

said in her testimony yesterday that she has evolved her thinking about that, but I would ask those same Members who were talking about what happened in the early 1990s to think about what is happening today and to wonder who could be more qualified.

By the way, if she is not qualified, that means a number of other people, such as anybody in a senior leadership role at the CIA who happened to have been there at that time, would not be qualified, including John Brennan would not be qualified, who got a large bipartisan vote in this body to be the Director of the CIA, even though he was in a higher leadership role at that time at the CIA.

So, again, I hope she will be confirmed. I think she will be confirmed, but I do hope that any colleagues who are wondering which way to go will think about where we are today. It is a dangerous and volatile world. We do need somebody who has that experience, knowledge, background, and wisdom that comes with years of experience borne of actual experience in the field. And to have this smart, decent, well-qualified woman not be confirmed would be not just bad for the CIA but bad for our country and indeed bad for what all of us hope for, which is a more peaceful world and one where we do have the kind of intelligence we need to be able to keep that peace.

Thank you, Mr. President.

I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The senior assistant legislative clerk proceeded to call the roll.

Mr. PORTMAN. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

#### EXECUTIVE CALENDAR

Mr. PORTMAN. Mr. President, I ask unanimous consent that the Senate proceed to the en bloc consideration of the following nominations: Executive Calendar Nos. 740, 830, and 831.

The PRESIDING OFFICER. Without objection, it is so ordered.

The clerk will report the nominations en bloc.

The senior assistant legislative clerk read the nominations of Patrick Hovakimian, of California, to be a Member of the Foreign Claims Settlement Commission of the United States for a term expiring September 30, 2020; Gregory Allyn Forest, of North Carolina, to be United States Marshal for the Western District of North Carolina for the term of four years; and Bradley A. Maxwell, of Illinois, to be United States Marshal for the Southern District of Illinois for the term of four years.

Thereupon, the Senate proceeded to consider the nominations en bloc.

Mr. PORTMAN. Mr. President, I ask unanimous consent that the Senate vote on the nominations with no inter-

vening action or debate; that if confirmed, the motions to reconsider be considered made and laid upon the table; that the President be immediately notified of the Senate's action; that no further motions be in order; and that any statements relating to the nominations be printed in the RECORD, all en bloc.

The PRESIDING OFFICER. Without objection, it is so ordered.

The question is, Will the Senate advise and consent to the Hovakimian, Forest, and Maxwell nominations en bloc?

The nominations were confirmed en bloc.

#### LEGISLATIVE SESSION

##### MORNING BUSINESS

Mr. PORTMAN. Mr. President, I ask unanimous consent that the Senate resume legislative session for a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

(At the request of Mr. SCHUMER, the following statement was ordered to be printed in the RECORD.)

##### VOTE EXPLANATION

• Mr. BOOKER. Mr. President, I was necessarily absent for the votes on the confirmation of Executive Calendar No. 690, the motion to invoke cloture on Executive Calendar No. 729, and the motion to invoke cloture on Executive Calendar No. 777.

On vote No. 89, had I been present, I would have voted nay on the confirmation of Executive Calendar No. 690.

On vote No. 90, had I been present, I would have voted nay on the motion to invoke cloture on Executive Calendar No. 729.

On vote No. 91, had I been present, I would have voted nay on the motion to invoke cloture on Executive Calendar No. 777.●

##### VOTE EXPLANATION

Mr. DONNELLY. Mr. President, yesterday, May 9, 2018, I was in Terre Haute, IN, to attend the funeral services for police officer, Rob Pitts, a veteran of the Terre Haute Police Department and a Hoosier hero who was killed in the line of duty while serving his community. As a result, I was unable to vote.

Had I been present, I would have voted in support of the confirmation of Kurt Engelhardt to be United States Circuit Judge for the Fifth Circuit, and I would have opposed cloture on the nomination of Michael Brennan to be United States Circuit Judge for the Seventh Circuit.

##### NOMINATION OBJECTION

Mr. WYDEN. Mr. President, I must regretfully object to the Senate pro-

ceeding to the nomination of Christopher C. Krebs of Virginia to be Under Secretary of the National Protection and Programs Directorate at the Department of Homeland Security, DHS.

Since November of 2017, I have urged the Department, and Mr. Krebs specifically, to be more open with the American people about the threat posed by foreign governments using cellular surveillance technology to target phones in the United States, including those used by senior government officials.

In a March 26, 2018, letter, Mr. Krebs revealed to me that DHS "has observed anomalous activity in the National Capital Region (NCR) that appears to be consistent with International Mobile Subscriber Identity (IMSI) catchers."

However, as I noted in an April 18, 2018, follow-up letter to Mr. Krebs, which was also signed by my colleagues Senator PAUL, Senator GARDNER, and Senator MARKEY, DHS has in recent months shared additional information about these and other incidents with Federal agencies. Specifically, an official from the DHS National Coordinating Center for Communications, NCC, gave a detailed presentation to an audience of Federal Government employees on February 6, 2018. That presentation included important information that I believe the American people have a right to know. My colleagues and I asked Mr. Krebs to remove the "For Official Use Only," FOUO designation from the slides used at this presentation and make them available for public release.

I remain hopeful that this is an issue we can work through and resolve soon. However, until the FOUO designation is removed from those slides and they are made available for public release, I will object to the Senate proceeding with the Krebs nomination.

#### ADDITIONAL STATEMENTS

##### INTERNATIONAL FRANCHISE ASSOCIATION

• Mr. ALEXANDER. Mr. President, I ask that my remarks to the International Franchise Association be printed in the RECORD.

The material follows:

##### INTERNATIONAL FRANCHISE ASSOCIATION

Mr. ALEXANDER. What I have discovered is that those who like a center-right administration, which I do, have a hard time accepting success. I could probably do the accomplishments and achievements over the last 15 or 16 months in a 60 second version, which would be a better economy, lower taxes, fewer regulations, more conservative judges, repeal of the part of Dodd Frank that hamstringed small financial institutions in mortgage lending, Alaskan energy, a new NLRB, the local control of schools—that actually happened before President Trump came in because of a Republican majority in the Senate—and the repeal of the individual mandate. That's a pretty good list. In fact, if you only did economy, taxes, regulations and judges, at the end of four years, most administrations would be pretty happy with the
