

Marymount University is a leading institution of higher education in my district and all who knew and worked with him and the University will miss his leadership, but we wish him great success in his future undertakings.

PROCLAIMING THE IMPORTANCE OF THE TUIDANG MOVEMENT TO INCREASING HUMAN LIBERTY IN CHINA

**HON. STEVE KING**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Mr. KING of Iowa. Mr. Speaker, in November 2004, the publication of "Nine Commentaries on the Communist Party" by the United States-based media outlet, the Epoch Times, revealed the brutal, deceptive, evil nature of the Chinese Communist Party. These "Nine Commentaries" led to the creation of the Tuidang movement. Tuidang literally means "withdraw from the Party". The Tuidang Movement is contributing to the liberation of the minds of the Chinese people and helping to peacefully break the cycle of indoctrination that the Chinese Communist Party

(CCP) uses against the Chinese people. Tuidang allows individuals to renounce the oaths they made to the Communist Party, the Communist Youth League and the Communist Young Pioneers.

Tuidang is not a political movement and does not provide political solutions. It simply helps Chinese people reclaim their God-given conscience. The Tuidang Movement, as one of the largest and longest grassroots movements in 5,000 years of Chinese history, is peacefully guiding Chinese people to renew the moral foundation of China that is grounded in authentic Chinese culture and traditions. The objective of the Tuidang movement, first and foremost, is to cut the spiritual ties of each and every individual to communism so that they can return to their traditional values and freely pursue God. The weakening of CCP from within would be beneficial to the entire world. The Tuidang movement has brought to the international community a renewed vision of a new China without CCP, and a world without infiltration of Communists.

Chinese people from all walks of life and from all over the country participate in the Tuidang Movement, irrespective of social status, age, religion, gender, dialect, place of birth, and ethnicity. In the United States, the Global Service Center for Quitting the Chinese Communist Party (the Tuidang Center), based in New York, has been providing volunteering services and coordinating the efforts of Tuidang world-wide.

Mr. Speaker, again, I applaud and stand with all the brave participants, volunteers, and supporters of the Tuidang movement. I look forward to the realization of a free China, complete with the pillars of a free society, and I take this opportunity to echo the words of Barry Goldwater when he said, "I have great affection for the Chinese people, their culture, their skills, and their potential."

IN RECOGNITION OF WAYNE COUNTY COMMUNITY COLLEGE DISTRICT'S 50 YEARS OF SERVICE TO MICHIGAN

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Wayne County Community College District (WCCCD) as they celebrate 50 years of service to Michigan students. Their efforts enrich countless lives through their educational programming and community service.

Founded in 1967 by the Legislature of the State of Michigan, Wayne County Community College District opened its first campus in Detroit with no facilities of its own. The seven-member Board of Trustees worked diligently to interview professors, establish programming and curricula and enroll students before the first semester began in fall 1969. The County of Wayne was a large resource for WCCCD throughout its first few years, providing classrooms and other necessities which formed a partnership that still exists today. The college's positive reputation allowed it to expand throughout Wayne County, and there are now six WCCCD campuses throughout Michigan.

Throughout its 50 years of service, WCCCD has expanded its course programming and

partnerships throughout southeastern Michigan. The University has established state of the art educational and entertainment facilities throughout the state, including the Michigan Institute of Public Safety Education, the Heinz C. Prechter Education and Performing Arts Center as well as two Mary Ellen Stempfle University Centers. The school continues to serve the state and country with its expansive and ever-growing academic programming. Classes and certifications range from video game design to cybersecurity, dental hygiene to anesthesia technology, teacher education to social work, and more. The college's commitment to providing hands-on teaching and passionate, well-qualified educators has set WCCCD apart as one of Michigan's finest education institutions. Wayne County Community College District has successfully served our community throughout the past 50 years, and it is my hope that they will continue their work in the years to come.

Mr. Speaker, I ask my colleagues to join me in honoring Wayne County Community College District during its 50-year anniversary celebration. WCCCD's record of excellence is worthy of commendation.

CONGRATULATING CALEB ZEHR AND SAM RUBA

**HON. ROD BLUM**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Mr. BLUM. Mr. Speaker, I rise today to recognize the outstanding achievement of the two-person West Delaware High School team that competed at the National Auto Skills Competition in New York, NY. Teammates Caleb Zehr and Sam Ruba, both seniors at West Delaware, placed 2nd in the Nation with the guidance of their instructor Jason Guyer.

The West Delaware team spent two days competing against 29 other teams attending the competition. The first day consisted of tests on tools, measuring instruments, vehicle components, and job interview skills. The following day, each team was put to the test by diagnosing and repairing various problems on an assigned car. After assessing each team, Caleb and Sam earned the highest standing in the history of West Delaware High School's participation in the National Auto Skills Competition.

These students are bright, hard-working individuals that represented their high school and community in high regard. I wish them the best in their future automotive industry endeavors.

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Mr. BRADY of Pennsylvania. Mr. Speaker, today I rise to honor and celebrate the 100th birthday of Ms. Bessie Sandoli. Ms. Sandoli, who will celebrate her birthday on June 1st, was born in 1918, just before the end of WWI.

PERSONAL EXPLANATION

**HON. BETTY MCCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Ms. MCCOLLUM. Mr. Speaker, I missed the vote on May 8, 2018 to disapprove of the guidance issued by Consumer Financial Protection Bureau (CFPB) regarding indirect auto lending and compliance with the Equal Credit Opportunity Act (ECOA). Had I been present, I would have voted no on this joint resolution.

I strongly support the CFPB's 2013 guidance, which prevents indirect auto lenders from discriminating against minorities in offering credit, a practice the CFPB determined was occurring. In fact, a January, 2018 study from the National Fair Housing Alliance (NFHA) reveals just how widespread this discrimination in auto lending still is. The NFHA study found that over the life of a loan, minority borrowers pay an average of \$2,662 more than white borrowers, and minority borrowers are consistently offered less loan financing options than white borrowers. As a Member of Congress who represents a number of diverse and vibrant minority communities, including the historic Rondo Neighborhood, I find these discriminatory practices repugnant. Reversing course on the CFPB's auto lending guidance would undermine their ability to enforce the ECOA and open up minority communities to further discrimination from indirect auto lenders.

Additionally, I strongly disagree with the use of the Congressional Review Act (CRA) to overturn this guidance. Using the CRA to overturn guidance issued five years ago, or any agency guidance for that matter, is not in keeping with congressional intent and is a gross overstep of power.

HONORING THE LIFE AND LEGACY OF CYRUS M. JOLLIVETTE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 9, 2018*

Ms. WILSON of Florida. Mr. Speaker, I rise today to commemorate the life and legacy of a true "son of Florida," Cyrus M. Jollivette.

Mr. Speaker, Cyrus M. Jollivette, whom we affectionately called "Russ," was for many decades a powerful and transformational force in the fields of health and higher education. He was a pillar in our community who worked tirelessly to help improve the lives of others through education. He was a civic leader, wise mentor, loving father, doting grandfather, and incredible friend.

Russ is most recognized for his 24-year tenure at the University of Miami, where he
