Mr. VARGAS. Mr. Speaker, I rise today to honor Dr. Victor Jaime, whom after 30 years of service, will be retiring as President of Imperial Valley College.

Dr. Victor Jaime was born and raised in the Imperial Valley. He was the first in his family to go to college and Imperial Valley College became the key to his successful career. After graduating with his associates from Imperial Valley College, he went on to attain his Bachelor's degree at UC Irvine, his Master's degree at San Diego State University, his Educational Specialist Degree at Point Loma Nazarene College, and finally his Doctorate degree in Education from Northern Arizona University. Despite all of his diplomas, the two he cherishes the most are his Doctorate, that prepared him to lead our educators and students towards a successful path; and his Associates Degree from Imperial Valley College, which helped pave the way to his mission in life.

Throughout his career, Dr. Victor Jaime, has worked in various roles such as Counselor and later Director of the Talent Search Program, Dean of Financial Aid and State Programs, Vice President for Student Services and finally Superintendent/President; all at the very college that awarded his Associate's Degree: Imperial Valley College.

Dr. Victor Jaime firmly believes that his father and grandfather were his main sources of influence and credits them for his accomplishments in academia and his career. Dr. Victor Jaime and his wife, Caroline Treadway-Jaime, have three children; two who are former Imperial Valley College students, and one who is currently at Cal State Fresno, and the grandparents of three grandchildren.

I would like to recognize Dr. Victor Jaime for his dedication and commitment to Imperial Valley and for being a champion to the community college system and leaving behind a legacy that will continue to impact the students in my district. I wish him the best of luck in his retirement.

HONORING THE LIFE OF LAWRENCE "LARRY" CLARK

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 18, 2018

Mr. TED LIEU of California. Mr. Speaker, I rise to celebrate the life of Lawrence "Larry" Clark—a beloved husband and former mayor of Rancho Palos Verdes—who passed away on May 2, 2018 at the age of 69. It was an honor for me to have known Larry.

Larry was born on January 19, 1949 in Orange, California. Larry double majored in both psychology and sociology at California State University, Fullerton. Later, Larry also received an MBA from California State University, Dominguez Hills. After graduating, Larry began a 40-year career with the federal government where he was able to work with several agencies such as the Air Force, the Department of Defense, and the North Atlantic Treaty Organization (NATO) in the communications and information systems field. Before being elected to the Rancho Palos Verdes City Council in 2001, Larry served on the View Commission and Planning Commission. Due to his passion to serve the public and his perseverance seen through his dedication and hard work, Larry was elected for a second term. While in his second term, he was appointed twice to the California State Coastal Commission. Larry was elected as mayor of Rancho Palos Verdes in 2008, and served for two years.

After retiring from the federal government in 2012, Larry was diagnosed with stage 4 pancreatic cancer. Despite his diagnosis, Larry went on to volunteer with the Pancreatic Cancer Action Network (PanCAN), create the PanCAN Survivor Council, and serve on the Executive Committee for PurpleStride Los Angeles. In 2013, Larry received the Spirit of Hope award at the PanCAN's Evening with the Stars gala for his advocacy on behalf of the nonprofit organization and was shortly appointed one of five national ambassadors for PanCAN. Larry fought cancer with tremendous courage, grace and dignity.

Larry is survived by his wife of 24 years, Becky, and their two corgis Milo and Katie, whom I hope take comfort in the way Larry lived his life as a deeply thoughtful, compassionate and moral citizen. May his memory be a blessing to us all.
