

(CCP) uses against the Chinese people. Tuidang allows individuals to renounce the oaths they made to the Communist Party, the Communist Youth League and the Communist Young Pioneers.

Tuidang is not a political movement and does not provide political solutions. It simply helps Chinese people reclaim their God-given conscience. The Tuidang Movement, as one of the largest and longest grassroots movements in 5,000 years of Chinese history, is peacefully guiding Chinese people to renew the moral foundation of China that is grounded in authentic Chinese culture and traditions. The objective of the Tuidang movement, first and foremost, is to cut the spiritual ties of each and every individual to communism so that they can return to their traditional values and freely pursue God. The weakening of CCP from within would be beneficial to the entire world. The Tuidang movement has brought to the international community a renewed vision of a new China without CCP, and a world without infiltration of Communists.

Chinese people from all walks of life and from all over the country participate in the Tuidang Movement, irrespective of social status, age, religion, gender, dialect, place of birth, and ethnicity. In the United States, the Global Service Center for Quitting the Chinese Communist Party (the Tuidang Center), based in New York, has been providing volunteering services and coordinating the efforts of Tuidang world-wide.

Mr. Speaker, again, I applaud and stand with all the brave participants, volunteers, and supporters of the Tuidang movement. I look forward to the realization of a free China, complete with the pillars of a free society, and I take this opportunity to echo the words of Barry Goldwater when he said, "I have great affection for the Chinese people, their culture, their skills, and their potential."

IN RECOGNITION OF WAYNE COUNTY COMMUNITY COLLEGE DISTRICT'S 50 YEARS OF SERVICE TO MICHIGAN

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 9, 2018

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Wayne County Community College District (WCCCD) as they celebrate 50 years of service to Michigan students. Their efforts enrich countless lives through their educational programming and community service.

Founded in 1967 by the Legislature of the State of Michigan, Wayne County Community College District opened its first campus in Detroit with no facilities of its own. The seven-member Board of Trustees worked diligently to interview professors, establish programming and curricula and enroll students before the first semester began in fall 1969. The County of Wayne was a large resource for WCCCD throughout its first few years, providing classrooms and other necessities which formed a partnership that still exists today. The college's positive reputation allowed it to expand throughout Wayne County, and there are now six WCCCD campuses throughout Michigan.

Throughout its 50 years of service, WCCCD has expanded its course programming and

partnerships throughout southeastern Michigan. The University has established state of the art educational and entertainment facilities throughout the state, including the Michigan Institute of Public Safety Education, the Heinz C. Prechter Education and Performing Arts Center as well as two Mary Ellen Stempfle University Centers. The school continues to serve the state and country with its expansive and ever-growing academic programming. Classes and certifications range from video game design to cybersecurity, dental hygiene to anesthesia technology, teacher education to social work, and more. The college's commitment to providing hands-on teaching and passionate, well-qualified educators has set WCCCD apart as one of Michigan's finest education institutions. Wayne County Community College District has successfully served our community throughout the past 50 years, and it is my hope that they will continue their work in the years to come.

Mr. Speaker, I ask my colleagues to join me in honoring Wayne County Community College District during its 50-year anniversary celebration. WCCCD's record of excellence is worthy of commendation.

CONGRATULATING CALEB ZEHR AND SAM RUBA

HON. ROD BLUM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 9, 2018

Mr. BLUM. Mr. Speaker, I rise today to recognize the outstanding achievement of the two-person West Delaware High School team that competed at the National Auto Skills Competition in New York, NY. Teammates Caleb Zehr and Sam Ruba, both seniors at West Delaware, placed 2nd in the Nation with the guidance of their instructor Jason Guyer.

The West Delaware team spent two days competing against 29 other teams attending the competition. The first day consisted of tests on tools, measuring instruments, vehicle components, and job interview skills. The following day, each team was put to the test by diagnosing and repairing various problems on an assigned car. After assessing each team, Caleb and Sam earned the highest standing in the history of West Delaware High School's participation in the National Auto Skills Competition.

These students are bright, hard-working individuals that represented their high school and community in high regard. I wish them the best in their future automotive industry endeavors.

PERSONAL EXPLANATION

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 9, 2018

Ms. MCCOLLUM. Mr. Speaker, I missed the vote on May 8, 2018 to disapprove of the guidance issued by Consumer Financial Protection Bureau (CFPB) regarding indirect auto lending and compliance with the Equal Credit Opportunity Act (ECOA). Had I been present, I would have voted no on this joint resolution.

I strongly support the CFPB's 2013 guidance, which prevents indirect auto lenders from discriminating against minorities in offering credit, a practice the CFPB determined was occurring. In fact, a January, 2018 study from the National Fair Housing Alliance (NFHA) reveals just how widespread this discrimination in auto lending still is. The NFHA study found that over the life of a loan, minority borrowers pay an average of \$2,662 more than white borrowers, and minority borrowers are consistently offered less loan financing options than white borrowers. As a Member of Congress who represents a number of diverse and vibrant minority communities, including the historic Rondo Neighborhood, I find these discriminatory practices repugnant. Reversing course on the CFPB's auto lending guidance would undermine their ability to enforce the ECOA and open up minority communities to further discrimination from indirect auto lenders.

Additionally, I strongly disagree with the use of the Congressional Review Act (CRA) to overturn this guidance. Using the CRA to overturn guidance issued five years ago, or any agency guidance for that matter, is not in keeping with congressional intent and is a gross overstep of power.
