

not be the last time Klette saw danger in the line of duty.

To this day, he remembers what he calls the worst mission of his career. Overcome by dozens of persistent enemy craft, Klette's plane was in a dire state. With low oxygen and fires onboard, the crew resisted wave after wave of enemy fighters destroying or damaging several of the enemy craft. Showing tremendous courage in the face of incredible danger, Klette and his team completed their mission and returned to their base.

In recognition of their intrepid actions, the entire crew was awarded the Silver Star, the third highest combat decoration awarded by the Armed Forces. Klette was only 25 at the time. Throughout World War II, Klette flew 51 missions, finishing his last on Thanksgiving Day in 1944.

As a member of the Greatest Generation determined to serve his Nation, Klette entered the Reserves after World War II. He was called back to Active Duty and served for nearly 2 years in Korea. Flying 50 combat missions in that conflict, Klette totaled more than 100 missions during his military career.

After officially leaving military service in 1952, Klette returned to northern Kentucky to practice law with his father in Covington. Still practicing law to this day—now with his daughter as a partner—Klette has been an active member of his community, serving on the board of multiple civic organizations.

As the grand marshal of the Park Hills Memorial day parade, Klette will receive the recognition and gratitude that he deserves. Because of his years of dedication to our Nation in uniform, I am proud to join with the Park Hills community to honor his gallant service and sacrifice. I urge all of my colleagues in the Senate to help me thank John Klette.

75TH ANNIVERSARY OF THE BATTLE OF ATTU

Mr. SULLIVAN. Madam President, as we approach Memorial Day to remember the men and women who sacrificed their lives in devotion to the causes of liberty, freedom, and democracy, I would like to take the opportunity to speak about one event in our Nation's history that had a profound impact on my great State. The Battle of Attu was the only land battle fought in North America during the Second World War.

Commonly referred to as the Forgotten Battle or Forgotten War, the campaign began in 1942 with the bombing of Dutch Harbor and subsequent invasions of Adak, Kiska, and Attu by the navy of Imperial Japan. On June 7, 1942, close to 3,000 Japanese soldiers invaded Attu, exactly 6 months to the day after the bombing of Pearl Harbor. As the only land battle during World War II, it was costly. In May of 1943, over 15,000 American soldiers stormed this small island in the Aleutians, and over the course of the engagement, the United States suffered 549 casualties and sustained more than 1,200 injuries. Many more were taken out of action due to disease and nonbattle injuries. Of the over 2,400 Japanese soldiers present at the battle, only 28 survived the battle by capture.

In addition to these often forgotten sacrifices is the impact on those residents who lived on Attu. During the Japanese invasion, all 47 residents of the island were detained, captured, and taken to Japan as prisoners, where 22 would later perish. Those who did survive were not able to return home; there were too few people to rebuild the community after being destroyed by war.

Today, before the Senate, I would like to take a moment to honor the brave servicemembers and the Alaska Territorial Guard members who fought and, in many cases, gave the ultimate sacrifice to defend the territories of the United States and the memory and lives of those Aleut evacuees and Attuan prisoners of war whose communities, culture, and languages were forever effected.

From May 17 to May 19, a memorial ceremony took place in Alaska to honor and acknowledge those who were affected by the Battle of Attu—the Aleut evacuees, their descendants and veterans of this Forgotten War, both living and deceased.

ADDITIONAL STATEMENTS

REMEMBERING JEFFREY HOLT

• Mr. DONNELLY. Madam President, today I wish to recognize and honor the extraordinary service and sacrifice of Jeffrey Holt, a firefighter from Brownsburg who served in the Lawrence Fire Department. Selflessness, caring for others, and service to his community were defining traits of Jeff's life.

On the morning of April 30, 2018, Jeff was participating in an annual physical assessment training when he collapsed and suffered an apparent heart attack. He passed away at Indiana Heart Hospital. Jeff's death left his fellow firefighters without one of their leaders, and he will be sorely missed by his fellow firefighters and loved ones.

Jeff was a graduate of Indiana's Benton Central High School. After finishing high school, he worked at the Otterbein Fire Department in Otterbein, IN, as a firefighter and then as an EMT and subsequently joined the Purdue Fire Department in 1985. In 1994, Jeff began training to be a paramedic and, while training, met his future wife, Lindi. In 1996, he began his service in the Lawrence Fire Department as a firefighter and paramedic. Over the course of his career with the Lawrence Fire Department, Jeff served as an engineer, lieutenant, division chief of training, and deputy chief of operations.

Outside of work, Jeff pursued his passion for music and was the lead singer in several bands. He shared this love of music and rescuing special needs animals with Lindi, his wife of nearly 20 years.

He is survived and deeply missed by his wife, Dr. Lindi Holt, stepdaughters Jennifer and Rachael Kempfer, parents Dr. Donald and Marilyn Holt, brothers Dr. Steve Holt and Bill Holt, sister Kathy Stichnoth, as well as nieces, nephews, and a great-nephew.

Jeff represented the best of Hoosier values. He put his life on the line day-in, day-out, serving his community and working to keep his fellow citizens safe. Those who knew Jeff described him as well-liked and respected, compassionate, dedicated, and loyal. Jeff set a strong example for others, and let us remember and emulate the example this selfless man set for us and honor his commitment to serving his community.

On behalf of Hoosiers, we mourn with Jeff's family, the men and women he served with, and the Lawrence community. His legacy will live on and his memory will not be soon forgotten.●

TRIBUTE TO MAKENZIE SHEEHAN

• Ms. HASSAN. Madam President, I am proud to recognize second grader MaKenzie Sheehan of Monroe, NH, as the May Granite Stater of the Month for her bravery and quick thinking that helped save her family when their house caught on fire recently.

On the night of the fire, MaKenzie woke to a crash in her bedroom, and when she saw a wall of fire, she quickly acted to wake her sister. Remembering from her fire education at school that the door would be hot, she knew not to touch it and began screaming for help. Her cries alerted the rest of the family, and they were able to make it out just in time.

Her family is very proud and grateful for MaKenzie's grace under pressure and considers her their hero.
