AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. ISSA) at noon.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: We give You thanks, O God, for giving us another day.

During this week, the National Defense Authorization Act is being debated on the floor of the House. May all Members be imbued with Your wisdom, that the results of their deliberations might redound to the benefit of our Nation.

Bless all those whose lives are dedicated to the defense and service of the United States, most especially those who serve in uniform in the Armed Forces. May they be safe in the execution of their duties, and their families blessed with Your comforting presence in their lives.

Thank You, O God, for the privilege of being able to serve, and may all that is done be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Utah (Mr. STEWART) come forward and lead the House in the Pledge of Allegiance.

Mr. STEWART led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

STANDING IN SUPPORT OF THE PEOPLE OF NICARAGUA

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, Saturday marked one month since the massive protests in Nicaragua began against Ortega's dictatorial regime: 76 people have been killed, 868 have been injured, and 438 have been detained.

Torture and degrading treatment have been reported, as well as media censorship and other forms of persecution, to prevent citizens from participating and exercising their God-given human rights.

The message is clear: The Nicaraguan people want Ortega out of power. They are calling for free, fair, and transparent elections, with credible international observers, and they want them now.

The U.S. can, and should, use all of our tools to aid the people of Nicaragua in their fight to end the repression and reinstitute democratic order.

I urge the administration to sanction those responsible for these abuses, and I will be submitting names of individuals who should be subject to immediate sanctions.

Mr. Speaker, I continue to urge my colleagues in the Senate to pass my NICA Act now to help the people of Nicaragua.

RECOGNIZING EMS WEEK

(Mr. GENE GREEN of Texas asked and was given permission to address the House for 1 minute.)

Mr. GENE GREEN of Texas. Mr. Speaker, I rise to honor all the dedicated EMS workers, especially in Houston County and Harris County, Texas, who served our community with distinction during Hurricane Harvey last August. This week is EMS Recognition Week across our country.

Nobody becomes an emergency medical responder, emergency medical technician, or paramedic to get rich. It is hard work, physically strenuous and stressful, and can involve life-or-death situations in certain circumstances.

This was the case during Hurricane Harvey, a historic storm that dropped over 50 inches of rain over Houston and southeast Texas.

While we honor the hard work and dedication of our EMS workers during EMS Week, we must make sure our emergency medical service workers are paid a fair, middle class wage and benefits, and are protected from worker fatigue so that they can deliver high-quality emergency care when it is most needed.

I also wish to recognize the hundreds of EMS workers who traveled from all over the country to help the people of Houston and southeast Texas during our time of need.

MODERNIZATION OF F-22 FIGHTER WING

(Mr. DUNN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNN. Mr. Speaker, I rise today in support of my amendment to the National Defense Authorization Act, which will accelerate the modernization of the F-22 fighter wing at Tyndall Air Force Base. This is one of only three F-22 training wings in the Air Force.

We have the most highly trained and dedicated military in the world. But if we are not giving them the resources to maintain their planes and training them in the most realistic environments possible, we are doing them a disservice. Over the last year, we have begun to correct that problem and rebuild our military and invest in our servicemembers.

Modernizing the training wing of F-22s at Tyndall Air Force Base is another step in that process and is essential to the safety and security of the airmen we ask to achieve air superiority over battlefields all around the globe.

We are giving certainty to our warfighters with this NDAA, and I urge all of my colleagues to support this important legislation.

INVEST IN NATION BUILDING IN AMERICA

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Mr. Speaker, there are 54,000 structurally deficient bridges in America. Every second of every day, seven cars drive on a bridge that is structurally deficient.

Earlier this month, New York State Comptroller Thomas DiNapoli issued a report finding that our broken sewer systems are dumping billions of gallons of sewage into our lakes and rivers.

The American Society of Civil Engineers gives the Nation a D rating when it comes to infrastructure and estimates that it will cost \$2 trillion just to bring our infrastructure to a state of good repair.

Mr. Speaker, a \$1.5 trillion infrastructure plan over 5 years would create 34.5 million jobs, and infrastructure pays for itself with \$1.60 of new economic growth for every dollar invested: this, according to the Congressional Budget Office. That is 6.9 million jobs each of the next 5 years and 575,000 jobs each month for the next 60 months.

Mr. Speaker, it is time that we get out of Iraq and Afghanistan and invest in nation building in America, with American workers and for the American people.

THE NDAA: REBUILD AND REFORM

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, the National Defense Authorization Act passed the House Armed Services Committee with an overwhelmingly bipartisan vote of 60 yes to 1 no. I am grateful for the leadership of Chairman MAC THORBERRY, with Speaker PAUL RYAN, promoted by Defense Secretary James Mattis.

The NDAA being considered today provides a critical increase in topline funding to support troops and readiness
